

LOST.—A two-sail boat with a white bottom and blue streak around the top, at Black Land Gully. Length of keel 16 feet, 9 inches. Anyone finding the same will please write to Placide Gray, Richibucto.

HARVEST SUPPER AT HARCOURT.—The ladies of the Presbyterian church at Harcourt intend giving a Harvest Supper in the Public Hall at that place on Wednesday, 27th instant. There will be refreshment tables provided with the delicacies of the season, and also a fancy table where articles, useful and valuable, may be purchased. The affair is deserving of liberal patronage.

ADDRESS AND PRESENTATION.—Miss L. S. McIntosh, who has gone to Vancouver to visit her sister, Mrs. M. K. Letson, resigned her school at Onatham Head, where she has taught for the last six years. On the occasion of her leaving, the pupils presented her with an address, expressing their regret at parting, their esteem for Miss McIntosh, and wishing her bon voyage. The address was accompanied by a beautiful gold souvenir pin. Miss McIntosh replied, thanking her pupils, and expressing her appreciation of their gift.—World. [Miss McIntosh formerly belonged to Buctouche, Kent Co.]

OBITUARY.—With regret the announcement has to be made of the death of Mr. John Dickinson, of the firm of Dickinson and Brown, of Westminister Avenue. He died on Monday morning, Sept. 11th. The deceased gentleman was born in Kingstons, Kent County, New Brunswick, 66 years ago. He had been ill for some time. John Dickinson engaged in business in his native Province for a number of years. In 1882 he went to Brandon, being one of the pioneers there. He came to Vancouver about five years ago. He at once entered into partnership with Mr. Brown on Westminister Avenue. He was a very popular man among a large circle of acquaintances. Much sympathy is felt for his widow. The funeral took place on Wednesday at 2 p. m., from the residence, 851 Howe Street, and was very largely attended.—Vancouver News-Advertiser.

A GREAT NEWSPAPER'S SUCCESS.—The phenomenal success of the Montreal Daily Star is due largely to its superb news gathering facilities. The Montreal Daily Star has far and away the best news service, having the command of correspondents at five hundred thousand points throughout the universe. In fact, the Star's news is not only the best in Canada, but it is away ahead of many of the great American daily papers. The Montreal Star is the only Montreal paper that has a cable correspondent in London and Paris and the Star's special cable service alone is a reliable indication of its great enterprise and ever growing circulation. Recently the Montreal Daily Star has become more and more indispensable by reason of its special cheese and butter quotations, the Star being the only paper in Canada that gets these quotations direct. No wonder the Star is going ahead by leaps and bounds. It is a pleasure to record its widening success.

ACCIDENTAL.—Mr. Lewando Baldwin, the armless wonder, who was to have appeared in Masonic Hall on Wednesday evening, met with an accident in the afternoon which prevented him from doing so. He and Mr. Robert Flemming, who, by the way, were boys together, were out for a drive when the horse took a start, near the Town Hall, running away and throwing the occupants from the carriage. Mr. Flemming escaped uninjured but Mr. Baldwin, not having arms with which to protect himself, landed on his head. In falling, the hub of the carriage wheel came in contact with his head, inflicting a painful scalp wound. He was unconscious when picked up, but regained consciousness shortly afterwards. Dr. Jos. B. Benson dressed the wound, which was not found to be very serious. While badly shaken up, Mr. Baldwin is coming around all right and will appear in Masonic Hall on Monday night.—World. [Mr. Baldwin performed in the Masonic Hall, here, a short time ago.]

—Nice line of Dress Goods, and a well assorted stock of Jacket and Cape cloth at J. & W. Brait's.

—The steamship Bentala, which was loading deals at Kingston for Liverpool, was towed outside the harbor last Wednesday afternoon, where she is completing her cargo.
