RESOLUTION OF CONDOLENCE. At the regular meeting of Court Favourite, I. O. F., a resolution of condolence was passed of which the following is a copy:—

To Mr. and Mrs. John Short, St. John: We, the members of Court Favourite, I. O. F., desire to express our heartfelt sympathy with you in this distressing bereavement by the calling away by our Heavenly Father, your beloved son from our midst.

Brother Short had always held our highest esteem and respect by his consistent life, and we feel that we ourselves, and the community as well, have suffered loss by his being taken from our midst.

There are some lives whom we think we can ill spare, but there is a wisdom better than ours who deals with us, not only for our good in the passing day, but in His jealous love ever keeps looking forward for us, and taking Him at His word—"What I do thou knowest not now, but thou shalt know hereafter"—we shall be able to see even in the present passing hour how wonderfully His grace works for us and solves the otherwise mysterious problems of our life and in the changes of our sojourn here manifests His interest in us, and that he consoles, in the loss of what we consider a blessing and necessity, by replacing it with a fuller and larger blessing, and ever beckoning us onward to the abiding city whither we believe our brother has gone before.

For the little ones left behind while our hearts are deeply moved at their loss of father's and mother's care we know that He who has promised to be a "father to the fatherless" will never fail His promise.

May He who has been "appointed to comfort" that mourn, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness," minister the abundance of His sympathetic love and grace which you so much need.

Signed on behalf of H. A. MECK, of Court Fav. R. G. GIRVAN, ourite, I. O. F. GEO. A. HUTCHINSON.

ST. NICHOLAS RIVER NOTES.

We are glad to see that Mr. Robert Doherty is putting up a new wharf at the St. Nicholas River bridge.

Mud hauling is all the rage around here at present. Some of the farmers have their farms nearly covered.

The concert held in the St. Nicholas River hall proved a tremendous success, netting a large amount of money, there being one hundred and fifty six persons present. The actors deserve great praise for the way they kept the audience convulsed with laughter.

We heard that T. E. found some old bones, Robert says they are fossils, we wonder what he is going to do with them.

A party was held at West Galloway recently in honor of the St. Nicholas River comedy club. They thought they would be ahead of the St. Nicholas River people in doing honor to them.

Maggie said she was happy now, her last and only wish being granted for he got up and spoke a few words the other night.

A fearful shooting took place last week driving some of our young men out of the country but fortunately no one was hit. Jim had better be careful next time he takes his boy out shooting.

We would like to know if there is anything to mend cracked voices, some of our young ladies need such a thing if there is a remedy.

SAD RESULT OF A NIGHTMARE—WIFE MURDER AND SUICIDE.

TACOMA, Wash. March 26.—Dr. Chas. Cory shot and killed his wife to-day while she lay asleep. Cory was ill and his story of the affair is that he was laboring under a nightmare, believing his wife was being pursued by a stranger, who was intent on killing her. In his dream Cory says he followed the two from Tacoma to Washington and as he fancied the man was about to stab her twice with his revolver. He awoke with a start to find himself sitting in bed with a smoking revolver in his hand. Cory had drawn his revolver from its place under his pillow and killed his wife. The relations between Cory and his wife have been very affectionate and the authorities believe his story. Cory was not arrested.
