DEATH OF MRS. MCINERNEY.—We have this week to record the death of another Kent County lady. Mrs. McInerney, relict of the late Hon. O. McInerney, died at the home of her sister, Mrs. Hayes, at South Branch on Saturday, Aug. 5th, after an illness of only a short time. Deceased, who was in her 57th year, had been troubled for some time with chronic indigestion, but was not confined to the house. Only a short time ago she visited her daughter, Mrs. John Sutton, Jr., of Moncton, and later visited her sister, Mrs. Hayes, of South Branch. She was one of the most highly esteemed ladies in Kent County. She leaves a family of two sons and one daughter, Edward of Kingston, William, of the staff of the New York Sun, and Mrs. John Sutton, Jr., of Moncton. Geo. V. McInerney, M. P., of Richibucto, Frank and John McInerney, of Kingston, and Dr. McInerney, of St. John, are stepsons of the deceased lady. The funeral took place on Monday afternoon and was very largely attended.

A WRONG IDEA OF... DYSPEPSIA

Throws all the Blame on the Stomach—The Real Seat of Trouble is the Intestines—The Permanent Cure is Dr. Chase's Kidney-Liver Pills.

It is an old idea long since exploded that digestion is confined to the stomach. No modern scientist denies that by far the greater part of digestion and the more difficult part takes place in the intestines. This explains why dyspepsia is never really cured by preparations which merely aid stomach digestion and act only on the stomach. This fact also explains why Dr. Chase's Kidney-Liver Pills have been so remarkably successful as a cure for the worst forms of dyspepsia and indigestion. Dr. Chase's Kidney-Liver Pills act directly on the kidneys, liver and bowels, and give new tone and vigor to the intestines, and make them able to perform their work of digesting the substances on which the stomach has no effect. Stomach treatment may do well enough for slight indigestion, but if you have chronic indigestion or dyspepsia of a serious nature you can profit by the experience of scores of thousands who have been permanently cured by using Dr. Chase's Kidney-Liver Pills. One pill a dose, 25c. a box, at all dealers, or Edmanston, Bates & Co., Toronto.

Clements was also accompanied by his wife, who still survives him, Capt. Clements having died on the brig of yellow fever in the year 1861 in the West Indies. Mr. G. W. Clements still retains a vivid recollection of his stay here, though 42 years of life with its changes has passed

A very enjoyable evening was passed at the home of Miss Lide Flint last Wednesday. After the company had gathered and had thoroughly discussed the leading topics of the day, such as the weather, the crops, and the prospects of future lobster fishing, the discussion of which is supposed to be the only notable characteristic of the people of Richibucto and surrounding towns; and the greater part of the evening having been spent in the discussion of said subjects, the company experienced the most intense feelings of relief and pleasure in listening to some very fine selections of music, both vocal and instrumental, by Mrs. James Neil, of Waltham and Miss Jessie B. Pine, of Salem. After which, ice cream having been very daintily and artistically served by Mrs. Chas. Wright, of Waltham, the company retired in ecstasy, the effect of a grand, easy, rousing finale by Mr. A. Girvan, of Kingston.

TEA TABLE TALK.

SOMETHING WORTHY OF THE ATTENTION OF THE THRIFTY HOUSEKEEPER.

The claim that Red Rose tea is the best medium priced tea on the market is backed up by the testimony of the people as shown in the ever increasing sales throughout the maritime provinces. If Red Rose were not of exceptional quality at the price, the demand for it would not increase, but would fall off. But it continues to increase.

Red Rose is a blend of China, Indian and Ceylon teas, and its characteristic strength and delicious flavor are due to careful experiment, blending the teas named, in different proportions until a quality was produced which met with instant favor. That quality is present in every pound of Red Rose tea. There is no guess work or hap-hazard about it. No other tea has exactly the same quality, and when others are represented to be just as good as Red Rose the buyer will at once perceive the compliment paid to the latter. Red Rose is a standard. It is immensely popular, and suits the taste of more people than any other tea offered. It is sold in bulk or in 1 lb. and 1/2 lb. lead packets, at 35cts. per lb.
