A Port Hope Lady Undergoes a trying experience, from which she is at last freed by the use of Milburn's Heart and Nerve Pills.

Mr. F. J. ARMSTRONG, one of Port Hope's best known citizens, speaks as follows:—"My wife has had a terrible time with her heart for the last fifteen months. The pains were intense, and she had a smothering feeling together with shortness of breath, weakness and general debility. Medicine seemed to do her no good, and we had about given up trying when she started to take Milburn's Heart and Nerve Pills. They have toned her up wonderfully. She is stronger to-day than she has been for months, thanks to Milburn's Heart and Nerve Pills. I am sure there can be no better remedy from their remarkable effects in Mrs. Armstrong's case."
