In the ever sunny region, Of Africa's burning sand, Where they're fighting bloody battles For the work of freedom's hand; There is one whose name is honored By all subjects of the Queen, This is Robert, General Roberts, Noble hero of this scene.

He can make his plan of battle, · With an ever steady eye; He can save his country's honour, Or, if needed, he can die. Tho' our brave Canadian soldiers, Helped the victory for to gain; It was Robert, General Roberts, Who had planned the great campaign.

He will make the Boers surrender, Or he'il put them all to fight; For he's noble and determined, And the' small, he vet can fight. Let us then entrust the honor Of our country, to the hand Of our Robert, General Roberts, Who has proved he can command !

When the Transvaal war is over, And he comes back safe and sound, We will give a hearty greeting To the soldiers, all around; But we'll save our chief rejoicing, For this kero, great but small, Who is Robert, General Roberts, Who dethroned old Oom Paul. Kingston, Kent Co., N. B. - 401 -

A Skin Beautifier

Of Inestimable Value, which Positively Cures Pimpjes, Blackheads, Eczema and every form of Skin Disease, is Dr. Chase's Ointment.

As great as may be the difference of opinion as to the various types of beauty, no one can see beauty in a face that is disfigured by pimples and blackheads or scarred by traces of eczema or other skin diseases.

The low-neck society dress frequently reveals shoulders and back covered with pimples or other skin eruptions repulsive to the sight. Why are women content to use powders and harmful preparations to cover p such blemishes when they could as well cure them and make the skin clear, healthy and natural by using a preparation se well known as Dr. Chase's Ointment.

Eczema, or Salt Rheum, may be taken as the most severe form of skin diseases which mar beauty and cause terrible itching and burning sensations. That Dr. Chase's Cintment has cured the worst cases of eczema on record is well known,

No preparation is of such inestimable value in a woman's toilet, for besides curing the pimples that are usually troublesome at whatever the cause they frequently left to go and speak with the General, who regular intervals, it gives instant relief to the itching to which women are subject, and

absolutely cures piles.
