CAN OBTAIN NEW HEALTH PROMPTLY TREATED.

It Was Thought Miss Lizzie Smith, of Waterford, Was in Consumption, But Her Health Has Been Restored-Advice to Similar Sufferers.

From the Star, Waterford, Ont. who do not suffer more or less from anaemia. We see them everywhere, and they are easily recognized by a sallowness of complexion, or perhaps extreme pallor, they are subject to headaches, dizziness, and worn out on the least exertion. To those who suffer in this manner Dr. Williams' Pink Pills offer speedy and certain relief. Proof of this may be had in our own town. Miss Lizzie Smith, daughter of Mr. William Smith, is to day the embodiment of health and activity, yet not so long ago her friends feared that con sumption had fastened its fangs upon her. A representative of the Star recently interviewed Mrs. Smith as to the means employed to restore her daughter's health. Mrs. Smith's unhesitating reply was that Dr. Williams' Pink Pills were entitled to the credit. Mrs. Smith Said: "My daughter is nineteen years of age. For some years she has not been very strong and was subject to sick headaches. Last summer she went to work in an establishment in Paris, and had not been there long when her health grew much worse. She consulted a doctor there who said that her blood was in such a bad state that the trouble was likely to develop into consumption, and on hearing this Lizzie at once returned home. When we saw her we feared she was in a decline. She suffered very much from headaches; was as white as chalk, with dark circles under her eyes and the eyes shrunken. Her appetite was very fickle and she ate very little. She was very despondent and at times said that she did not care whether she lived or not. I decided to give Dr. Williams' Pink Pills, which I heard were so highly recommended in cases like here, a trial. She had only taken the pills for a couple of weeks when we could see an improvement. By the time she had used a couple of boxes her appetite was much improved, her headaches less frequent, and the spirit of depression passed away. Four boxes more fully restored her bealth as well and as active as though she had never had a days illness. I really think Dr. Williams' Pink Pills seved her life, and believe they are worth their weight in gold to girls suffering as she did."

Dr. Williams' Pink Pills make rich, red blood, strengthen the nerves, bring the glow of health to pale and sallow cheeks, and make the feeble and despondent feel that life is once more worth living. The genuine are sold only in boxes, the wrapper bearing the full name "Dr. Williams" Pink Pills for Pale People." May be had from all dealers or by mail at 50c. a box or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville,

DR. B. J. KENDALL CO.

Dear Sirs:—A year ago I had a valuable horse which got lame. I took him to the Veterinary Surgeon who pronounced it occult Spavia and gave me little hope, although he applied a sharp blister. This made matters only worse and the horse became so lame that it could not gland up. After trying everything in my power I went to a neighbor and told him about the case. He gave me one of your books and I studied it carefully and being resolved to do the utmost in favor of my heast, went to the nearest drug store and got a bottle of your Spavin Cure and applied it strictly according to directions. Before the first bottle was used I noticed an improvement, and when the seventh bottle was about half used, my horse was completely cured and without leaving a hiemish on him. After ceasing treatment I gave the horse good care and did some light work with him, wishing to see if it had effected a cure. I then started to work the horse hard and to my entire satisfaction he never showed any more lameness through the whole summer. I can recommend Kendall's Spavin Cure not only as an excellent, but as a sure remedy, to any one that it may concern. Yours truly, SAMUEL TRITTEN. Ask your druggist for Kendall's Spavin Care, also
