FUNERAL OF THE LATE C. J. SAYRE.—The funeral of the late C. J. Sayre, which took place from his residence on Pagan Street, last Thursday afternoon, was quite largely attended. Service was conducted at the house by Rev. H. A. Meek, assisted by Rev. W. Lawson and D. Fraser, and at the church by Rev. H. A. Meek. The service at the church was both impressive and instructive, the rector taking as his text the words, "What is your life." The corpse was then taken to its last resting place in the Episcopal burying ground. The casket was adorned with a beautiful wreath of flowers upon which was worked in large letters the word "Father." The pallbearers were, Sheriff Leger, Coun. Atkinson, of Kouchibouguac, John Stevenson, Robert Hutchinson, Hazen Russ and John Taylor.

DEATH OF A FORMER KENT CO. MAN.—Mr. Stephen Peters, an aged and highly respected resident of this city, passed away Friday afternoon at his home on the Columbia farm at the advanced age of 78 years. Deceased was born in Folkstone, England, on March 14th, 1822, and immigrated to New Brunswick with his father, the late Henry Peters, when about nine years of age, his father settling down on a farm at Molus River, Kent Co. Deceased when he grew to be a young man moved to Richibucto where he learned the shoemaking trade. At Richibucto he was married to Martha Kinrade, (deceased), sister of the late Thomas Kinrade. He subsequently started business in Kingston and in 1866 moved to New Glasgow where he remained until 1870 when he returned and settled down in Moncton. On his arrival in Moncton his two sons, Messrs. Joshua and Alfred E. Peters started in business and from that time deceased has made his home on the Columbia farm. Since last fall Mr. Peters has been suffering from an ulcerated jaw, which, together with old age, resulted in his demise which occurred at 16 o'clock Friday. Deceased, who was well known in Moncton, leaves a family of six sons and two daughters. His sons are Messrs. Joshua, Alfred E., Seymour, Franklin F., Oswald J. and Ephraim S.; the daughters are Annie F. and Mabel A. The funeral took place Sunday afternoon at 14 o'clock from the Columbia farm. HARCOURT NOTES.

MAY 12th.—Mrs. Freeburn went to Newcastle Tuesday evening and returned Thursday.

Mrs. Geo. H. Allen and Miss Jessie Dunn went to Moncton Friday.

This town, although not as large as some of the American cities, can nevertheless put up some big fights, one of which took place Saturday afternoon. There were not quite as many rounds as the Corbett and Jeffries fight and fair play was conspicuous by its absence.

A young man with a very nice button-hole of May flowers was seen wending his way in the direction of Mortimore Friday evening.

Miss Hilson, of Richibucto, is visiting her sister Mrs. J. W. Morton.

Mr. I. B. Humphrey paid Moncton a visit this week.

On Wednesday night burglars entered S. M. Dunn's store by breaking a side window. After helping themselves to tobacco, pickles, maple sugar, and some peanuts they took their departure. No trace of the missing articles can be found but it is to be hoped that the thieves will be apprehended.

Mr. McLean representing Manchester, Robertson & Allison, St. John, was in town Friday.

One of Mortimore's gents is seen quite often in the vicinity of A. D.'s. Is the clerk the attraction.

Miss Meeta McMichael, of West Branch, was the guest of her brother, J. F. R. McMichael, Monday and went to St. John Tuesday morning.

A. H. Ingram of the I. C. R., who has been in Campbellton all winter, is home on a short vacation.

Geo. L. Harris, Barrister, of Moncton, was here Saturday attending court.

Mr. Blackwood, of Joggin's Mines, is visiting at Thos. Ingram's.

We congratulate our bicycle agent, Mr. W. G. Thurber, in selling so many ladies' wheels. This shows an eye to business as the gentlemen who wish to keep pace with the ladies must now purchase a wheel or they won't be in it.

Mr. A. Ferguson, foreman in J. Maloney's saw mill, Rogersville, spent Sunday at home.

Miss Ingram returned to Boston Tuesday.

BIRTHS.

Worn-Out Nerves

Bring Headaches, Backaches, Pains in Limbs, Sleeplessness, Irregularities, Nervous Prostration and Paralysis.

Woman's work is never done. From early morn till late at night many a woman toils on day after day, week after week, and year after year, with no rest, no recreation, and not even change of work, for it is the same monotonous round over and over again.

Little wonder that the nerves are shattered, the system run down, and the body racked by pains and aches. Little wonder that the head aches, the digestive functions are impaired, and the delicate organs become irregular. Little wonder that beauty fades, the skin becomes pale and sallow, and the body thin, weak and worn out.

To correct these ailments and to renew the vitality of the body a restorative is necessary, and there is no greater restorative known to man than Dr. Chase's Nerve Food. It is a new wonder of medicine which gets down to the foundation and builds up gradually but surely until the whole system is revitalized and disease becomes a thing unknown.

Dr. Chase's Nerve Food is put up in pill form, and if taken regularly according to directions will positively and permanently cure the most serious nervous disorders of men, women and children. See a box at all dealers, or Edman-son, Bates & Co., Toronto. Book free.

—We regret to say that through a typographical error in our report of the death of the late C. J. Sayre in last week's issue, the date of his being admitted to the bar and also the date of his coming to Richibucto were incorrect. The date of the former should have been 1854 instead of 1884 and of the latter, 1855 instead of 1888.

—Rev. Mr. Webb, a church of England missionary from Calgary, N. W. T., delivered a very interesting lecture, interspersed with lantern views, in the Church of England Sunday school building on Tuesday evening, to quite a large audience. The meeting was opened with the singing of a hymn followed by a prayer by the pastor, Rev. H. A. Meek, after which Mr. Webb delivered his lecture, which was enjoyed by all present. He gave a graphic description of the diocese in which he is stationed, and also of the kind of people he has to deal with. The pictures shown were principally the various towns throughout the diocese and also some of the principal buildings including the churches in each town. He also showed the different races of people to which he is teaching the gospel, which, he says, are principally half breeds. The lecture was not only interesting but very instructive. A silver collection was taken up during the evening which will be devoted to missionary work.

—What might have been quite a serious fire occurred at the residence of Mr. Alex. Barnett on Saturday morning last. During the early part of the morning fire was noticed from outside in one of the rooms upstairs, and on investigation it was found that the room in which the fire was seen was full of smoke and part of it in flames. Mr. Barnett, who happened to be home at the time, with the assistance of his nephew, at once secured pails of water and soon had the flames under control. It was afterwards found that the fire had caught from a piece of cardboard which had been placed over a stovepipe hole in the flue and which had ignited by sparks from the cooking stove, the pipe from it being in the same flue. No serious damage was done to the house. Mr. Leard, Mr. Barnett's housekeeper, lost a new suit which had never been worn, and had several other things ruined by the smoke.

A LITTLE COLD LET RUN.

A little tickling in the throat—now and then a dry, hacking cough—"not bad enough to bother about you say."

But every hack makes a breach in the system, strains the lungs and prepares the way for more serious trouble.

'Twould be wise for you to take Dr. Wood's Norway Pine Syrup now, before the lungs become permanently affected.

It is the most certain and satisfactory remedy for Coughs, Colds, Bronchitis, Croup, Hoarseness, Sore Throat and Whooping Cough.

Mrs. Geo. F. Foster, Lansdowne, N. B., has this to say: "I was taken suddenly with a cold which settled on my lungs. I had a terrible cough and it gave me great alarm. All the remedies I tried seemed of no use. I then started taking Dr. Wood's Norway Pine Syrup, which cured me so promptly that it was a pleasant surprise. I shall always keep it in the house during the winter season."
