## A DOCTOR TALKS.

**Explains why Dodd's Kidney Pills Cure More Than Local Kidney Diseases.**

**Kidneys are the Filters of the System and Must be Kept Clean—Dodd's Kidney Pills as a Corrector of kidney disorders—a straightforward Explanation.**

HALIFAX, N. S., Feb. 5.—One of the most up-to-date and advanced physicians of this city, in a conversation with a press representative the other day, explained some interesting points in relation to the marvelous cures Dodd's Kidney Pills are making in this province.

"The great point is," said he, "that Dodd's Kidney Pills are an unapproachable medicine for the kidneys. They act directly on those organs and correct whatever is wrong with them."

"Yes, but Dodd's Kidney Pills are making cures of diseases like Rheumatism. How does Rheumatism have any connection with the kidneys?"

"Well, that is easily explained," said the doctor. "Rheumatism is uric acid in the blood. Uric acid is left in the blood by reason of poor filtering on the part of the kidneys. They should strain all impurities, like uric acid out of the system. If they don't something is wrong. Dodd's Kidney Pills proceed right to the spot and right that wrong."

"And the uric acid is then strained out of the system?"

"Exactly. You see how naturally the cure is effected. The kidneys are the seat of the trouble, and it is no use treating the part where the uric acid happens to lodge. Take the case of William A. Brown, Boiestown, reported a short while ago. He had Sciatica and Lumbago. Both of these complaints are but local forms of Rheumatism. Sciatica is situated in the thigh; Lumbago in the back. But as in all Rheumatism the cause lies in the kidneys. Brown felt relief, as he asserts, on the first box. And on the third box of Dodd's Kidney Pills he was cured. Now, how long would it have taken Mr. William Brown to have driven the uric acid out of his system by means of oils or other such remedies applied externally? Not in a thousand years," said the doctor, answering his own question.

## TOBACCO HEART.

Have you been smoking a good deal lately and feel an occasional twinge of pain round your heart. Are you short of breath, nerves unbinged, sensation of pins and needles going through your arms and fingers? Better take a box or two of Milburn's Heart and Nerve Pills and get cured before things become too serious.  
Here's what Mr. John James, of Caledonia, Ont., has to say about them: "I have had serious heart trouble for four years, caused by excessive use of tobacco. At times my heart would beat very rapidly and then seemed to stop beating only to commence again with unnatural rapidity. This unhealthy action of my heart caused shortness of breath, weakness and debility. I tried many medicines and spent a great deal of money but could not get any help. Last November, however, I read of a man, afflicted like myself, being cured by Milburn's Heart and Nerve Pills. I went to Roper's drug store and bought a box. When I had finished taking it I was so much better I bought another box and this completed the cure. My heart has not bothered me since, and I strongly recommend all sufferers from heart and nerve trouble, caused by excessive use of tobacco, to give Milburn's Heart and Nerve Pills a fair and faithful trial."  
Milburn's Heart and Nerve Pills are 50c. a box or 3 for \$1.25, at all druggists. T. Milburn & Co., Toronto.
