

YEARS OF AGONY.

RESULTING FROM SCIATICA IN AN AGGRAVATED FORM.

Many Nights the Sufferer Could Not Lie in Bed, and His Leg was Frequently Swollen to Twice Its Natural Size.

From the Journal, St. Catharines.

Mr. John T. Benson, stationary engineer at the Ridley College, St. Catharines is known by most of the residents of the city. For years Mr. Benson suffered acute agony from sciatica, and notwithstanding numerous forms of treatment, found little or no relief until he began the use of Dr. Williams' Pink Pills. These pills speedily restored his health, as they have done that of thousands of others who have given them a fair trial. To the reporter who interviewed him, Mr. Benson said:—"I certainly owe a debt of gratitude to Dr. Williams' Pink Pills, for they have released me from a form of torture that had afflicted me almost continuously for twenty years. The pain began first in my back, then shifted to my hip, and thence down my leg. It became so severe that it seemed as though the very marrow in my bones was being scalded, and at times I could scarcely repress crying aloud from the agony I endured. I tried all sorts of liniments and lotions, but got no relief. I doctored with several physicians, even going to Buffalo for treatment by a specialist there, but in no case did I ever receive more than temporary relief. It may be easily imagined that the pain I endured told upon me in other ways and I became almost a physical wreck. At times my right leg would swell to nearly twice its normal size. Then the pain and swelling would shift to my left leg, and the agony was something awful. I suppose that during the period I was afflicted I have hundreds of times laid on my back on the floor with my foot and leg elevated on a chair in order to obtain slight ease from the pain I endured. The muscles and sinews in my legs looked as though they had twisted and tied in knots. The trouble went on in this way until finally nothing but opiates would deaden the pain. A few years ago I read of a cure in a similar case through the use of Dr. Williams' Pink Pills and decided to try them. For some time after I began their use, I could not see that they were helping me, but I decided that I would give them a fair trial. By the time I had used a half dozen boxes, there was a decided improvement in my case, and I continued the use of the pills until I had taken twelve boxes, when I felt my cure was complete. Several years have since passed and I have had no return of the trouble, so that I feel safe in saying that the cure has been permanent.

I may also add that my wife has used the pills for indigestion, headaches and dizziness, and has found great benefit from them. Words cannot express the great benefit Dr. Williams' Pink Pills have been to me, and I hope similar sufferers will profit by my experience."

Dr. Williams' Pink Pills cure by going to the root of the disease. They renew and build up the blood, and strengthen the nerves, thus driving disease from the system. If your dealer does not keep them, they will be sent postpaid at 50 cents a box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

FAMINE IN INDIA.

A CORRESPONDENT SAYS THAT THE SCENE OF DEVASTATION PASSES ALL DESCRIPTION.

LONDON, June 14.—The famine in India grows worse.

The Standard's Simla correspondent, in a mail letter says:

"It would be rash to assume from the almost stationary relief figures that the corner will soon be turned. So devastating has been the cholera outbreak, so enormous the mortality and so blind the terror inspired by this black death, that the famine relief camps in Bombay presidency, which contained thousands of workers, melt away and are left empty in the course of a couple of days.

"Starving though they be, the people prefer to fly to their own homes and die in quiet than to remain in the famine relief camps, where the cholera is striking down a hundred workers daily.

"Terrible stories come from Dohad. There the famine is at its worst and now the cholera has arrived to complete the work. An eye-witness says:

"As we walked through those quiet streets we saw deserted homes and dead bodies. One of the bravest acts witnessed was a little girl about seven attempting to care for two little brothers after the mother had given up all hope and lain down near them to die. She was feeding a fire which burned beneath a broken pot in which simmered the almost rotten feet and bones of some dead animal. The scene cannot be painted too black. No account we have ever read of any famine would picture the state of affairs at Dohad."

The Standard's correspondent says the mortality estimates are inaccurate. Unnumbered dead bodies are polluting the streams and spreading contagion.

WHY THE SHOPMAN GOT CROSS.

It was a newly-opened haberdashery and one window was resplendent with neckties and cravats of glorious brilliancy. Confidently they announced in gilt letters: 'Any Article Removed from the Window!' So when Smithson walked in one evening and requested to see that 'bright pink and green, shot with peacock blue, in the front row,' the polite shopman disarranged the front, and, after considerable trouble, brought out the desired object.

"Rather bold, isn't it?" remarked Smithson.

The affable shopman was in complete accord. "Certainly a bit striking."

"I thought so. You needn't put it back."

"Very well, sir," and the man began to wrap up the thing of beauty in its bed of tissue-paper. "Anything else to-day, sir?"

"Oh, I don't want it, said Smithson, 'only you know you advertise: 'Any article taken from the window,' and as this hideous thing offends my aesthetic taste, I thought I'd ask you to remove it, that's all. Good day.'

Then that shopman philosophized audibly and with much fervor.

Mr. John R. Smith, Lake Street, N. B., says: "From my own personal experience I willingly testify with good effects of Laxa-Liver Pills for Sick Headache, constipation."

Col. G. W. MacFarlane and associates, of Honolulu, have been granted a charter to organize the First National Bank of Hawaii, which bank will act as a government agent in the parliament of Hawaiian government obligations.

What to Teach.

The editor of the Bar Harbor Record says: "Two authorities—one a man who has made educational matters a lifelong study, the other an able writer and a trained observer—arrive at the same conclusion, and this is the sum of their observations. There is a golden mean in education as in everything else. Teach your children what it is essential they should learn in order to fill their proper places in life, and teach it thoroughly. Don't cram their heads with studies that they will never need after they leave the school-room."

Curiosity Appeased.

"What question of all the hundreds you have to answer every day," inquired the lounge at the Polk street railway station, "makes you the weariest?"

"That one," replied the ticket seller, "is about as fatiguing as any."—Chicago Tribune

SEVEN YEARS IN PRISON.

TORONTO, June 18.—George M. C. Wilson, ex-teller of the Merchants' Bank, was to-day convicted of stealing \$10,000 from the Bank on April 18 last, and was sentenced to four years in Kingston penitentiary, this sentence to commence at the expiration of the three year term he also received this morning for embezzling \$2,000 during the past five years. Wilson, while acknowledging the embezzlement, protested his innocence of the theft of \$10,000. The amount has not yet been recovered.

She Was Pale and Languid

Too Nervous to Sleep, and Daily Grew Weaker and Weaker—Dr. Chase's Nerve Food Restored Health and Vigour.

Mrs. E. McLaughlin, 95 Parliament street, Toronto, states:—"My daughter was pale, weak, languid, and very nervous. Her appetite was poor and changeable. She could scarcely drag herself about the house, and her nerves were completely unstrung. She could not sleep for more than half an hour at a time without starting up and crying out in excitement.

"As she was growing weaker and weaker I became alarmed, and obtained a box of Dr. Chase's Nerve Food. She used this treatment for several weeks, and from the first we noticed a decided improvement. Her appetite became better, she gained in weight, the colour returned to her face, and she gradually became strong and well. I cannot say too much in favour of this wonderful treatment, since it has proven such a blessing to my daughter."

Dr. Chase's Nerve Food is a blood-builder and nerve vitalizer of most unusual merit. In pill form, 50c. a box, at all dealers; or Edmanston, Bates and Co., Toronto.
