Warman, of St. Nicholas River, Kent Co., was united in marriage to Moses Haines, of Dorn Ridge, Parish of Douglas, York Co. The ceremony was performed by Rev. G. M. Campbell. The bride was becomingly attired in a suit of gray, trimmed with cream-colored satin and lace and carried a bouquet of bridal roses. She was the recipient of some valuable presents, that of the groom being a handsome gold watch chain. After the ceremony they proceeded to their home in Dorn Ridge followed by the good wishes of their friends.

WEDDED AT SHEDIAC.—Last Tuesday morning in the Roman Catholic chapel at Shediac, Mr. Adolphe Melanson, proprietor of the Kent Northern hotel, Kingston, was wedded to Miss Ezilda LeBlanc, daughter of the late Abel LeBlanc, of Shediac. The church was crowded and Rev. Father Lapointe officiated. After the ceremony the newly wedded couple and intimate friends repaired to the Terrace hotel, run by the father of the groom, where an elegant repast was partaken of. Mr. Melanson and bride left on a wedding tour to St. John. They returned to Shediac on Thursday and on their arrival were serenaded by the Shediac band who played several selections at the home of the bride's mother. A reception was held in the evening and a most enjoyable time spent. They returned to Kingston on Friday. THE REVIEW joins in wishing Mr. and Mrs. Melanson a long and happy life.

A MANIA FOR OPERATIONS
Most surgeons are anxious to try the surgeon's knife and recommend an operation for piles. A less cruel, less expensive and less risky method is the use of Dr. Chase's Ointment, a preparation that has never yet been known to fail to cure piles of what form or of however long standing. Don't think of risking an operation when you can be cured in your own home by the use of Dr. Chase's Ointment. The best physicians use it in their practice.

What You Pay For Medicine

Is no Test of its Curative Value—Prescriptions Versus Dr. Chase's Kidney-Liver Pills.

Dr. Chase's Kidney-Liver Pills are just as much a doctor's prescription as any formula your family physician can give you. The difference is that Dr. Chase's Kidney-Liver Pills were perfected after the formula had proven itself of inestimable value in scores of hundreds of cases.

Dr. Chase won almost as much popularity from his ability to cure kidney disease, liver complaint, and backache, with this formula, as he did from the publication of his great recipe book.

The idea of one treatment reaching the kidneys and liver at the same time was original with Dr. Chase. It accounts for the success of Dr. Chase's Kidney-Liver Pills in curing the most complicated ailments of the filtering organs, and every form of backache. As a family medicine Dr. Chase's Kidney-Liver Pills are unapproached. They keep the kidneys, liver, and bowels healthy, active, and regular, and so prevent and cure nine-tenths of the ills to which humanity is subject. One pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.
