

WEDDING BELLS.—The following article was received at this office last Friday, and is a little late but no doubt will interest some of our readers: "A very pretty wedding took place on the 28th of Nov., at St. Margarets Roman Catholic Church, when Miss Mary Dickens of this place, and Mr. Placide Babineau of St. Louis, were united in the holy bonds of matrimony by the Rev. Fr. Pattenau. The bride looked charming in a travelling suit of dove grey, trimmed with white silk, chiffon and ribbon, and wore a hat to match. The bride was attended by Miss Valentine LeBlanc of Buctouche, and the groom was ably supported by Mr. Camiel Barribeau of St. Louis. The bride was the recipient of costly and beautiful presents too numerous to mention. Dinner was served at the home of the bride, after which the happy couple returned to their future home in St. Louis. As the bride was highly esteemed and a favourite with the entire community, all join in wishing them a long and happy life.

RESOLUTION OF CONDOLENCE.

The following resolution has been forwarded to Mrs. W. A. P. Rhodes by Lodge St. Andrew, No. 16, F. and A. M., Richibucto, of which lodge the late Mr. Rhodes was a member, viz.:

To MRS. ELIZA E. RHODES, Richibucto, N. B.

Richibucto, N. B., Dec. 27th, 1899. Lodge St. Andrew, No. 16, F. & A. M. DEAR MADAM:—

On behalf of Lodge St. Andrew, No. 16, F. & A. M., under our most Worshipful Grand Lodge of New Brunswick, we beg leave to extend to you in your sad time of deep mourning for the loss of your beloved husband, W. A. P. Rhodes, our heartfelt and sincere sympathy, hoping and trusting that by so doing it may to some extent soothe the bleeding heart. While your dear departed husband was with us he at one time ruled and governed our Lodge with distinction and ability and to the last was a consistent member of the same and now that the Great Architect of the Universe has seen fit to remove him from the terrestrial lodge here below to the Celestial one eternal in the Heavens where all good Masons hope at last to arrive, with you we deplore his loss and his memory we cherish in our hearts.

While we know that no earthly sympathy can do more than soothe we are well assured that the Man of Sorrows, who wept at the grave of Lazarus and promised His Followers the comforter will send consolation that this world cannot bestow, and now dear madam it is our earnest desire that such consolation may be yours.

Yours very sincerely and fraternally, ALLAN HAINES, R. A. IRVING, I. W. DOHERTY.

Agony of Eczema.

Couldn't sleep at night with the torture.

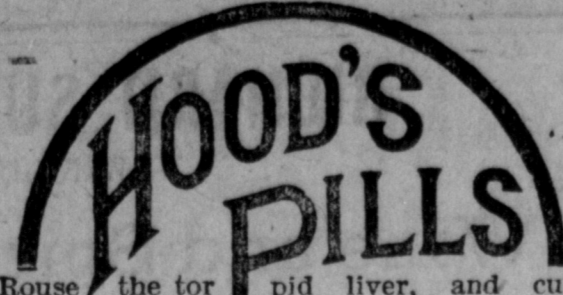

Eczema, or Salt Rheum as it is often called, is one of the most agonizing of skin diseases, nothing but torture during the day and two-fold torture at night.

But there's a remedy permanently cures the worst kind of Eczema—relieves the itching, burning and smarting and soon leaves the skin smooth and healthy.

It is Burdock Blood Bitters. Mrs. Welch, Greenbank, Ont., tried it and here is what she says:

"B.B.B. cured me of Eczema three years ago and I have had no return of it since. I was so bad that I could not sleep at night with it.

"Being told of B.B.B. I tried it, and two bottles made a perfect and permanent cure."

COOK'S NEW BLOOD PILLS

—Mild weather.

—Miss Nesses Ferguson entertained a few friends last Wednesday evening at her home on Pagan street.

—The catch of smelts the past few days has been fairly good, some of the fishermen getting some very good hauls.

—There was a very heavy shower of rain Saturday night, causing many of the wells around town to fill with surface water.

—Just like finding money in your pocketbook you didn't know you had—are the values in Union Bleed Teas—an agreeable surprise.

—Tuesday was an unusually mild day for this season of the year and the result is that in several places about town bare ground can be seen, the snow having all gone off.

—In many places on the river where there is a large amount of snow, the traveling is very bad, as there is a large quantity of slush under the snow, caused by the heavy rain on Saturday night.

—We have in stock at this office a nice lot of Memoriam Cards. Anyone wishing the same can have any quantity desired at lowest cash prices. We also have in stock a fine line of ladies' and gents' visiting cards.

—Last Friday evening Miss O'Brien was badly burned about the head and face by a kerosene lamp exploding in her hands. Miss O'Brien who was in her hair dressing establishment when the accident occurred, was sent to her home in a coach. —St. John Gazette.

—The Fredericton Herald says: "A man named Aaron Hart, belonging to Springhill, had the misfortune to break one of his legs, while working in R. A. Estey's lumber camp on the Tobique last week. He was brought out of the woods to Weavers hotel at Plaster Rock."

—H. H. Cameron, one of the Ottawa men in the second contingent now at Halifax, is the son of a millionaire business man in the capital city. He is his father's heir, and he feels happier in going to the front as a gunner, than remaining at home and enjoying a comfortable fortune. He served in the rebellion of '85. —Times.

—We regret to say that our correspondents in different parts of the county are beginning to fall back on us, and we would be much obliged if they would still continue sending some notes. We would also ask those about town who have anything in the shape of news to either bring or send it to the office, as we would be pleased to publish anything of a newsy character that they may bring.

—Halifax Chronicle: Members of the contingent who arrived Thursday, especially the best looking, had not a button left on their coats. They said that at the stations along the line the girls had cut them all off, and in nearly all cases had given kisses in return for the buttons, which were accepted by the men as payment in full. Some, however, were not contented with one kiss, but demanded from two to half a dozen.

—We find among our exchanges this week the first number of "L'Ami Du Lecteur" a new French monthly story paper. At first sight, without going carefully through the journal, the paper strikes us very favorably, and we feel assured will appeal to the French readers throughout the country. The proprietors inform us they will be pleased to send sample copy to any one writing them, enclosing stamp, addressed to "L'Ami Du Lecteur," Montreal. The subscription price being only 25 cents a year places it within reach of all.

—A horrible accident occurred at Gandola Point, Kings county, on Sunday afternoon by which Mrs. Pitt, mother of Captain Pitt, who runs the short ferry at that place, lost her life. Mrs. Pitt, who was well advanced in years, was sitting alone in a room before the fire, when her clothing caught in some unknown manner. Her cries attracted the attention of other members of the household, who rushed to her assistance and put out the flames—not, however, before she had sustained terrible burns. Dr. Keith, of Kingston, was immediately summoned and did all in his power to relieve her sufferings, but she died shortly before nine o'clock in the evening.—Globe.

MR. E. A. HARRIS ACQUITTED.

CALGARY, N. W. T., Jan. 23.—The trial of Harris here yesterday in the celebrated shooting case proved highly sensational. Gouin was the principal witness and he appeared in a decidedly unfavorable light, trying to lay all the blame on Mrs. Harris. The defence offered no evidence. The jury after a few minutes hesitation declared the accused not guilty. The verdict is unanimously popular.

COUNTY COURT.

The County Court which opened here on Tuesday, the 16th instant, adjourned Friday. Five cases were disposed of, viz: Collins vs Collins, Robicheau and others. This was an action brought by the infant children of the late Cornelius Collins against the defendants for waste to the reversion of certain lands in Kouchibougnac, willed by the late William Collins to his widow for her life, and after her death to the father of plaintiffs, as alleged by the plaintiffs. It was claimed that the widow and other defendants had cut the lumber on the lands and otherwise injured the reversion. The case occupied the Court until Wednesday afternoon, when the plaintiffs having failed to prove the will submitted to a non-suit. C. J. Sayre, Q. C., attorney, and J. D. Phinney, Q. C., counsel for plaintiffs; Geo. V. McInerney, Q. C., and Wm. D. Carter, attorneys and counsel for defendants.

Collins vs. Collins, O'Leary and others, was an action of the same kind. In this case the record was withdrawn. C. J. Sayre, Q. C., and J. D. Phinney, Q. C., for plaintiffs and Geo. V. McInerney, Q. C., and Wm. D. Carter for defendants.

Morton vs. McNutt was an action for false imprisonment. Plaintiff was arrested in January last, at the suit of defendant, on an execution issued on a judgment obtained by the latter in a Justice's Court and taken to jail where he made a disclosure and was discharged. He then brought the present action claiming that he had property in the hands of the defendant that should have been realized on before his arrest. Verdict for plaintiff for \$7.50. J. D. Phinney, Q. C., for plaintiff, and S. E. Morrill and Wm. D. Carter for defendants.

McKinley vs. Harrington and others, was an action brought by the plaintiff against the Trustees of School District No. 3 in the Parish of Carleton for the wrongful seizure, as he claimed, of his property for school taxes. The plaintiff failed to proceed with his case and a non-suit was entered. C. J. Sayre for plaintiff and Wm. D. Carter for defendants.

Warren vs. Walsh was an action brought against the defendant for wrongfully setting a fire in May last without giving the necessary notice to the adjoining occupants and taking other measures to prevent it spreading, in consequence of which plaintiff's fences and lumber lands were burned. Verdict for plaintiff for \$40. Wm. D. Carter for plaintiff; C. J. Sayre, Q. C., attorney, and J. D. Phinney, Q. C., counsel for defendant.

Court then adjourned sine die.
