LOST.—Between Peters' Mills and Richibucto, on Friday, the 18th, inst., a Fly Book. The finder will confer a favor by leaving the same at this office.

FOR SALE.—The late C. J. Sayre homestead on Pagan street with lovely orchard and garden; also the Fred S. Sayre cottage at the head of Queen street. Both very desirable properties. A grand chance to secure a house. Apply to FRED S. SAYRE, Richibucto.

DEATH OF A FORMER RICHIBUCTONIAN.—John McFadden, one of the ablest men on the St. John police force, died at midnight last Wednesday with typhoid fever, at the home of his uncle, Mr. M. Quirk, 289 Brussels street. Deceased was twenty-nine years of age. He was born in Richibucto, Kent Co., where his father and mother reside. When about fifteen years of age he went to Milford where he worked in the mills until 1898 when he took a position on the St. John police force.

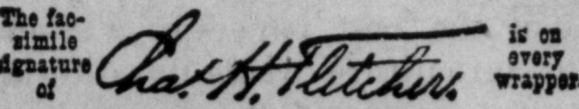

DEATH AT HARCOURT.—The heartfelt sympathy of the residents of Harcourt is with Mr. and Mrs. Jas. Chrysal in their present bereavement, the death of their youngest daughter May, who passed away very peacefully Sunday, Sept. 2nd, at one o'clock, after four weeks illness of fever, in her eighteenth year. Her burial took place in South Branch, Richibucto. A requiem high mass was celebrated by Rev. Fr. Robichaud of St. Ann. She will be greatly missed, as she was a very bright promising young lady and by her amiability and other estimable qualities won the love and admiration of many friends both young and old. Her casket was completely covered with floral tributes.—Moncton Times.

THE LATE MRS. POWELL.—The remains of Mrs. Powell, widow of the late Edmund Powell, whose death occurred at the home of her son, H. A. Powell, M. P., Sackville, last Wednesday morning were brought here on Thursday and interred in the Church of England cemetery beside those of her husband. Immediately on the arrival of the K. N. R. train from Kent Junction a funeral procession was formed which followed the remains to St. Mary's church where service was held by Rev. H. A. Meek. From there the remains were taken to the cemetery where service was again held. Undertaker Black took charge of the remains. Five sons survive her, 4 of whom were at the funeral. Mrs. Powell was a sister of the late James Forster. She was 81 years of age, and her death was due to paralysis, although somewhat hastened by a fall which she received a short time ago. Her many friends in Richibucto sympathize with the bereaved family.

KENT COUNTY S. S. CONVENTION.—The Kent Co. Sunday School Convention met in the Methodist Church, West Branch, on Sept. 3rd and 4th. Four sessions were held, and although the attendance of delegates was not as large as it should have been, the sessions were fairly well attended and the Convention was a most helpful one to Sabbath School workers. The Field Secretary was present and gave much excellent advice and many valuable hints to teachers and superintendents. His address on "Association Work" greatly interested and profitably instructed those who had the pleasure of listening to him. Rev. D. B. Bayley gave a most admirable and practical address on "Encouragement to Teachers." "Temperance Work in our Sabbath Schools" was ably dealt with in a stirring address by Rev. W. M. Townsend. Twenty-nine schools were reported in operation with some parishes to hear from. The Home and Normal departments are widening throughout the County, and prospects look bright for a prosperous year in S. S. Work.

Eczema on the Scalp

Would Itch and Burn until the Child Screamed with Agony—A Wonderful Cure Effected by Dr. Chase's Ointment.

The case recorded here is one of the worst ever brought to the attention of Toronto's best physicians, and when doctors gave up all hope of recovery, Dr. Chase's Ointment was successful in producing a perfect cure.

Mr. James Scott, 136 Wright avenue, Toronto, states:—"My boy, Tom, aged ten, was for nearly three years afflicted with a bad form of Eczema of the scalp, which was very unsightly and resisted all kinds of remedies and doctor's treatment. His head was in a terrible state. We had to keep him from school, and at times his head would bleed, and the child would scream with agony. For two and a half years we battled with it in vain, but at last found a cure in Dr. Chase's Ointment. About five boxes were used. The original sores dried up, leaving the skin original normal condition. To say it is a pleasure to testify to the wonderful merits of Dr. Chase's Ointment is putting it very mildly." Just before the Victorian sailed Purser Munro hurried into the office and wanted to know where the check for the dog was. The Misses Carrie and Fannie Graham left for Boston Friday.

The weather the past week is everything that could be desired for harvesting. Mr. William Roach threshed one field of wheat which turned out fifteen bushels to one sowed.

Mrs. Allanach spent Saturday at her brothers, Mr. W. W. Graham.

Micky's dance was a grand affair. Their was ice cream, candy, and syrups rare. The girls and boys all came in galore. For don't you know, they had been there before.

"Wild man of 'Borneo,'" in his notes in a recent issue of THE REVIEW, stated that a lady visitor from Boston on looking at the flowing waters of our river exclaimed, "the beautiful ocean." The young lady simply quoted the words of a song, "The beautiful ocean, the deep blue sea," and had no thought of putting on airs, as the writer would wish us to believe. We would suggest that W. M. B. stick to facts in the future and avoid sarcasm.
