

THE POLITICAL CAMPAIGN.

LARGE AND ENTHUSIASTIC MEETINGS HELD AT WEST BRANCH, BASS RIVER, HARCOURT AND SOUTH BRANCH.

WEST BRANCH, Oct. 18.—The meeting held in the Public Hall last night in the interest of Hon. O. J. LeBlanc, was the largest and most successful ever held in this district. Mr. Alex. Mundle, Esq., was elected chairman and made a few remarks before introducing the speakers. The first speaker was Mr. H. H. James, of Buctouche, who spoke for some time dealing with the political issues of the day and was interrupted at different times by applause. Hon. O. J. LeBlanc was the next speaker, and was loudly applauded on arising. He spoke at some length of the prosperity which Canada enjoys under Liberal administration, and asked the support of the electors at the polls on the 7th of next month. He said he would do all in his power to attend to the wants of the people, and particularly the farmers. He took his seat amid great cheering. Mr. John Jardine, of the firm of J. & T. Jardine, then took the platform and gave a few remarks in favor of the Laurier government which he believed was the one that should be in power. Mr. Jardine was loudly cheered. The last speaker was Mr. Michael McDade, of St. John, who was listened to for over an hour by a most attentive audience. He referred to Mr. Blair and the J. C. R. as well as to other acts of the Laurier government. The meeting broke up at a late hour by cheers for Sir Wilfrid Laurier, and Hon. O. J. LeBlanc.

BASS RIVER, Oct. 19.—The Liberal meeting held here last night in the interest of Hon. O. J. LeBlanc, was well attended and proved a great success. The speakers of the evening were Hon. O. J. LeBlanc, the Liberal candidate, H. H. James, of Buctouche, and Mr. Michael McDade, of St. John. They were all heartily cheered during their remarks and the meeting, it is believed, will be a great help to the Hon. O. J. LeBlanc.

HARCOURT, Oct. 22.—The meeting held here last Friday night in the interests of Hon. O. J. LeBlanc, the Liberal candidate for Kent, was the most successful ever held in this county. Mr. John F. Dorothy presided. The first speaker was Mr. R. A. Irving, of Buctouche, who made his debut as a political speaker. He occupied the closest attention of the audience for upwards of half an hour, dealing with Canada's prosperity under the Laurier government. He finished amid loud applause. Mr. LeBlanc spoke next and was heartily received, his remarks meeting with much acceptance. Mr. H. H. James, of Buctouche, followed and delivered an able and eloquent address of upwards of over three-quarters of an hour. He was followed by Mr. Barnes, M. P. P., whose enthusiastic reception left no doubt of his great popularity in this section of the county. The last speaker was Mr. Michael McDade, of St. John. It was later than 9.30 o'clock when Mr. McDade began his address and not withstanding the lateness of the hour he held the audience for over two hours, scoring point after point in favor of the Laurier government.

SOUTH BRANCH, Oct. 23.—The meeting held here last night in the interests of Hon. O. J. LeBlanc, the Liberal candidate for Kent, was the most successful ever held in this district. H. M. Ferguson, Esq., of Kingston, presided, and in a short speech opened the meeting.

The first speaker was Mr. H. H. James, Barrister-at-Law, of Buctouche, who made his debut as a political speaker. He occupied the closest attention of the audience for three quarters of an hour, dealing with Canada's prosperity under the Laurier government. He finished amid loud applause. Hon. O. J. LeBlanc spoke next, and was heartily received. He was in splendid form and as he scored point after point for the Laurier administration, he was cheered to the echo, his remarks meeting with much acceptance. John Jardine, Esq., of the firm of J. & T. Jardine, was the next speaker. Upon stepping on the platform he was loudly cheered. He told of how he had in the past supported the Conservative government, but was now a supporter of the Laurier government, who he believed was a government for the people. He spoke at length of the conduct of the Conservatives, and how Sir Chas. Tupper and Geo. E. Foster had forsaken and neglected the interests of New Brunswick and of St. John in particular.

His remarks were well received as the name of J. & T. Jardine is so widely known throughout Kent as one of the leading firms of this noble County, being engaged very extensively in shipping, lumbering and merchandise. His declaration that Hon. O. J. LeBlanc and the Liberal government would for the first time receive his most energetic support delighted the large audience.

The next speaker was Mr. Michael McDade, of St. John: He held the audience for over an hour and a half, scoring point after point for the Laurier government. He was frequently interrupted with applause. His reference to Hon. Mr. Blair's management of the J. C. R. called forth enthusiastic cheers. At the conclusion of Mr. McDade's speech, the chairman, H. M. Ferguson, referred to the able manner

in which all the speakers had dealt with the public questions of the day, and in his speech paid a high tribute to the Hon. Mr. Blair as a Minister of the Crown, and his anecdotes on Sir Chas. Tupper brought forth great applause. He predicted a big majority for Hon. O. J. LeBlanc.

A vote of thanks was tendered the chairman for the able manner in which he discharged his important duties. This was carried unanimously, and the meeting closed with three cheers for the Queen, Sir Wilfrid Laurier and Hon. O. J. LeBlanc.

LEGOOF-MATTINSON.—Early on Monday morning, Oct. 22nd, at the Rectory by Rev. H. A. Meek, Mr. David Legoof, of Richibucto, and Miss Elizabeth Florence, daughter of Benjamin Mattinson, Esq., of Amherst, were united in the bonds of Holy matrimony. The bride was charmingly attired in white cashmere trimmed with pearl lace and orange blossoms with hat to match. After spending the day in Richibucto, the happy couple drove off next morning to take up their permanent residence with the bride's parents in Point Sapin, followed by the congratulations and best wishes of their many friends.

THE DEATH OF MRS. H. ATINSON.—The death of Rachel Peters, wife of Horatio Atkinson, of Fort Lawrence, occurred very suddenly Wednesday morning at the home of her son, Mr. Arthur Atkinson, of Minudie. She had been taking charge of the household affairs of her daughter-in-law, who has been very ill, and had prepared the dinner for the family the day preceding her death. Mr. Arthur Atkinson came to Amherst for medical aid, but his mother was dead before he got back. The deceased leaves seven children, Mrs. Love and Mrs. Fitchett, of Fort Lawrence; C. B., of Moncton; G. Fred, of Kingston, N. B.; Arthur B., of Minudie; William and Nelson, of British Columbia. The funeral was held on Sunday from the residence of her son, Charles B. Atkinson, corner St. George and Weldon streets, to the Rural Cemetery at 3 o'clock. Mrs. Atkinson was a daughter of the late Henry Peters, of Richibucto, also a sister of the late Stephen Peters, of Moncton, and the last survivor of her family.—Transcript.

GOTRO DISCHARGED.—Judge Wilson heard a habeas corpus application Friday afternoon at Fredericton for the discharge from custody of George Gotreau, of Acadiaville, Kent county, who has been confined in Kent county jail since Sept. 11 under warrant of commitment issued upon a conviction made before R. H. Davis, stipendiary magistrate of Richibucto, for violation of the Liquor License Act. Gotro, it seems, has a farm which runs across the line between Kent and Northumberland counties, his house being on the Northumberland side. The alleged sale of liquor took place in the house and the application for discharge was made on the ground that Magistrate Davis had no jurisdiction. The latter decided that Gotro's house was in Kent county, but Judge Wilson was satisfied from the affidavits upon which the habeas corpus application was based that it was in Northumberland and therefore ordered the discharge of the prisoner. J. D. Phinney, Q. C., supported the application for the prisoner and G. W. Allen, Q. C., opposed for the attorney general.—Globe.

**FIVE REASONS**

Why the OLDS THRESHING MACHINES, manufactured by J. B. DORE & SON, are superior to all others.

FIRST.—The power is longer and consequently easier for horses to walk outwith-out slipping off. SECOND.—It is wider, thus avoiding that continual rubbing of the horses' feet against the sides, which takes off so much power from other machines. THIRD.—The lag links are made of a combination of wrought and cast iron which makes them practically indestructible. Such a thing as a broken link is unheard of. FOURTH.—The large 6-inch friction rollers never slip on the track as the common 3 inch roller so often does. And as it only needs to make half as many revolutions there is a great saving of power as compared with others. FIFTH.—The superfluous stands unrivalled for durability, speed and working qualities.

A large number of these Threshers have been sold in Kent County since 1897 and have given unbounded satisfaction. Terms easy. Prices right.
