MAKE YOUR TEST

And Get Rid of Dyspepsia at the Same Time.

Dodd's Dyspepsia Tablets are the Only Medicine on Earth that will Cure Dyspepsia, Indigestion, etc.—But they do it Properly and Quickly.

Does the "weather affect you injuriously?" Do you feel drowsy, sleepy, weak, languid, and unable to "hold your head up?" Are you miserable, when the weather is cloudy or rainy, or changeable? Do you know what is the matter?

You have Dyspepsia, and you require a treatment of Dodd's Dyspepsia Tablets. That's all.

"That's all?" And is that not enough? "Isn't that serious enough?" you ask.

Serious enough, in all truth. It means that your life is at stake; that there are days and nights of horrible suffering before you—unless you prevent it. That's the serious side of it.

But you needn't trouble about it. You can set yourself on your feet again, quite easily.

How?

By using Dodd's Dyspepsia Tablets. They will digest your food quickly, naturally, and thoroughly. There's no chance of any stomach disease existing when these Tablets are used.

Dodd's Dyspepsia Tablets are the only medicine in the world that can do this. Every other fails.

Dyspepsia, Indigestion, Sour Stomach, Foul Breath, Wind on the Stomach, Waterbrash, Heartburn, Biliousness, and

all other stomach diseases vanish at once and for ever before Dodd's Kidney Pills.

It's true, every word of it. Dodd's Dyspepsia Tablets cure these diseases, at once, and for ever. If you don't believe it, test them. They'll convince you by curing you.

Dodd's Dyspepsia Tablets digest the food; tone and strengthen the stomach; regulate and invigorate the bowels, and build up the entire digestive system.

WOMEN WILL TALK.

Can't Blame them for Telling each other about Milburn's Heart and Nerve Pills.

THE GREAT REMEDY FOR WEAK NERVOUS WOMEN.

It's only natural that when a woman finds a remedy which cures her of nervousness and weakness, relieves her pains and aches, puts color in her cheek and vitality in her whole system, she should be anxious to let her suffering sisters know of it.

Mrs. Hannah Holmes, St. James Street, St. John, N.B., relates her experience with this remedy as follows:—"For some years I have been troubled with fluttering of the heart and dizziness, accompanied by a smothering feeling which prevented me from resting. My appetite was poor and I was much run down and debilitated.

"Since I started using Milburn's Heart and Nerve Pills, the smothering feeling has gone, my heart beat is now regular, the fluttering has disappeared, and I have been wonderfully built up through the tonic effect of the pills. I now feel stronger and better than for many years, and cannot say too much in praise of the remedy which restored my long lost health."

the income. The results for the three years following the Liberal convention amply justified the note of alarm which was sounded at that time. Here are the figures:—

Year	Income	Expenditure
1893-4	\$1,210,332.45	\$1,210,332.45
1894-5	4,153,875.58	4,153,875.58
1895-6	330,551.31	330,551.31

Total deficit for 3 years...\$5,694,759.34
Average annual deficit.... 1,898,253.11

At the same time the debt was increased very largely, the figures being:—

1894	\$4,501,989
1895	6,891,897
1896	5,422,505

Large as were these additions, they were nevertheless below those of preceding years. In fact, for the entire eighteen years of the Conservative regime the increase to the public debt averaged \$6,500,000 a year.

Very soon after the accession of the Liberals to power the circumstances of the country underwent a great change. Notwithstanding the reductions made in the tariff, the public income began to go rapidly upward as the result of increased imports. In 1893, when the demand for economy was made the conditions were precisely the reverse. The income was coming down and the outgo going up. Here are the facts:—

Year	Income	Expenditure
1892	\$38,168,608	\$36,814,052
1893	36,374,693	37,585,025

In the three years following, that is between 1893 and 1896, matters grew still worse, as the deficits given above show. Then came the Liberal period, for which the record is as follows:—

Year	Income	Expenditure
1897	\$37,829,778	\$38,349,759
1898	40,555,238	38,832,525
1899	46,741,249	41,903,500
1900	51,175,000	43,175,000

It will be seen at once that the new Government operated well within their means. They cut their coat according to their cloth. They spent much less than they received; so that as compared with their predecessors the result stood:—

Year	Deficit	Surplus
1896-7	\$519,981.44	
1897-8		\$1,722,712.33
1898-9		4,837,749.00
1900 (in round figures)		8,000,000.00

Net surplus for four years...\$14,040,479.89
Average annual surplus... 3,510,119.97
Deficit three years, 1893 to 1896...\$5,694,759.34
Surplus four years... 14,040,479.89

Betterment...\$19,735,239.23

The deficit for the first year of Liberal rule, it may be explained, was occasioned by the unpaid bills left by the outgoing Government, which really should have been charged to 1896.

Before a comparison can properly be made between the record of the two governments, it is necessary to see just what would have been the expenditure of the Conservatives in 1896. It will be remembered that in that year they were defeated before they could even get all their estimates before Parliament, and in discussing the question they persistently under-state the correct figures. They had brought down their main estimates; but they did not reach the stage of bringing down the supplementaries. Happily, however, the figures are in possession of the Government as drafted by Mr. Foster, and they amount to \$4,660,000; so that had the Conservatives been able to go ahead, their bill for 1896 would have been:—

Main estimates	\$36,358,548
Supplementaries	4,660,000
Total	\$43,018,548

To this should be added the proposed capital expenditure for the year and other items, which would make the total account stand as follows:—

Ordinary expenditure	\$43,018,548
Capital	2,819,000
Fast Atlantic service	750,000
Railway subsidies	2,772,000
Government Branch Railways	2,500,000
Crow's Nest Railway	1,650,000
Total	\$53,459,000

Conservatives now speak of their total expenditure for 1896 as having been \$41,000,000. The above figures show how grossly they misstate the facts. If they had been returned to power they were under engagement to spend more in 1896 than the present Government, under vastly altered circumstances, proposes to spend this year, with this exceedingly important difference—that while they would have been obliged to add perhaps \$10,000,000 to the public debt in order to carry out their undertakings, the Liberals will not be called upon to borrow one dollar.

One of the most culpable features of the Conservative campaign is the deliberate concealment of two or three important facts bearing on the expenditure. Neither Tory talkers or Tory journals ever point out that practically the whole of the increased expenditure since 1896 is a mere matter of book-keeping. It involves no increase whatever of popular burdens. For example, it is now costing \$1,500,000 a year more to carry on the intercolonial than in 1896; but every dollar of that increased outlay comes back to the treasury and more. Last year there was a surplus of (in round figures) \$121,000. The same is true of the Yukon expenditure, which relates to an obligation entirely unforeseen in 1896. This matter is best explained in the words of the Finance Minister, when speaking in Parliament on this subject in July last. Mr. Fielding said:—

WHAT IS DR. CHASE'S NERVE FOOD?

In appearance Dr. Chase's Nerve Food is an oval, chocolate coated pill. In this condensed form it contains all of nature's most strengthening and invigorating tonics and restoratives and for this reason it is unapproached as a blood builder and nerve restorative. It cures all diseases caused by thin blood and exhausted nerves and makes pale weak nervous men, and children strong and healthy. 50 cents a box.

The DIAMOND DYES

Produce All The New Shades.

A Rich and Marvellous Variety of Fashionable Colors For Autumn and Winter Wear.

The great majority of wise and prudent women collect and examine their old dresses, skirts, capes, jackets, shawls, husband's and children's suits this month with the view of having them cleaned and dyed so as to fit them for autumn and winter wear.

The Diamond Dyes (prepared specially for home use) have a wealth of variety, beauty and brilliancy possessed by no other make of dyes. They produce all the new and fashionable colors for autumn and winter wear—colors that will not fade in the strongest sunlight. Every packet of Diamond Dyes is warranted, and will give perfect results when simple directions are followed. There are imitations; avoid them if you delight in good colors and value the safety of your materials. The use of poor dyes means ruin of goods and loss of money.

COOK'S SURE COUGH CURE

SOCIAL DUTY.

The doorbell rings,
The portal swings,
My lady comes a-calling,
In velvet dressed,
Her veil close pressed,
The formal talk's appalling.

The style, the day,
The church, the play—
Whatever line she fancies,
Ten minutes pass;
She says, "Alas,
Time flies!" and off she dances.

No real word said
From heart or head,
No thought to live in beauty,
Her list she checks;
What name's the next?
She's doing social duty.

DON'TS FOR VISITORS.

Don't monopolize conversation at meals. A continual talker is a bore.

Don't flatter your hostess' husband. It is not in good taste. Wives object to this.

Don't accept invitations unless your hostess is consulted, and if she is not invited decline them.

Don't leave hats, coats, umbrellas and the like in the best room, for it is an unpardonable offense.

Don't refuse the church and its services. To decline shows you are a person lacking good manners.

Don't criticise other people's houses, other people's tables, other people's children. It is very bad form.

Don't take novels or magazines from the bookroom unless permission is asked. When finished, return them to their shelves.

Don't forget to carry with you extra toilet accessories. Your hostess is not expected to have salves and creams on hand for all her guests.

WRITERS AND PAINTERS.

Carolus Duran, the famous French portrait painter, will visit this country again next winter.

William Dean Howells has become something of a yachtsman and has a little boat of his own in which he delights to cruise about Long Island sound.

Amedee Joullin, the California born artist, has just been made a brevet officer of the French academy, the distinction being conferred in recognition of some of his more recent work.

Baron Imbert de Saint-Amand, author of countless semihistorical books on Frenchwomen, is dead. He followed a diplomatic career for awhile. In recent years he was repeatedly an applicant for a seat in the French academy and occasionally received a few votes.
