CUBANS ENTERTAINED AT CAMBRIDGE, MASS.—A correspondent from Kingston sends us the following: The 1450 Cuban Teachers who visited the United States this summer, and have recently returned home, were entertained and all their expenses borne by the historic old town of Cambridge, Mass., under the auspices of the Harvard University Faculty. Seventy thousand dollars were raised in Cambridge to pay the expenses of their entertainment. Teachers of English and interpreters of Spanish were provided, and a kind of summer school exercise held. They went home delighted with the generous treatment and splendid hospitality of the Americans. Three U. S. Transports took them back to their beautiful island home.

DENTIST FOUND DEAD.—Dr. Arnold, a dentist, hailing from Sussex, who has been practicing at Stanley and Cross Creek, York County, during the summer, was found dead on the floor of his bedroom in Turnbull's hotel at Stanley, Thursday afternoon. He had been drinking heavily for some days. At the inquest there was evidence that deceased had been drinking methylated spirits, and the jury found that deceased came to his death through excessive indulgence in alcohol and drinking methylated spirits. The remains were forwarded to Sussex for interment. Deceased was about fifty years old and unmarried. Times. [Deceased was for a number of years a resident of Richibucto, having practiced here. His many friends will regret to learn of his death.]—ED. REVIEW.

DEATH AT ST. LOUIS.—The death of Mr. Bernard Gorman, of St. Louis, which occurred last Thursday, removes from Kent County one of its oldest and most respected citizens. Deceased was born in Ireland eighty-nine years ago and came to this country in 1825, landing at Miramichi the time of the great Miramichi fire. He was a resident of St. Louis for the past fifty years and was one of the best known residents of that section of the county. Deceased was 89 years of age and leaves a grown up family of eight children, six sons and two daughters. His sons are Messrs. T. J., of the Brunswick Hotel, Moncton; A. J., proprietor of the Bay View hotel, Buctouche; Patrick and Nelson, Miramichi; Matthew, Omaha; Jerry, St. John; the daughters being Sister Bernardine, of the Sacred Heart Convent, St. Joseph's, and Mary living at home. The funeral took place on Saturday.

RED ROSE TEA.—An interested crowd is always to be found grouped around the exhibit of Red Rose Tea, which Mr. T. H. Estabrooks is making. A practical illustration is given at this booth of the regular work done in the firm's warehouse in the way of weighing, packing, labelling and boxing the packages of tea which under the Red Rose label have won such a reputation for quality in every market where they are offered for sale. A gang of boys dressed in neat khaki uniforms are seen first weighing the tea, then folding and filling the lead wrappers, next packing in by machinery, and finally labelling and boxing it. Various grades of tea, ranging in price from twenty-five to sixty cents, are being put up in pound and half-pound packages. The deft way in which the boys go about their work is very fascinating to watch, and Mr. Estabrooks could not have chosen a more skillful way of advertising his teas. All the tea that is being put up will be packed and shipped direct from the Exhibition to fill orders throughout New Brunswick and Nova Scotia. Some very large orders have been placed for this purpose by merchants who think it will prove a good advertisement for them. The Red Rose Tea had a ready sale in the Maritime Provinces and in Quebec. Business is steadily increasing, and the packers are obliged to hustle to meet the demand.—St. John Globe.

LETTER OF SYMPATHY.

The following is a letter of sympathy from Richibucto Division, No. 42, Sons of Temperance, to Mrs. Leggett and family, upon the death of Mr. Leggett, long, a consistent member of the Order.

DEAR FRIENDS.—We, the members of Richibucto Division of the Sons of Temperance, desire to convey to you our sincere sympathy, in this your hour of sore trial.

Although Brother Leggett was not of late a regular attendant at Division, we feel in his removal a sense of loss. He was long a consistent member of our order and always on the side of right, exerting by the quiet, even tenor of his way, a useful influence on the town.

In reviewing his peaceful Christian life, we are led to think of the tender relations which must have existed between you, and to realize what a loss yours must be. He has now no doubt entered into fuller life, and we pray that God, in His love and tender mercy, may so fill your hearts and hands with work for Him, that the parting may not seem long, but only time to prepare for a joyful meeting.

In Love, Purity and Fidelity, on behalf of the Division.

A. D. McLEOD,
