THE LITTLE COUNTRY PAPER.

It's just a little paper—it isn't up to date; It hasn't any supplement or colored fashion plate, It comes out every Friday, unless the forms are paid; The outside is home-printed, with boiler plate inside.

It hasn't any cable direct from old Bombay. But it says that "Colonel Braggins is in our midst to-day." It doesn't seem to worry about affairs of state, But it tells that "Joseph Hawkins has painted his front gate."

It never mentions Kruger or Joseph Chamberlain, But says that "Thompson's grocery has a new window pane," And that "the Mission Workers will give a festival," "And there'll be a temperance lecture in William Hooper's Hall."

It tells about the measles that Jimmy Hankins had, And says that Israel Johnson "has become a happy dad." It says that "cider-making is shortly to commence," And cites the fact that Ira Todd is building a new fence.

It mentions Cornwall's coming in one brief paragraph, And says that "Charlie Trimble has sold a yearling calf," And everything that happens within that little town The man who runs the paper has plainly jotted down.

Some people make fun of it, but, honestly, I like To learn that "work is booming upon the Hamilton pike." It's just a little paper—it hasn't much to say— But as long as it is printed I hope it comes my way.

MARITIME PROVINCE NOTES.

A sad drowning accident occurred near Folly Village, N. S., Thursday morning, by which Miss Lydia Wyllie, daughter of Mr. Robert Wyllie, aged 15 years, lost her life. Miss Wyllie, with her two brothers, left in a carriage on a trout fishing excursion up DeBert River. They entered the bed of the river near Peter McNutt's house, a short distance from their home, and while driving up the stream, with one wheel of the wagon running in the shallow water, it dropped into an unnoticed hole. This precipitated the three occupants of the carriage into the river. They all fell into a deep place with seven feet of water in it.

One of the boys had the reins around his neck at the time of the accident, and the other caught hold of the shafts of the wagon; both were dragged out by the horse. Miss Wyllie was unable to save herself. The half-drowned boys drove

rapidly to their home for assistance. It was 15 minutes before any help could reach the girl. It was then too late; all medical aid could do, would not resuscitate the girl, who had been in the water probably 25 minutes.

The drowned girl was a granddaughter of the late Rev. A. L. Wyllie, for many years Presbyterian clergyman at Great Village.

A telegram received at Dorchester from Summerside announces the sudden death of Mr. P. W. Morrison, formerly of the Royal Bank of Canada, which occurred at his home there Thursday morning. He was thirty-five years of age and a native of Northumberland. He married Miss Maude Wilbur, daughter of the late W. T. Wilbur, Dorchester, who, together with five children, survives him. He recently visited Dorchester and was then enjoying good health.

The St. John's Nfd., Herald of June 11th, says: "The hull and machinery of the wrecked Marcotis, ashore near Codroy, was sold Saturday evening. Offers were made by parties residing at Quebec, Boston and St. John, N. B., and the purchaser was E. Lantalum, of the latter city, the figure being \$1,250."

Rev. R. Barry Smith, Baptist, who has had a pastoral charge at Port Elgin has accepted a call to Washdemoak. This pastorate includes three churches. McDonald's Corner, Mill Cove and the Narrows. At the Narrows the congregation is building a fine parsonage, which will be ready for Mr. Smith's occupation in October.

Early Thursday at Amherst a house owned by A. W. Moffat and occupied by Harvey Cook, caught fire. Mrs. Cook and the children were cut off upstairs and had to jump to the ground to escape. Mrs. Cook's wrist was cut badly requiring several stitches. The fire was soon under control. All the furniture was saved. The building was completely gutted. Cook and his wife lived in Moncton some years ago.

The residence of Mr. Joseph Geldert, of Lewis Mountain, West. Co., was totally consumed by fire one afternoon last

week. The fire originated it is supposed from a defective flue. The furniture in the lower part of the house was saved but all upstairs where was stored all the bedding and clothing was lost. The loss was heavy.

A serious accident happened at the Albion Mines, Stellarton, N. S., on Thursday morning. Michael Martin, jr., son of Michael Martin, Lourdes, who drives the engine, while tightening some set screws on a wheel connected with his engine, which runs the clay crusher, was caught in the shaft projecting out over the bearings. His clothing was caught near the chest and the rapidly revolving wheel quickly wound them tight around his body. Being of strong material his clothing did not tear, and he was carried head foremost around with the wheel, his head being crushed and bruised on the framework. No person saw him get caught and consequently it is not known how long he was in such a dangerous position. A workman passing by saw the unfortunate man going round and ran and stopped the engine. It took him about twenty minutes to get him freed from the shaft; and in doing so the clothing had to be cut from his body. Besides the serious injuries on the head he has sustained several bodily cuts and bruises. Last night he was still unconscious; but the doctors had a little hope for his recovery.

The County News, published at Hillsboro, A. Co., which suspended publication in 1898, has been revived and made its appearance last week and is neat typographically and newsy. Mr. E. M. Brewster, the publisher, says the County News will be non-political.

At Amherst Thursday afternoon the jury found a verdict of guilty against Bradley and Joseph Gould for assaulting J. H. Melver, a constable. The judge in passing sentence spoke severely of the nature of the crime, and the necessity for preventing a recurrence. The sentence was "five minutes in the County Jail." Judge Ritchie's opinion of the County prison is well known. He is opposed to sending any criminals there, and in this case he only gave the prisoners a chance to see what they had escaped.

THE PRESBYTERIAN ASSEMBLY.

PROCEEDINGS AT THE CLOSING SESSION THURSDAY.

OTTAWA, June 21.—At the Presbyterian general assembly yesterday a loyal address was adopted to His Majesty King Edward VII and another to the governor-general.

It was decided to divide the presbytery of Regina into three presbyteries, namely Qu'Appelle, with Hugh Mackay as moderator; Regina, with the present moderator, and Prince Albert, with W. S. Moore as moderator.

The presbytery of Portage LaPrairie was divided into two presbyteries, Portage LaPrairie with its present moderator, and Dauphin with R. E. Scott as moderator. One congregation and ten missionaries were taken from Calgary and added to the presbytery of Regina.

Rev. Dr. Torrance presented the statistical report and on motion of Principal Grant it was sent to a special committee to be revised before being published in blue book.

The report of the standing committee was adopted.

The assembly closed its proceedings last evening at 6.30 p. m. The report of distribution showed that 93 vacancies occurred during the year, and 65 were filled permanently.

A resolution was passed expressing the church's sense of loss in the death of Dr. D. L. Mackay, the Formosa missionary.

The elder-moderator question was dropped.

The synod of British Columbia wanted the general assembly to assist in paying the expenses of commissioners to the assembly. This led to a discussion which resulted in remitting the whole question of reducing representation at assembly meetings to one out of every six instead of one out of every four, and that the expenses of the commissioners be paid.

Meantime it was decided to give \$25 to pay the expenses of the commissioners from British Columbia and the Northwest. A committee was appointed to meet with the Methodists to consider the question of precedence.

The proceedings closed with the passing of the usual votes of thanks.

ON MAGNETIC HEALING.

Much is spoken and written during these times about this mysterious method of treating disease. The most truly remarkable cases of magnetic healing which have come under the notice of the writer have been those in which Dr. Chase's Ointment was used. This preparation seems to have magical powers in stopping the dreadful itching, burning sensations of Salt Rheum and Eczema, and when used regularly makes the cure thorough and permanent.

The Vancouver, B. C. World of the 5th inst. announces the death from the breaking of a blood vessel of the heart of Capt. Clarence N. Cox, aged 38, a native of Nova Scotia, and one of the best known sealing captains, and Yukon navigators. He leaves three brothers, all captains of vessels on the Pacific coast, and a widow, but no children.

Milburn's Pills build up and sustain the nerves, brain and heart, give color to pale, sallow complexions, increase the appetite, cure sleeplessness, nervous prostration, brain fog, and renew vigor and energy.

OTTAWA, June 22.—Mr. J. M. Courtney, Deputy Minister of Finance, has been for some time seeking superannuation from that position. It is said that he may be succeeded by Mr. W. D. Ross, manager of the Bank of Nova Scotia at Halifax, who has just been appointed to the staff of the Finance Department here.

ST. JOSEPH'S COLLEGE.

COMMENCEMENT EXERCISES WERE HELD THURSDAY—GRADUATES AND PRIZE WINNERS.

The closing exercises of St. Joseph's College, Memramcook, took place Thursday and were attended with the usual ceremony. The exercises were held in LeFebvre Memorial Hall at two o'clock, and there was a large gathering of visitors from various parts of the province, and the neighboring province of Quebec. Among the visitors were many of the clergy, including Rev. Joseph A. Levesque, of Cedar Mills, Oregon, formerly a teacher at St. Joseph's, now on a visit to New Brunswick, and Rev. A. J. O'Neill, of St. John. Bishop Casey and the Lieutenant Governor both sent their regrets at not being able to be present, as did also Hon. H. R. Emmerson. Among the day visitors present were Hon. P. A. Landry, Messrs. Joshua and Alfred Peters, of Moncton, and others. The hall was finely decorated. Rev. A. Roy, C. S. C., the superior of the college, presided, and the faculty and visiting clergy and the laymen mentioned above occupied seats on the platform. While the visitors were assembling, the college band, under the leadership of Rev. H. D. LeBlanc, C. S. C., discoursed sweet music. When all had assembled, every seat being occupied, the superior welcomed the guests and made a brief address to the pupils, referring to the past term and wishing them a happy vacation. The exercises then commenced, and were most interesting and enjoyable.

How to Get up an Appetite.

Distaste for food often follows Grippe, and fevers, and is associated with a general weakness of the system. To impart a real zest for food, and give power to the stomach to digest and assimilate, no remedy can equal Ferrozone. This is a new and startling discovery. It strikes cause, cures quickly and permanently. Ferrozone will quickly enable you to eat and digest anything. Mr. O'Leary can tell you a great deal more about Ferrozone, how it cures and why it cures. Call to-day and see him.

A MARITIME FAT STOCK SHOW.

At a meeting of the Executive Committee of the Maritime Stock Breeders' Association, at Amherst last week, it was decided that a Fat Stock, Dairy and Poultry Show, would be held by the Association at some central point in the Maritime Provinces, on the 18th, 19th and 20th December next. The choice of location will depend largely upon the desire which different towns or cities express. Over \$2000 dollars will be offered in prizes. After the cattle, sheep and swine have been judged alive, a number of them will be slaughtered and submitted to the block test. Lectures will be given on the breeding, selection and feeding of the different classes of animals, and also as to the desirability or otherwise of the various carcasses. The Dominion Department of Agriculture is co-operating with the Provincial Departments to make this winter show a great object lesson in meat production. Already a number of beef raisers are preparing to feed some good cattle. Handsome prizes will be given. A practice test of dairy cows will also be made. The different poultry Associations in the three Provinces will be asked to join with this movement, and so insure a grand poultry display. Dressed poultry, and the killing and packing of poultry for export will be shown. This show will furnish a splendid opportunity for our meat dealers to secure their Christmas supplies, and save them the trouble and expense of sending to Ontario, and there competing with Upper Province meat dealers, and will undoubtedly do much to encourage the feeding of more and better animals.
