## THE PEOPLE'S KNITTING SYNDICATE LIMITED.

Incorporated by Provincial Charter under the Ontario Companies Act.

Authorized Capital Stock, \$180,000

HEAD OFFICE, - TORONTO, CANADA

The Syndicate is offering a limited amount of Stock at \$1.00 per share in lots of twenty shares. (Each subscriber of the twenty shares to be furnished a twenty-dollar knitting machine free to work for the Syndicate and to share in the net profits of all goods made.)

The Syndicate has been formed for the purpose of manufacturing knitted goods cheaper than any existing company, to keep down prices, and to oppose the large knitting Companies and Companies which have joined hands to raise prices. To do this successfully it is necessary to get yarn at first cost; and to manufacture goods with the least possible expense. Therefore—

1. The Syndicate supplies its own yarn and machines.  
2. The Syndicate has all goods made by shareholders knitting at their own homes.  
3. The Syndicate pays for all properly made goods at once upon receipt of same, and besides paying for the work when sent in will semi-annually divide the net profits among the shareholders.

4. The Syndicate sells all goods made by its working shareholders.  
5. To each subscriber of twenty \$1.00 shares the Syndicate gives free a twenty dollar Knitting Machine to keep, and also supplies each working shareholder, free of charge, full directions, samples and yarn to make the goods.

6. To become a shareholder, a worker, the owner of one of the machines, to be paid for the work you do, and also to participate in the equal division of the net profits, you have only to become a member of the Syndicate and take twenty \$1.00 shares which will cost you twenty dollars. It will be seen that anyone of ordinary intelligence can make any of the knitted goods required by the Syndicate, such as Gents' Socks, Ladies' Stockings, Golf and Bicycle Hose, Knickers, Leggings, and Toques for Children.

THE METHOD OF THE SYNDICATE. The Syndicate furnishes a high speed family seamless knitting machine, and will last a lifetime with ordinary usage, in fact the Syndicate will guarantee the machine for twenty years. It will knit from the finest of imported yarns to the coarsest of Canadian wool yarn the same as hand work, but eighty times faster. In fact a pair of socks or bicycle hose in twenty minutes. With each machine a full outfit is sent together with a supply of yarn to commence at once. The guide accompanying the machines is so plain and the operation so simple that anyone of ordinary intelligence can make any of the knitted goods required by the Syndicate, such as Gents' Socks, Ladies' Stockings, Golf and Bicycle Hose, Knickers, Leggings, and Toques for Children.

THE PRICES. The Syndicate pays for knitting these goods are—Socks, \$5.00 per 100 pairs; Ladies' Stockings, \$10.00 per 100 pairs; Gents' Golf and Bicycle Hose complete, \$10.00 per 100 pairs; Leggings and Footless Bicycle Hose, \$5.00 per 100 pairs; fine Toques, \$5.00 per 100. All these goods are quickly made on the machine and at these prices any person willing to work can make good pay, much more than clerking in store, working in shop or laboring on farm. Shareholders can devote all or part of their time knitting, but at all times they are expected to work for the interests of the Syndicate.

WHO CAN JOIN. All persons willing to accept and honestly knit the yarn entrusted to them, and to return made goods promptly to the Syndicate.

WHAT YOU MUST DO TO JOIN. Each person desiring to become a shareholder of stock, participating in the semi-annual dividends, and to do work for the Syndicate, receiving pay as fast as the work is sent in—must cut out the following APPLICATION FORM, sign their name to it, fill in address and reference, and enclose it with Express or Post Office Money Order to the Syndicate.

### OOM PAUL KRUGER GIVES AN INTERVIEW ON THE WAR.

LONDON, Feb. 15.—The Pall Mall Magazine will publish February 18, an interview with Mr. Kruger, in part, as follows: "Will no one arbitrate? Will no one give us a chance of defending ourselves? We may have done wrongly. We have our faults and our weaknesses. We declared war, but our hands were forced and we can prove it. Get someone to judge between England and ourselves. "But the Lord will help us in the end. We shall win. I do not know how or when, but we shall win at last."

Mr. Kruger says the Transvaal offered more reforms in one week than any other country would make in forty years, giving in on all points almost to the uttermost extent, but that the uttermost was seized upon as a stumbling block.

Referring to his reception in Europe, which has bitterly disappointed him, Mr. Kruger says:

"I care nothing for flowers; nothing, nothing! The people who send them mean well and I am grateful; but I care nothing for them. What I want is a fair hearing; if they will only give us a fair hearing and justice. I ask for justice. We are a little folk, but we have made great steps."

When asked why he came to Europe, he said to the interviewer:

"I could not go out with the commandoes, as Mr. Styen can; I am too old, but I may be of some use here."

Regarding Mrs. Kruger, he said:

"I am sorry for her, too. I have a deep sorrow for her, but I have far more sorrow for my country. My wife has her children. Six are still with her. They were left with her in her home. Two of my sons have died on the battlefield. Two were captured. I believe two more are dead also, as I have not heard from them for two months and I know they were in the thick of the fight."

"Thirty-one sons and grandsons I have in the field yet, but I could not go on commando. I have not heard from my wife for sixteen days, but she has six children with her and she is not to be pined."

OTTAWA, Ont., Feb. 10.—Ralph Smith, M. P., of Vancouver, is of the opinion that there is no hope of escape for the sixty-five men entombed in the coal mine at Cumberland. The mine is on Smith's constituency. As soon as news of the disaster was read Smith interviewed Mr. Mulock, Minister of Labour, in regard to relief and as a result the Dominion officials in the west were notified to do everything in their power in this connection. Mr. Smith is deeply concerned about the matter and has proposed to do everything possible here for the victims and dependants. Mr. Mulock at Mr. Smith's request, wrote to the Mayor of Cumberland offering any relief necessary and asking for particulars.

### HEROIC ACT.

NEW YORK, Feb. 15.—Michael McQuade, a young man from Bangor, Maine, made a brave rescue of a woman and her two children from a tenement house fire to-day at 1888 Second avenue. McQuade who was employed in the building, started to arouse all the people in it when the fire was discovered. He found Charles Bossi's printing shop locked, but knowing that the printer's family lived in the rear he broke in the glass door. He found Mrs. Bossi hysterical from fright and with her night dress in flames. McQuade carried her to the open air, where she cried that her children would perish. McQuade took off his coat, wrapped it around his head and plunged into the flames and smoke. He returned in a few moments. His coat was not over his head this time, but around the two infants held in his arms. His face and hair had been exposed to the fire and he came out minus his eyebrows, his hair singed and his cheeks blistered by the heat. He staggered to the sidewalk, put the babies down at their mother's feet and fell in a dead faint.

In regard to the above Mr. William H. McQuade, proprietor of the Grand Union Hotel, was seen last night and says that as far as he knew his brother Michael is the only man by that name who resided at Bangor, although he had not received any word from him about the affair. He however believes the man to be his brother.

Mr. Michael McQuade resided in St. John all last summer and was employed as a clerk in the Grand Union. He is a well-built young man and became quite popular before leaving St. John last fall for Bangor. He afterwards removed to New York.—St. John Globe.

### GOSSIPING NEIGHBORS

People will talk, and when neighbors get together there is very likely to be something said about Dr. Chase's Ointment, and the surprising cures it is effecting among sufferers with piles and itching skin diseases. It is by word of mouth, from friend to friend, that the fame of this great Ointment has girdled the globe. It stands to-day as the only actual and guaranteed cure for every form of itching, bleeding and protruding piles.

### REMARKABLE PERMANENCY.

Some Medicines Only Relieve For a Short Time.

Dodd's Kidney Pills Cures Stay Cured.—The Case of Mr. Gilchrist, of Port Hope, Proves This.

PORT HOPE, Ont., Feb. 18.—(Special).—Away back in 1896, Mr. Chas. Gilchrist Ex Chief Constable of this town, was suffering with Diabetes. He was in very bad shape, and never expected to be well again. He was cured by Dodd's Kidney Pills in March of that year (1896), but some thought that the disease would return. Five years have elapsed, and Mr. Gilchrist is still enjoying good health.

On April 24, 1896, he wrote:—"I have been a sufferer for ten years with Diabetes and Kidney disorders. My urine was of a dark, brick color, and the pain while passing was something awful. I have been treated by the doctors, and have used almost every medicine advertised, but could get no relief. Lately I have been very bad. The pain in my back was dreadful. I could not sit in a chair without having a cushion at the small of my back. I heard of Dodd's Kidney Pills, and decided to try once more for a cure. They cured me completely, and I can heartily recommend them to anyone."

On July 2, 1900, he writes:—"I am very well, and have been so since the spring of '96. My urine is a natural healthy color. There is no pain in my back. I am sure I would have been in my grave now, but for Dodd's Kidney Pills. They certainly saved my life. There is no medicine like them," and to this letter he adds "all that I say about Dodd's Kidney Pills is the truth. If they were not good, I would not say they were good. The citizens of Port Hope all know me, and can vouch for every word I have written."

Some medicines only relieve. Dodd's Kidney Pills cure, to stay cured. If you want a satisfactory, permanent, and sure cure for Kidney Complaint, use the only remedy with an unbroken record of success in every case, and not a single failure—Dodd's Kidney Pills.

The Intercolonial Railway management are having twenty engines built at the Kingston locomotive works. Fifty more will be needed, and the concern there hopes to obtain the order. If it is secured the company will equip the works so that the contract can be completed in time. The company also expects to construct from ten to twenty engines yearly for Mackenzie & Mann's lines, and negotiations are now going on with this end in view. Besides this, the Algoma Central Railway will likely place an order for forty engines required during the next two years.

### Professional Men.

It's the constant strain and worry under which the professional man labors, the irregularity of habits and loss of rest that makes him peculiarly susceptible to kidney troubles. First it's backache, then urinary difficulties, then—unless it's attended to—Bright's Disease and death.

### DOAN'S KIDNEY PILLS

Strengthen and invigorate the kidneys—never fail to give quick relief and cure the most obstinate cases.

Rev. M. P. Campbell, pastor of the Baptist Church, Essex, Ont., says: "From my personal use of Doan's Kidney Pills, which I got at Sharon's drug store, I can say they are a most excellent remedy for kidney troubles, and I recommend them to sufferers from such complaints."
