## A Woman's Troubles.

Mrs. Chas. Keating, sen., Owen Sound, Ont., writes:—"It is a pleasure to tell what great benefits I have derived from the use of Dr. Chase's Nerve Food. I am 55 years of age, and for about five years my life was one of great suffering from nervousness, weakness and extreme physical exhaustion. I could not sleep, and hot flushes would pass through my body from feet to head. I consulted our family physician and two other doctors, but they told me that about my time of life I was likely to be troubled in this way. I continued to grow worse and despaired of ever being cured. Dr. Chase's Nerve Food came to my notice, and as we have Dr. Chase's Recipe Book I had confidence in the doctor. I was so surprised at the help I received from the first box that I bought three more. They built me right up and made me feel healthy and young again. They have proven a great blessing to me, and I hope this testimonial will be of help to some weak, nervous woman suffering as I did."
