DEATH OF A FORMER RICHIBUCTONIAN.—The death of Mrs. Sarah Etiza Beck Powell, widow of the late Joseph M. Beck, of Elgin, N. B., occurred on Thursday at the residence of her daughter, Mrs. T. S. Tupper, of Crescent avenue, Amherst. Mrs. Beck had been an invalid for some years and had been a great sufferer. The maiden name of deceased was Miss Sarah E. Powell, and she was born at Richibucto. A son, Mr. Charles A. Beck, of Houlton, Me., and one daughter Mrs. T. S. Tupper, wife of Dr. Tupper of this town, survive her. A service was held at Dr. Tupper's on Friday afternoon conducted by Rev. W. E. Bates. The remains were on Saturday taken to Elgin, N. B., being accompanied by Dr. Tupper and Mr. Charles Beck, and interred there on Saturday afternoon.—Amherst Press.

A MIRACULOUS ESCAPE.—The Moncton Times of March 1st has the following to say with reference to the wreck last week on the M. & B. Railway: Mr. F. N. Hall, local manager of the M. & B. railway, returned yesterday from the scene of the wreck at Notre Dame. He describes the escape of driver Alex. McKee and his fireman in the wrecked engine as something miraculous. The engine, which left the rails and was turned square across the track with the snowplow setting on top of the boiler, was badly damaged. The cab was almost knocked into splinters and smoke stack, etc., knocked off. A hole was punched in the fore part of the tender in some mysterious manner and the driving gear of the engine badly knocked out. The escape of the men in the engine under the circumstances was truly something marvellous, and it is needless to say that they received a pretty bad fright. The train men are at a loss to know what caused the plow to leave the rails. It seems that the road where the accident happened, had already been plowed out, and it was while on the return from running back after the van and shovellers that the run off occurred. It is supposed that the plow must have dragged something on the track while backing up, and in running ahead again it threw the plow trucks from the rails. The track on being examined was found to be in good condition and there was nothing in sight to which the men could attribute the cause of the accident. The wreck presented a rather unique spectacle. The plow was balanced on top of the wrecked engine's boiler and had the appearance of having been carefully hoisted into that position. The rear engine in charge of driver Smith did not leave the rails and was not damaged. Mr. Hall in company with Superintendent Mr. E. G. Evans returned to the scene of the wreck last night.

Personal.

Rev. D. Fraser, who has been confined to the house for some time with a severe attack of la grippe, held service in Chalmers' Presbyterian Church last Sabbath evening, the first for about five weeks.

Mrs. George Porter, of Springhill, is in town spending a few days with her brother Robert Farrell, who is in very poor health.

Mr. and Mrs. G. W. Robertson drove to Harcourt yesterday. Mrs. Robertson took the train for Boston, where she intends remaining for some time.

Mrs. J. Cochrane and her grand-daughter, Agnes, arrived home from Boston Tuesday evening, after an extended trip with friends in that city.

KENT AGAIN TO THE FRONT.

DAVID JARDINE ELECTED CHAIRMAN OF THE CUNARD STEAMSHIP COMPANY.

LIVERPOOL, Feby. 27.—Mr. David Jardine has been elected Chairman of the Cunard Steamship Company, in succession to Lord Inverclyde, who died February 12th.

Mr. Jardine is a native of Kingston, Kent, and a leading man in the timber trade, being senior member of the firm of Farnworth and Jardine, Timber Brokers and measurers, Liverpool, England. Mr. Jardine left Kingston over fifty years ago, where his father had previous to that time been engaged in shipbuilding and the lumber business. After his arrival at Liverpool, the young man entered the office of Dempsey, Frost & Co. In the same office John Farnworth was a clerk and these two fellow clerks afterwards formed a partnership under the name of Farnworth & Jardine, which firm has been one of the most successful in the timber trade. Mr. Farnworth died in 1868, and Mr. Jardine has been the head of the firm ever since.

Mr. Jardine is lessee of extensive fishing and shooting grounds in the Scottish Highlands, and last year Prince George, the eldest son of the then Prince of Wales, now Duke of Cornwall, the heir apparent to the throne of Great Britain, was his guest during the shooting season and enjoyed some good shooting with Mr. Jardine over his grounds.

Mr. Jardine, who is over seventy years of age, is still for his years a well preserved man and his many friends on this side of the Atlantic who have watched his successful career with pleasure, unite in wishing that he may enjoy for many years the high position which his ability and perseverance have won for him.

CHILDREN WILL GO SLEIGHING. They return covered with snow. Half a teaspoonful of Pain-Killer in hot water will prevent ill effects. Avoid substitutes, there's but one Pain-Killer, Perry Davis'. 25c. and 50c.

ACKNOWLEDGEMENT. We have been requested by Mr. Wm. McBeath to publish the following: 4th MARCH, 1901. Received from Mr. Wm. McBeath, of Richibucto, one dollar and sixty-five cents towards funds of the Salvation Army in Moncton. ALEX. CRICHTON Adjutant S. Army. \$1.65.

When it Hurts To Cough

The cough that hurts, the cough that gets tight in the chest is daily getting deeper and deeper into the bronchial tubes and is making directly for the lungs, to become pneumonia, inflammation of the lungs or consumption.

Such coughs are sometimes referred to as "graveyard coughs," because they usually bring their victim to that last resting place.

Dr. Chase's Syrup of Linseed and Turpentine has long been known as mother's favorite remedy for croup, bronchitis, coughs and colds. It gains in popularity every day and now has by far the largest sale of any similar preparation.

It loosens the tightness in the chest, allays the inflammation, cures the cold and prevents pneumonia, consumption and other lung troubles. 25 cents, all dealers, or Edmanson, Bates & Co., Toronto.

—Friday's stage mail from Harcourt did not reach Richibucto until Saturday night about nine o'clock.

—Quite a number of people are at work hauling ice from Peter's Pond. The roads are in a very bad state which makes the hauling very hard.

—Mr. Valentine D'Olloqui of Kingston, who was so seriously ill at St. John a short time ago, is we are pleased to state improving and is awaiting the running of the train to return home.

—The snowshoeing has been excellent this winter and the young people have enjoyed themselves. A party of about 20 young people snowshoed to Kingston on Saturday evening, returning about eleven o'clock.

—Mr. Alfred Shaddick, who a few days ago made application to join the South African Constabulary, has passed a successful examination, and left to day for St. John to consult Lieut. C. W. McLean.

—The Canadian Drug Co., Ltd., of St. John, N. B., are at present advertising that famous remedy "Hawker's Tolu of Wild Cherry Balsam." This remedy is pronounced by all as the surest cure for coughs and colds. Their advt. will appear in our next issue, having arrived too late for this issue.

—The petition asking for incorporation which was in circulation a few days ago, was signed by over fifty ratepayers and is now in the hands of the Sheriff. Posters are out announcing an election of the ratepayers of the town to take place in the Court House at Richibucto, on Tuesday the 26th day of March, inst.

—We were shown a number of views by Mrs. D. J. Cochrane sent by her husband from Atlin, B. C., showing the scenery of that country to be both picturesque and beautiful. Mr. Cochrane writes the weather there is all that could be desired and miners look forward to spring opening with hopes of success.

—We would remind our correspondents that we are glad to receive any items of a new character, but, as we have heretofore stated, that any items which we receive and which we think would injure anyone we do not intend to publish, and therefore correspondents may as well save the time and trouble of writing such trash.

—The many friends of Pierre L. Richard, who had such a miraculous escape from being killed some time ago at the new roller mill at St. Charles, will be pleased to learn that he is again able to be out. No ribs were broken as was reported but Mr. Richard was seriously injured internally, which has yet not altogether healed.

—The M. & B. railway met with rather a disastrous accident last week at Notre Dame. In an attempt to run through a large snow drift, the plow left the rails and badly damaged the forward engine, having landed on top of the engine's boiler. The plow was not damaged, but the engine will have to be repaired before it will be of much use.

—UNION BLEND TEA at 25 cents a pound is just as pure and healthful as at 40 cents a pound. Its flavor may not be so agreeable to some, though by many one is liked as well as the other. One of the grades of UNION BLEND TEA is sure to suit the taste and pocket of everybody. 25, 30, 35 and 40 cents a pound. It is sold by your grocer at these prices.

—The Boston Herald of a recent date says: "Miss Elena de Olloqui, the pianist, whose exquisite playing was a pronounced feature at the concert given by the Salem Woman's Club on Tuesday, has been engaged to play in Providence next week." The lady above mentioned is a daughter of Mrs. R. A. D'Olloqui, of Kingston, and her friends in Kingston and elsewhere will be pleased to learn of her success.—Ed.

—We deeply regret having made a serious mistake in one of our locals of last week in which we stated that a certain party soliciting subscriptions for the Salvation Army used for his own purpose the money so obtained. This matter was inserted through an error on the part of one of our staff and we take the earliest opportunity of correcting the statement and offering our most earnest apology to the gentlemen to whom the matter applied. We have the satisfaction of knowing that no harm could arise out of the matter as no one who knows the gentleman would for a moment credit the statement.

—The heavy storm of Sunday, 24th inst., has again put a stop to traffic on the K. N. R. The large amount of snow which fell completely blocked the road, and this with the accident which happened to their plow a short time ago has made it useless for the train to attempt to reach Kent Junction. Conductor Murray is determined however, to have the road cleared again, and has in course of construction a new snow plow which he expects to do good work. If the weather is at all favorable he intends to start out about the last of the week. Conductor Murray deserves credit for the way in which he has persevered and we trust that he will meet with success on his next trip.

BUCTOUCHE NOTES.

MARCH 2nd.—The oyster fishermen here, received information from Ottawa last week, through their representative, Mr. O. J. LeBlanc, that an order in council had been passed, giving them the privilege of fishing oysters through the ice, in deep water in the River and Bay. It is needless to say that the glad tidings were very much appreciated, and that the fishermen feel themselves deeply grateful to Mr. LeBlanc, through whose efforts and influence the above privilege was granted.

Mr. Jas. Barnes, M. P. P., drove to Shediac on Tuesday last, and took the train from there for Fredericton to attend the Legislature now in session.

Master Bonner Law who is attending the public school here, accompanied by his friend Willie Walker, spent a few days at his home in Kingston last week. Rumor says that Willie only got as far as Galloway, had road, probably prevented him from going any further.

Mr. R. A. Chapman, of Moncton, was in town on Wednesday on official business.

Our obliging and popular young mail driver deserves very much credit for the mail service that he has given the citizens of our village this winter. Notwithstanding the many heavy storms that we have had not a trip has been missed, and good time has been made, the mail arriving nearly on time every day.

Our popular young citizen Mr. N. J. Ross, returned from Moncton on Friday, where he had been spending a few days.

Mr. Allister Murray who made application to join the South African Constabulary, did not pass the medical examination. The doctor said that he had heart trouble. The young ladies say that they do not think the trouble is organic, but more of a sympathetic nature.

ST. NICHOLAS RIVER ITEMS.

As our former correspondents have retired to silent bliss or gone to the woods, I am requested to answer (Goggles) and their mistakes which was not ignorance but the want of knowing better.

Rev. A. Lucas, Field Secretary, held the Parish S. S. Convention here on Monday, the 18th Feb., both afternoon and evening sessions were well attended. We believe the work will be carried on more successful in the future.

A few of our farmers have begun mud hauling, but owing to the condition of the ice very little has been done yet.

Mr. John McNulty is confined to his bed with a sore knee.

F. G. Robertson arrived home Tuesday from Bathurst.

I will now in conclusion turn my attention to the (Goggles) who I presume are none other than the two Esquimaux's who frequent the Friday Weeklys. Being tired of frivolous sports and wishing to distinguish themselves as correspondents, they have misinformed the public and slandered well disposed persons in this vicinity, and under assumed names forwarded it to THE REVIEW for publication. We are no doubt in need of a night school so that the Goggles may learn the difference between a revival meeting and a Sunday School Convention.

THEY DO NOT GRIPE.

For Bilioousness, Constipation, Dyspepsia, or Sick Headache, take Laxa-Liver Pills. They do not gripe, weaken or sicken.

—Auctioneer Augustin Johnson will sell by public auction at the residence of Pierre L. Richard, St. Louis, on Thursday, March 14th, all his stock and crop, besides a large stock of dry goods, ladies' hats, etc. See posters for particulars.

It Hurt To Eat.

The pain, nausea and distress that Dyspeptics suffer after every meal can all be permanently removed by Burdock Blood Bitters.

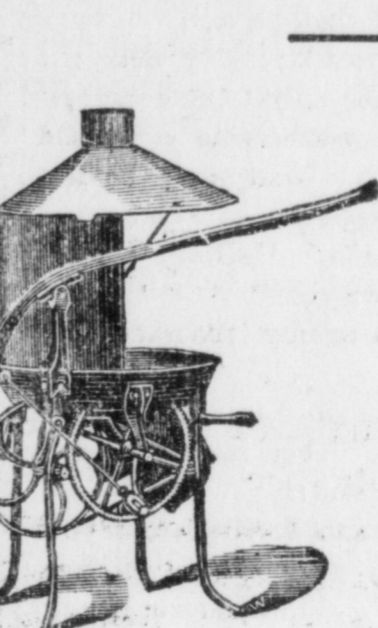

It tones up and restores the stomach to normal condition so that it digests food without causing discomfort.

Here's proof positive:

Miss Maggie Splude, Dalhousie, N.B., wrote the following: "I have been a sufferer from Liver Complaint and Dyspepsia for the past two years and felt very miserable. I could not take much food as it hurt me to eat. My friends said, 'Why don't you try B.B.B.' I did so, using two bottles, which made such a complete cure that I can now eat anything I like without it causing me discomfort."
