## Painters' Kidneys.

The worst thing a painter has to contend with is the turpentine.

The lead, of course, is bad too.

But the turpentine cuts the kidneys, inflames and weakens them, makes the painter's life a dangerous and troublesome one. When a painter's back aches, it's time for him to begin treating the kidneys.

## DOAN'S KIDNEY PILLS

will fix them up—take out the inflammation and congestion, give ease to the aching back.

Mr. J. Evanson, the well-known painter and decorator, 50 Oxford St., Toronto, Ont., said: "About eight weeks ago I was taken with an excruciating pain in my back over the kidneys. It was so bad that my wife had to apply hot cloths till the doctor came and gave me morphine."

He said the trouble was due to a stone passing from the kidney to the bladder.

My water was loaded with a brick dust deposit and started taking them.

While in this condition I heard of Doan's Kidney Pills and started taking them.

It was not long before I got relief from pain and have been improving in health ever since. My urine is now clear and does not smart me, and I feel better than in years.

The law relating to the great roads and by roads of the province has not been found entirely satisfactory, and you will be asked to consider whether it would not be desirable to adopt a system which will abolish the distinction between the two, and thus enable all the important highways of the province, irrespective of whether they may have formerly been on the list of great roads or by-roads, to be maintained in proper condition. Other changes in the road law will also be submitted to you and your careful consideration will be invited to this subject, which you will agree with me is one of very great importance.

During the past year the financial resources of the province have been taxed to an unusual extent by reason of the smallpox epidemic, which called for immediate and effective measures on the part of my government and the Provincial Board of Health, as well as the Local Boards in various sections of the province. I am happy to say that the energetic measures which were taken prevented the spread of the epidemic, and there is reason to believe that it will soon be effectually stamped out.

Certain irregularities and wrong doing which have occurred in connection with the list of non-resident voters in the parish of Rothesay, in the county of Kings, have made it necessary that legislation should be enacted to provide for a proper and legal list and to prevent the occurrence of such evils in the future. A measure having this end in view will be submitted for your consideration.

My government has thought it advisable to make a change in the law relating to the office of Auditor General; and provision will be made that a statement, showing the annual receipts and expenditures shall be published in the Royal Gazette within sixty days after the close of the fiscal year.

In opening the last session of the Legislative Assembly it afforded me great pleasure to convey to you the information that the claim of the province against the Dominion, arising out of the Eastern Extension Railway matter, and which had been so long in controversy, had by agreement between the two governments been referred to three competent and disinterested parties mutually chosen, for final adjustment and settlement. And it is now my pleasing privilege to inform you that the award of the arbitrators has been made and that it recognizes the justice of the claim which the province has for so many years been pressing upon the attention of the Dominion authorities. It is expected that during the present session of parliament provision will be made for the payment of the amount of the award, and thus this long-standing dispute will be brought to a close. The evidence and award of the arbitrators will be submitted to you.

I have directed the accounts of the income and expenditure for the past fiscal year, as well as a statement of the receipts and expenditure of the current fiscal year, up to the opening of the present session to be laid before you.

Estimates of the probable income and expenditure for the current year will be submitted to you, and I think you will find the estimate of expenditure have been prepared with a due regard to economy and the requirements incident to the growth of our province and the expansion of its public services.

Bills to provide for the creation of District Courts; for the introduction of what is known as the "Torrens" System of Land Registration; to amend the Succession Duty Act; and also bills dealing with other subjects of importance will be submitted to you; and I am sure that your deliberations will, under Divine guidance, be conducted with a wise regard for the public weal.

The address in reply was moved by Mr. Copp, of Westmorland, and seconded by Mr. Ryan, of Albert. Mr. Allen, who was to have moved the address, has been in poor health for a few days and did not feel equal to the task.

The selection of Mr. Robinson as Speaker was decided on at a caucus of government supporters on Wednesday evening. Each member on request of Mr. Tweedie balloted for his choice, the members of the cabinet refraining from voting. Messrs. Robinson, Mott, Barnes and Allen were the high men on the first vote, and finally Mr. Robinson was decided on. His selection is generally acceptable to the opposition, and the expectation is that he will make a very good Speaker.

## BEAUTY OF FORM AND FIGURE.

Health and beauty always go linked together. A wrinkled, tired and worn-looking face tells immediately of nervousness, worry and many accompanying ills and irregularities. Dr. Chase's Nerve Food fills the shrivelled arteries with new rich blood, strengthens and rekindles the vitality of the nerves, and gives a well-rounded form, and clear healthy complexion to all who use it. 50 cents a box, all dealers.

LONDON, March 1.—Kitchener reports to the war office from Pretoria March 1: DeWet has been forced north over the Orange river and is now clear of Cape Colony. 200 prisoners have been taken and others who were stragglers are being captured. Eighty men of Kitchener's fighting scouts were attacked by superior numbers and after a prolonged fight and sustaining twenty casualties, surrendered.

## "MINE HOST"

## DAKE.

Relates his Experience for the Benefit of Others.

Proprietor of the Dake House, St. Thomas, Loses an Enemy That Had Troubled Him for Over Five Years and is Glad.

St. THOMAS, Mar. 4, (Special).—Mr. L. Dake, of the Dake House, in this city, is a proud man for he has at last forever disposed of a foe, which has given him a great deal of pain and annoyance during the last five or six years. That foe was Kidney Trouble and Lame Back. Dodd's Kidney Pills drove it out, never to return, and now Mr. Dake is happy. This is what he says:

"I have been troubled with my Kidneys and pains in my back for over five years. Nothing I could get helped me in the least. Finally, I was told by a friend who had tried them, that Dodd's Kidney Pills would cure me, and I decided to try. They relieved me from the first and eventually cured me completely. They are a wonderful medicine."

There are many people in St. Thomas and vicinity who have very kind things to say of Dodd's Kidney Pills. The local druggists report a very large sale, and this is not to be wondered at, as many very remarkable cures are reported in the city and county.
