MARITIME PROVINCE NOTES.

St. STEPHEN, N. B., Aug. 14.—Another international wedding took place this evening when Alice, the accomplished and handsome young daughter of ex-Councillor Bridges, was united in marriage to Sanford W. Dimock, of Falmouth, Mass. Rev. John Read, D. D., pastor of the Methodist church, officiated. The bride was attended by two little maids of honor, her cousins—Bessie Robinson, of Marysville, N. B., and niece, Ethel Cooke, of Houlton. One carried a basket of pink flowers and was dressed in pink silk; the other was dressed in white organdie and carried a basket of white flowers. The bride, herself, looked very charming and was dressed in white organdie trimmed with white ribbons and wore a long bride's veil. She carried a bouquet of white carnations. The father gave the bride away. A number of friends were present and enjoyed a lunch after the ceremony. The happy young couple will spend their honeymoon on the St. Croix. They will reside in Falmouth, Mass.

On Wednesday of last week, while a forest fire was raging back of River de Caches, a tremendous explosion, or series of explosions, occurred about three miles back of the settlement. They were distinctly heard at Neguac, five miles away, and the windows of houses three miles distant, rattled. Broken pieces of branches of trees were found at Upper Neguac, and are supposed to have been hurled there by the force of the explosion. Visitors to the supposed scene of the explosion say there is a rent in the ground there sixty feet long and four or five feet wide. This would seem to indicate that natural gas, escaping from the earth at that point, had been ignited by the fire and exploded with great force. Oil or coal deposits beneath the surface would account for the presence of the gas.—Chatham World.

HALIFAX, Aug. 15.—James A. Leaman of the firm of Jas. A. Leaman & Co., doing the largest victualling business in the Maritime Provinces, died yesterday morning aged sixty years. The deceased was a great lover of horses, and always had in his stables a number of well-bred animals. His most successful horses on the turf were Bilmont and Romp, both of which were winners this year. He also owned Rampart, jr., Bessie Rampart and Little Fred. His estate is estimated to be worth \$100,000. He leaves a widow. Mr. Leaman was born in Moncton, where his father and brothers for many years carried on a meat business. He went from Moncton to Truro, where he conducted a victualling business for some years, eventually moving to Halifax. His first wife was Miss Lydia Archibald, Truro, his second, Miss Bessie Fields, Truro. He has two brothers, George and Henry, now in the provision business in Truro. The interment took place at Moncton on Friday.

Chatham World: Two West End dogs visited a henhouse early Monday morning, and proceeded to playfully amuse themselves with the poultry. They killed sixteen hens, four chickens and one turkey, eating all of them but five hens and the turkey. They attacked the gobbler,

tearing one of his wings off and tearing most of his feathers off. The two roosters escaped with the loss of two of their feathers.

Messrs. Adams, Burns & Co. have sold their milling property at Burnsville to John Robertson, of the Robertson Hotel, Bathurst. This carries with it nearly one hundred miles of timber limits.—Chatham World.

The Maritime Homestead is to be the latest journalistic enterprise in the Maritime Provinces. It will be a semi-monthly farm and home paper published in St. John and Halifax, circulating through the three Maritime Provinces and though the first issue will not appear until the 27th inst., has already a subscription list of over 2,500 names. W. W. Hubbard, the managing editor, is now in St. John and is bringing his paper before some of our business houses. As a medium for general advertising it should be among the best. The first three issues of the paper will aggregate a circulation of 24,000 among the leading farmers and as provision has been made for especially interesting reading matter, much of it from local authorities on the different branches of farm work it will undoubtedly be read with interest. The St. John office is at 41 Dock street.—St. John Gazette.

The wedding of Miss Celina M. LeBlanc, a former resident of St. Paul, N. B., to Joseph Gaudet, late of Memramcook, N. B., took place July 3rd, at the St. John the Baptist church, Lynn, Mass. Miss Rose Gaudet was maid of honor and Maximus LeBlanc acted as groomsmen. As the party entered the church, J. S. D. deBondy, organist, played Wagner's "Bridal Chorus." There was special decorations, as the bride was president of the Sodality of Children of Mary. She wore a rich white costume for the occasion. The nuptial benediction was given by Reverend J. B. Parent, rector of the French parish. A reception was given to the young married couple the 3rd inst., at the residence of Aime Cormier, 63 Mount Pleasant street. They were the recipient of many costly and useful presents, and there was a large attendance of friends. Vocal and instrumental music and refreshments helped to make this reception a most enjoyable one.

Miramichi Advance: Felix Gallien, of Caraquet, who is a present employed in Worcester, has been searching in Massachusetts for his wife and two children for several weeks, but without success. Mr. Gallien has been staying in Westboro, Mass., and early in July sent for his family. Before they started from Caraquet, however, Gallien moved to Barre, and then to Worcester. Later he learned

from his wife's folks at home that the family had started July 6 for Westboro. Gallien had heard nothing of them since they came to Massachusetts, and cannot understand where they are.

A double marriage took place Thursday morning at 6.20 o'clock in St. Peter's church, Rev. Father Cronin officiating. The brides were Miss Susie C. Mullin and her sister, Miss Jennie Mullin, daughters of the late John Mullin. They were united in marriage to Robert Phillips and John McNeally respectively. Miss Susie Mullin was attended by Miss Merza Carter, of Everett, Mass., and her dress was of grey silk. Mr. Gormerly supported the groom.

Miss Jennie Mullin was attended by Miss Annie Gormerly and was becomingly gowned in grey. Herbert Lyons supported the groom.

Mr. and Mrs. McNeally left on a trip to Nova Scotia, while Mr. and Mrs. Phillips will visit Prince Edward Island.—St. John Gazette.

CHARLOTTETOWN, Aug. 15.—At an early hour this morning a coal laden schooner collided with the steamer Jacques Cartier near the harbor's mouth. The steamer was en route to Pugwash to bring an excursion party to the city. The schooner was beached. The Cartier was compelled to return to her dock because of damage to her port bow. The captain of the Cartier states that the usual lights were displaced, but for some reason the schooner hauled across his bow.

I. C. R. WRECK.

MONCTON, N. B., Aug. 16.—The Maritime express due here this morning at 8.40, collided with the fast freight at Assetmaquagan and the driver, Amos Sharp, of the express, was killed and his fireman probably fatally injured.

The fast freight, it seems, was taking the siding at Assetmaquagan and had not cleared the main line when No. 34 came along. The engine on the maritime crashed into the rear end of the freight and the engine was thrown from the rails. Driver Sharp was killed instantly while fireman Stevens was pinned beneath the wrecked engine where he remained two hours before he could be extricated.

None of the passengers were injured, and there was very little damage done. General manager Russell's car was attached to the maritime express.

The crew on the fast freight escaped injury, but one of the mail clerks on the Maritime had one of his hands slightly injured.

Fireman's injuries it is feared will prove fatal, although at nine o'clock this morning he was still alive.

INFORMATION FOR THE PEOPLE.

The following programme for Col. Dent's visit to this Province in connection with the purchasing of horses for the Imperial Army has been arranged.

Fredericton, Tuesday and Wednesday, 20 and 21 August, J. A. Edwards, Esq., Queen Hotel, agent.

Woodstock, Thursday and Friday, 22 and 23 August, W. F. Glidden, Esq., Livery Stable Keeper, agent.

St. John, Saturday and Monday, 24 and 26 August, J. B. Hamm, Esq., Livery Stable Keeper, agent.

Sussex, Tuesday and Wednesday, 27 and 28 August, Geo. H. Barnes, Esq., agent.

Moncton, Thursday and Friday, 29 and 30 August, Ferdinand Thibodeau, Esq., Riverside Hotel, agent.

Chatham, Saturday, 31st August and Monday, 2nd September, Chas. Sargeant, Esq., of Newcastle, agent.

Anyone having horses for sale answering the description which has already been published in Col. Dent's letter of 13th July will please bring them to the agent's place of business at the nearest point, and on the dates set forth.

If enough horses are offered during this, the first visit of Col. Dent to New Brunswick, it will no doubt lead to the establishment of a permanent purchasing station in this Province, thus creating an increased demand for horses, which will be of great benefit to breeders generally. It is to be hoped that persons having horses for sale will make an effort to bring them to one of the points as outlined.

As regards prices, the Col. says he is unable to fix positively, but probably between \$80 and \$100 for cobs and from \$100 to \$120 for cavalry and artillery.

THE FEAST OF L'ASSOMPTION AT MEMRAMCOOK.

MEMRAMCOOK, Aug. 15.—St. Joseph's college was en fete to day, the occasion being the celebration of the feast of L'Assomption and presentation of the historic tableau of "Le Dispersion Des Acadians" to St. Joseph's university by the National Society of Quebec and L'Assomption Society of the maritime provinces. The college grounds were in gay attire. From the college flagpole floated a Union Jack at the head with two large tri-colors beneath and flags and bunting waved in all parts of the grounds. There was a very large gathering of Acadians, principally from surrounding country and many came from a distance to take part in the greatest celebration ever seen in Memramcook. Probably 2,000 people were present. Among them were Hon. J. I. Tarte, F. D. Monck, M. P., for Jacques Cartier, J. O. Periault, vice-president National Society, Montreal; Hon. H. R. Emmerson, Hon. W. Pugsley, O. Turgeon, M. P. for Gloucester; O. J. LeBlanc, M. P. for Kent; H. A. Powell, ex-M. P., Urbain Johnson, O. M. Melanson, W. F. Humphrey, A. B. Copp, M. P. P., Senator Poirier, Senator Wood, Judge Landry, Dr. Belliveau.

In the morning high mass was celebrated in St. Thomas' church by Rev. F. X. Cormier and a sermon appropriate to the occasion was delivered by Rev. Father Gauthier of St. Dunstan's college, Charlottetown. In the afternoon there was speech-making in open air near Lefebvre hall. Senator Poirier introduced the speakers, who included Judge Landry, Turgeon, LeBlanc, M. P., Father Belliveau, Grand Digue, J. E. Arseneau, P. E. L., H. A. Powell, Urbain Johnson, M. P. P., Father Michaud, Buctouche; Father O'Neill, J. D. Hazen. In the evening the handsome painting presented to St. Joseph's college, was unveiled and formally presented in the presence of a large gathering. Judge Landry presided and the tableau was presented by Periault, Montreal, on behalf of the National Society, and Dr. L. J. Belliveau on behalf of L'Assomption Association of maritime provinces. Father Roy, superior of St. Joseph's, acknowledged the presentation in a graceful speech. Speeches were afterwards delivered by Mr. Beare, the artist; Hon. J. I. Tarte, Father M. Doucet, Bathurst, and W. F. Humphrey. All the addresses were in French with the exception of Hon. Mr. Emmerson and Mr. Humphrey. The Shediac and Memramcook bands were in attendance at the celebration and enlivened the proceedings which will be remembered for many years to come by the French-Acadians of Memramcook parish.

MUCH THE EASIER TASK.

It was morning, and as he glanced out of the window he was surprised.

"Why, it rained last night," he remarked.

There was a flash of indignation in his wife's eyes as she turned on him.

"Rain!" she exclaimed. "Well, I guess it did rain, and I had to pull up the awning and put down the windows."

"But you needn't have done that," he protested. "Why didn't you wake me?" "I tried to," she answered coldly, "and I found the other the easier job."

A BIG LUMBER DEAL IN NOVA SCOTIA.

HALIFAX, Aug. 17.—Another big lumber deal was consummated in this city Thursday and more American capital is to be invested in Nova Scotia. W. R. Williams, Henry Patton and F. G. Smith, capitalists of New York, arrived in this city on Thursday and completed the purchase of the valuable lumber lands on the St. Mary's River, Guysboro County, which were the property of the Nova Scotia lumber company. The property comprises about 75,000 acres, and it is understood that the price paid was in the vicinity of \$150,000.

The land is very thickly wooded with spruce and birch and it is said to be one of the best timber lands in Nova Scotia. The lumber is driven down the St. Mary's to Sherbrooke, where the company has a large mill. The property runs down the St. Mary's River and the wood can be easily cut and shipped.

It is expected that the property will become even more valuable as the proposed Nova Scotia Eastern Railway will run through a portion of it. The capitalists, while in Halifax, stopped at the New Victoria Hotel, and they will organize a company and commence operations at once on an extensive scale.

They left last night on the steamer Wilfrid C. for Sherbrooke, where they will look over the property. Mr. Harry J. Crowe, of Bridgetown, accompanied the party on the tour. It is understood that Mr. Crowe will receive the appointment of manager of the company's operations in Nova Scotia.
