**DOMINION NEWS.**

**OTTAWA, Nov. 30.**—The customs revenue for the month ending to-day increased by \$303,321 over the same month last year. The increase for the five months of the fiscal year ending to-day was nearly one million dollars over the five months for 1900. The figures are \$13,295,670 for 1901, and \$11,302,640 for 1900, an increase of \$995,035 for the past five months.

**HAMILTON, Nov. 30.**—An attempt was made last night to burn Christ Church Cathedral. Fire was started under the organ loft. The surpluses of the choir boys were destroyed. Fortunately the fire was discovered and extinguished before much damage was done.

The Daughters of the King have closed their convention. Mrs. Gibbons, Liverpool, N. S., was elected president; Miss Downie, Watford, vice president; Miss K. Sadlier, Hamilton, secretary; Mrs. Thompson, Hamilton, treasurer; Miss Amy Gwyn, Dundas, editress of Royal Cross; Rev. J. Downie, Watford, chaplain.

**OTTAWA, Nov. 30.**—The first or second week in January will witness the departure of the Canadian Yeomanry force from Halifax, it is said. The central exhibition buildings will be fitted up as quarters for the force, and the men will be made as comfortable as possible during the week or two they will be here. Contracts for uniforms and boots and shoes for the men have already been awarded. The clothing will be made by the Sanford Company, Hamilton. While it is intended to raise a force of 600 men the militia order issued yesterday provides only for an aggregate of 459.

**QUEBEC, Nov. 30.**—There is talk of Rev. Father O'Leary, who gained such fame as Roman Catholic chaplain to the first contingent, going out in a similar capacity with the third contingent.

**OTTAWA, Nov. 30.**—Messrs. Beith, ex-M. P., and Harland Smith, of Toronto, met the Hon. Dr. Borden and Col. Evans this forenoon and talked over with them the question of purchasing horses for South Africa. After the interview Dr. Borden said that the horses would be of equal quality to those purchased by Col. Deut. So far nothing has been done about staff appointments.

**SOUTH AFRICA.**

**LONDON, Nov. 30.**—The correspondent of the London Times at Pretoria says that in order to cope with the large number of Boers who keep in touch with Louis Botha, east of the line of blockhouses, from Wilge river to Greylingstad, twelve British columns are operating between the Delagoa and Natal railways. In order to effectually clear this large area of Boers new lines of blockhouses are being built. In the Western Transvaal columns under Generals Methuen, Kekewich and Hickey are sweeping the country in conjunction with the forces on the railway line and constabulary posts. It seems that the block houses are to form the chief factor in the pacification of the country. The new line of blockhouses will soon entirely free Pretoria and Johannesburg centre of the enemy. The concentration of British columns south of the Delagoa Railway has withdrawn troops north of the line, with the result that the Boers are back again in that neighborhood, where horse sickness and fever do not prevail and food is plentiful. Lord Kitchener has never had sufficient troops to carry out the comprehensive operations simultaneously north and south of Delagoa line. The need for more men is thus clearly shown.

**13 Running Sores.**

Mr. Stephen Wescott, Freeport, N.S., gives the following experience with Burdock Blood Bitters. "I was very much run down in health and employed our local physician who attended me three months; finally my leg broke out in running sores with fearful burning. I had thirteen running sores at one time from my knees to the top of my foot. All the medicine I took did me no good, so I threw it aside and tried B.B.B. When one-half the bottle was gone I noticed a change for the better and by the time I had finished two bottles my leg was perfectly healed and my health greatly improved."

**BASS RIVER, N. B.**

The school house of this place was the scene of a very pleasant function on the afternoon of Thanksgiving Day. The occasion was the raising of a flag, generously donated by Mr. Everard J. Thompson, one of Bass River's sturdy sons, but who is at present living in New Haven, Conn. By 3 p. m. a goodly number of people were on the grounds, and while the pupils of the school lustily sang, "The Red, White and Blue," the grand old flag was floated to the breeze. Rousing cheers were then given for the flag and also for the donor. Then going inside, the following program was rendered:

Rect.—The Union Jack—James Jones.  
Chorus—Our Motherland—The school.  
Rect.—Whistling in Heaven—Nellie Rogers.  
Chorus—The Maple Leaf—The school.  
Rect.—The Land of our Birth—Katie Murphy.

This was followed by a very interesting and thrilling address by Rev. Mr. Wheeler of Harcourt. He spoke of our country's position, extent and possibilities, and especially of the advantages which it offered to young men and women who were prepared to devote their best thought and energy towards its development.

The entertainment closed by all singing with enthusiasm, the National Anthem.

The following address accompanied the flag:

To the Children of Bass River School, Bass River, N. B.

It is my great pleasure to give you today, for use on your school house, a flag of your country. Let it be seen often, and learn to know and love it for itself and what it stands for. It is the emblem of truth, power, progress, civilization and christianity. When you look up to it, remember that you belong to the greatest of empires, the British, and take pride in the fact, for it is a thing worthy to be proud of. Be loyal to the flag and give it your everlasting respect.

When this flag has worn out by flying in your New Brunswick breezes I will gladly replace it with another.

EVERARD J. THOMPSON.

The teachers of the school are Chas. D. Richard, Principal, and Miss Laura B. Brewster, of the Primary Department.

**A Historic Throne.**

The biggest episcopal throne in Europe is at the Exeter cathedral. Composed of the very best oak, with magnificent carving executed by the most expert designers of the day, the throne soars upward in beautiful tapering pinnacles, which rise up to the lofty roof of the sacred edifice. The throne is not only the biggest, but one of the oldest. It was saved from destruction by the Puritans by the ingenuity of the Cavaliers, who when the Roundheads marched on Exeter pulled down the throne and divided it into 365 pieces, one for every day of the year. The pieces were safely secured in many hiding places, and when peace was restored the pieces were put together again without the aid of a single nail.

**A Willy Answer.**

The shah of Persia once asked a group of his courtiers whom they thought the greater man, himself or his father. At first he could get no reply to so dangerous a question, the answer to which might cost the courtiers their heads.

At last a willy old courtier said, "Your father, sire, for although you are equal to your father in all other respects in this he is superior to you, that he had a greater son than any you have."

**Regatta in England.**

The first regatta in England was in 1775, and it was imported into that country by Lady Mary Wortley Montagu, who had been impressed by the water show of Venice. There was no series of races. There was a procession of city barges to a "temporary octagon," where there was reveling that night and well into the next day. Only seven of the company were drowned on the return journey, which speaks well for the average sobriety of the crowd.

**Tipped.**

"Doesn't this boat tip a great deal?" asked a timid young woman of the steward. "The vessel, ma'am," said the steward, "is trying to set a good example to the passengers."

**WEAK AND NERVOUS**

**MAGISTRATE DAUPHINE'S DEPLORABLE CONDITION.**

**Dr. Williams' Medical Treatment. He Became Weaker and Weaker. Until He Could Scarcely Sign His Name.**

Mr. James Dauphine, of East Bridgewater, or as he is better known as ex-Councillor Dauphine, has been a sick man for the past three years. His health gradually forsook him, until by degrees he was forced to give up doing all kinds of work. He consulted a physician and took a large quantity of medicine, but it did him no good and he gradually grew weaker and weaker. His duties as a magistrate necessitated his doing much writing, and being an excellent penman in his days of good health it came very hard to him when his hand shook so much he could scarcely keep it steady enough to sign his name. His daughter, seeing his deplorable condition, advised him to try Dr. Williams' Pink Pills, and after a bit of coaxing he was induced to try them. There was no noticeable change in his condition until he had started taking the third box. From that on the improvement was rapid. He grew stronger every day, his appetite increased, the weariness and lassitude departed from his limbs, some of the lustre of his youth returned to his eye, and by the time five boxes were used, Mr. Dauphine felt a new man. The weight of years and the burden of sickness has rolled from his shoulders, his hands are now steady and his pen can run as rapidly as ever. He attributes his cure to the ministrations of a good wife and Dr. Williams' Pink Pills. Mr. Dauphine is 73 years of age, but feels as young and vigorous as he did years ago, and is ever ready to praise in the warmest terms the health-giving qualities of Dr. Williams' Pink Pills.

Dr. Williams' Pink Pills are the friend of the weak and ailing. They surpass all other medicines in their tonic, strengthening qualities, and make weak and despondent people bright, active and healthy. These pills are sold by all dealers in medicine, or can be had by mail, postpaid, at 50 cents per box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

**PILL POINTS**

**Dr. Agnew's Liver Pills are a purely Vegetable Compound. A scientifically studied Formula. The after-effects of the medicine have been given as much consideration as the immediate results.**

Not so with many of the Ancient Formulas—Painful Purgers and no healing powers. Think of these points. If you must use medicine, look for the most pleasant, safest and surest to take. Dr. Agnew's Liver Pills are supreme in cases of Sick Headache, Biliousness, Sallow Skin, Constipation, etc. 40 doses, 10 cents; 100 doses, 25 cents. 61

**Chronic Bronchitis**

Mr. Wm. Davidson, St. Andrews, Que., states—"Dr. Chase's Syrup of Linseed and Turpentine has cured me of bronchitis. I have, without success, used many remedies for the past six years. Last winter when I had a severe attack and was unable to work I procured a bottle of Dr. Chase's Syrup of Linseed and Turpentine, and am happy to state that the third bottle made me a well man."  
Mr. W. R. Alger, insurance agent, Halifax, N.S., says—"I used Dr. Chase's Syrup of Linseed and Turpentine for a severe attack of bronchitis. Permit me to testify to its splendid curative properties. I got better from the time of taking the first dose. Having a family of young children, my doctor's bills have annually come to a considerable sum. I believe a bottle of Dr. Chase's Syrup occasionally will aid me in reducing them very materially." 25 cents a bottle, all dealers.
