"And let us not be weary in well-doing for in due season we shall reap if we faint not."—Galatians 6: 9.

THE REV. JAMES N. FITZGERALD, D. D., LL. D.

Facing the saloon, the Christian man should remember that the naked forms he seeks to cover, the hungry bodies he seeks to feed, the tearful eye he seeks to dry, the aching heart he seeks to soothe, and the bereft parents and wives and children he seeks to comfort, were nearly all brought to their present sorrowful and forlorn condition by the saloon, which accomplishes its ravaging work BECAUSE SO MANY CHRISTIAN MEN VOTE THE TICKET OF A PARTY THAT DOES NOT SAY AND THAT WILL NOT SAY, "THE SALOON MUST GO."

"It is not fair to prove by facts and statistics the evil of over population and the evil of low wages, and to shrink from revealing the evil of drink. That has to be removed, as well as the others; and must be taken into account. \* \* \*

\* \* \* Come to a common lodging house and see what class of people fill the beds at fourpence a night. Poor laborers? Yes But hundreds of men who have once been in first class positions, and who have had every chance of doing well, are to be found there also. \* \* \* The following have all passed recently through one common lodging house in one of the most notorious slums of London:—

"A paymaster of the Royal Navy.  
"Two men who had been college chums at Cambridge, and met accidentally here one night, both in the last stage of poverty. One had kept a large pack of hounds, and succeeded to a large fortune.

"A physician's son, himself a doctor, when lodging here sold fuzes in the Strand.  
"A clergyman, who had taken high honors. Last seen in the borough, drunk, followed by jeering boys.

"A commercial traveller and superintendent of a Sunday school.  
"A member of the Stock Exchange—found to be suffering from delirium tremens—removed to a workhouse.

"The brother of a clergyman and scholar of European repute died eventually in this slum. Friends had exhausted every effort to reclaim him. Left wife and three beautiful children living in a miserable den in the neighborhood. Wife drinking herself to death. Children rescued by friends and provided for.

Thomas Guthrie, D. D., said:—  
"I have seen no less than ten clergymen with whom I have sat down at the Lord's table, dosed through drink. Out of 100 children in our ragged schools, 99 are children of drunkards."

Newman Hall, D. D., said:—  
"The Church of Great Britain loses, on an average, one member excommunicated or slaughtered by intemperance; and as there are 30,000 churches, 30,000 of God's people are annually the victims of the cup."

"In the U. States yearly 100,000 come either directly or indirectly to their graves by strong drink."—A. B. Leonard, D. D.

SHINE IN THE HOME.

Be light to all who are in the house. Shine where you live. Eat without fault-finding. Mend the torn garment without complaint. Go on the unpleasant errand without bewailing the necessity. Respond to the call for help cheerfully. Commend often; censure only when you

must. "Papa, I do try to do right; won't you please tell me sometimes when I please you?" a little girl said to her father, who was constantly correcting her. The lights of kindness, gentleness, patience and consideration should never go out; we should keep the light of a holy example always burning. A boat went out to sea, carrying a father and daughter. A terrible storm came up as they were hurrying back. The coast was dangerous. The mother lighted a lamp and started up the worn stairway to the attic window. "It won't do any good, mother," the son called after her. But the mother went up, put the light in the window, knelt beside it and prayed. Out in the storm the daughter saw a glimmer of gold on the water's edge. "Steer for that," the father said. Slowly, but steadily, they came toward the light, and at last were anchored in the little sheltered harbor by the cottage. "Thank God!" cried the mother, as she heard their glad voices and came down the stairway, with the lamp in her hand. "How did you get here?" she said. "We steered by mother's light," answered the daughter, "although we did not know what it was out there." "Ah! thought the boy, a wayward boy, "it is time I was steering by my mother's light;" and ere he slept he surrendered himself to God, and asked Him to guide him over life's rough sea. Months went by, and disease smote him. "He cannot live long," was the verdict of the doctor; and one stormy night he lay dying. "Do not be afraid for me," he said, as they wept: "I shall make the harbor, for I am steering by mother's light."—Illustrator.

**RECOUNT DEMANDED IN CUMBERLAND.**

AMHERST, Oct. 5.—Sheriff Logan, as returning officer, held court this afternoon when the following results of Wednesday's election were announced:

- Black (government).....2,944
- Tucker (government).....2,933
- McLeod (opposition).....2,946
- Smith (opposition).....2,720

A change of 23 in the figures of Spring-hill against Mr. Black and minor change in other polls reduced his majority.

Mr. Tucker having demanded a recount, Sheriff Logan announced the recount would commence on Wednesday next.

TRURO, N. S., Oct. 5.—Through oversight of the proposed parties the ballot box with the returns from Carleton did not arrive in time for declaration to-day. Declaration was therefore postponed till Monday. Mr. Laurence, who led the polls, addressed the gathering at the court house and in a stirring manner warmly thanked T. G. McMullen, late Conservative member, and Col. Blair, who sat with the Conservatives in the house for several years, for the strong support they had given him.

**NINE BOILS. FOUR RUNNING SORES.**

The T. Milburn Co., Limited, Toronto, Ont.

Some time ago my blood got out of order and nine large boils appeared on my neck, besides numerous small ones on my shoulders and arms. Four running sores appeared on my foot and leg and I was in a terrible state. A friend advised Burdock Blood Bitters, so I procured three bottles. After finishing the first bottle the boils started to disappear and the sores to heal up. After taking the third bottle there was not a boil or sore to be seen. Besides this, the headaches from which I suffered left me and I improved so much that I am now strong and robust again.

Yours truly,  
MISS MAGGIE WORTHINGTON,  
Feb. 3rd, 1901. Golspie, Ont.

**FIGHT BETWEEN BRITISH AND BOERS AT FORT ITALIA.**

NINETEEN HOURS' CONFLICT—ENEMY REPEATEDLY GAINED THE SUMMIT ONLY TO BE REPELLED.

DURBAN, Oct. 5.—The Boer attacks on Fort Italia and Fort Prospect in Zululand prove to have been far bigger engagements than they were at first reported. General Botha's full force of 4,000 took part in them. The British fought magnificently for 19 hours, while the Boers fought fearlessly and desperately. They gained the summit of Italia repeatedly, but were repelled each time. It was probably the news that General Bruce Hamilton was approaching that caused a cessation of the fighting. The Boers suffered heavily. Three hundred and thirty-two of their dead were found, and, in addition, they carried off a number of their killed. They admit having 300 wounded. Apparently they lost more men than in any previous action of the year.

Six hundred men, under Emmet and Grobelaar, attacked Fort Prospect. They also suffered heavily. Sixty of their dead were found where they had been mowed down by a Maxim gun. At Fort Italia the British guns were put out of action. The Boers have never hitherto displayed such reckless daring, rushing the British posts across the open ground, only to be beaten back. Major Chapman commanding the British, seemed to bear a charmed life. General Kitchener has congratulated him. On Saturday the Boers captured a large British convoy. General Hamilton pursued and came into action with them, but no details of the fighting have been received, though it is reported that the Boers were again pushed.

The whole British garrison at Fort Italia numbered only 300 men with two 15-pounders and a Maxim gun. An outpost of 80 men under Lieutenants Kane and Lefroy occupied the summit of the hill out of sight of the main camp, which was on the slope of the hill. About midnight 600 Boers rushed the outpost. Their onslaught was so sudden and fierce that for 20 minutes only bayonets were used. Overwhelming odds soon decided the possession of the outpost. Lieutenant Kane fell dead. Lieutenant Lefroy was severely wounded and the whole force was disabled. The main camp was thus reduced to 220 men. The Boers assailed it from all sides.

From about 1 a. m. throughout the remainder of the night and all the following day, the little garrison withstood them, until 7 o'clock in the evening, when the outlook seemed desperate. The British had been without water for many hours, the Boers having cut off their supply, and their ammunition was fast failing. Then suddenly the Boers withdrew. Among the Boers killed were Generals Opperman and Schultz and Commandant Potgieter. According to a statement which reached Durban from N'Kandhla, whether the garrison withdrew its wounded, a British military surgeon, who attended Italia in the morning to attend the wounded there, was immediately made prisoner by Boers, who compelled him to attend their wounded. The attack on Prospect seems to have been disastrous only to the Boers. The camp was well situated for defence, and although the garrison numbered only 20 men with one Maxim, they withstood all attacks.

**EVERY WOMAN NEEDS IT.**

There are times when every woman is tormented by itching skin and would give anything for relief. There is a preparation, known as Dr. Chase's Ointment, which is prompt relief for these sufferings. Women prize it both for their own use and for its wonderful effectiveness in curing baby Eczema, scald head, chafing, and the various skin diseases of childhood.

CHARLOTTETOWN, Oct. 7.—Mr. Charles B. Harrison, ex-M. P. P., of Margerville, N. B., and formerly a business man in the city of Moncton, died at his residence on Saturday afternoon. Mr. Harrison was a staunch Liberal in politics, and represented the County of Sunbury in the Provincial Legislature for a period of over 20 consecutive years. He always carried the Liberal banner to victory. Never in his political history did he suffer defeat at the polls. A this last election he was a great sufferer from a complication of troubles arising from a diseased condition of the liver and kidneys. On this occasion he led the polls and never canvassed a vote. This was during the fight when Hon. H. R. Emmerson swept the parish of Dorchester. Rev. B. H. Thomas and Mrs. Thomas, (his daughter) passed through Moncton on the early morning express enroute to Margerville, where the funeral services will take place on Tuesday afternoon.

**The Lesson of Health.**

IS ONE TAUGHT US BY THE EXPERIENCE OF OTHERS.

Learn This Lesson Well and the Ravages of Disease Will No Longer be so Prevalent.—The Story of One Who Has Been Benefitted and Who Offers Her Experience to Aid Others.

From L'Soreils, Sorel, Que.

Among the multitude of ailments that afflict humanity there are few that cause more acute misery than indigestion or Dyspepsia, as it is variously called. Both young and old are susceptible to its attacks, and its victims throughout the country are numbered by tens of thousands. Among the disagreeable symptoms which accompany dyspepsia and make it easy recognizable, are weight, uneasiness, and a heavy feeling in the stomach after eating, a feeling of weariness, sick head ache and dizziness, pains in the stomach, offensive breath, irritability, etc. Ordinary medicines will not cure dyspepsia. They may relieve its symptoms temporarily, but the trouble always returns and each time in an intensified form, Dr. Williams' Pink Pills is the only medicine which will thoroughly and effectively cure dyspepsia. These pills act not merely upon the symptoms, but on the disease itself through the blood, hence through the stomach, which is strengthened and restored to its normal functions.

Mrs. Alp. Lussier, a lady well known in Sorel, Que., is one of the many who has been released from the clutches of dyspepsia through the use of Dr. Williams' Pink Pills, and in the hope that her experience will be of benefit to some other sufferer she gives the following story for publication: "For over two years I was a sufferer from dyspepsia or bad digestion. The disease became chronic and I was an almost continual sufferer from headaches, heartburn and heart palpitation. All sense of taste left me and at times my stomach was so weak that I was unable to keep any food on it, and this caused me more distress than one could imagine. Although I tried several remedies, none of them gave me any relief, and I began to regard my life as a burden, rather than a joy as it should be. One day while reading I came across a case similar to my own, cured through the use of Dr. Williams' Pink Pills, so in the hope that I would receive similar benefit I decided to give the pills a trial. I had not taken the pills long before I could see that my hopes for recovery were being realized. By the time I had taken half a dozen boxes all symptoms of the trouble had disappeared and I was able to enjoy life as I did before being seized with the malady. I have no hesitation in saying that I think that Dr. Williams' Pink Pills are the best known cure for dyspepsia, and I would strongly advise all sufferers to give them a trial."

The old adage "experience is the best teacher" might well be applied in cases of dyspepsia, and if sufferers would only be guided by the experience of those who have suffered but are now well and happy through the use of Dr. Williams' Pink Pills there would be less distress throughout the land. Dr. Williams' Pink Pills can be had at all dealers in medicine or by mail, post paid, at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

**Severely Afflicted With Kidney Disease.**

Stone in the Bladder, Incontinence and Pains in the Back—Another Remarkable Cure Effected by Dr. Chase's Kidney-Liver Pills.

Mr. Wm. Boyne of 19 McGee street, Toronto, says:—"I was afflicted severely with kidney disease, stone in the bladder, incontinence, deposits in the urine, severe pains in the back, and strains over the loins. I was so bad that I had to get up two or three times in the night and could then only make water with great pain. "Though long a sufferer and unable to work, I was confined to my bed for three weeks, and during that time thought I could not possibly endure greater misery. It was then that I began to use Dr. Chase's Kidney-Liver Pills. It is with gratitude that I say that they have freed me of all these symptoms, and made me a well man. I would not think of being without Dr. Chase's Kidney-Liver Pills in the house, and can also recommend Dr. Chase's Syrup of Linnseed and Turpentine and Dr. Chase's Nerve Food as very superior medicines." In every town, village and township in Canada just such cures are daily being brought about by Dr. Chase's Kidney-Liver Pills. They are no experiment, but a kidney medicine that has stood the test. One pill a dose, 25c a box, at all dealers, or Edmanon, Bates & Co., Toronto.
