A visit to his factory would convince you all that he is up-to-date and thorough. Parties wanting anything in his line would do well to give him a call. His work is too well known to require any further comments. Mr. J. F. Doucet, Inspector of schools, and M. Daigle, principal of the Cocagne school, were in town Sunday. We hear of a Michigan clergyman who recently made a very bad break at a funeral and caused dire consternation among the friends of the deceased. The reverend gentleman had grown very tired of the regulation expressions, and the same old form of announcements, and accordingly when he had finished the funeral sermon, instead of saying an opportunity is now given to view the remains, he said, an opportunity will now be given to pass around the bier.

Mr. Bert Frecker, a former Richibucto boy, but who has for some years been doing a wholesale and retail furniture business in Tampa, Florida, has gone into the poultry business on a large scale at that place. Mr. Frecker raises nothing but thoroughbred fowls of all kinds. The price of poultry is very high in the South, and this combined with the push and business principles of Mr. Frecker will surely make the business a success. Bert is a hustler and loses no time to improve an opportunity. KENT JCT., April 14.—William Wood, of Kouchibouguac, who left home intending to work on McLeod & Atkinson drives left Kent Junction at noon on Wednesday, April 2nd, and not being acquainted with the different roads through the woods in some mysterious manner lost his way and travelled for five days and nights without provisions or even a match to make a fire whereby he could rest at night, he had to travel at night to keep from perishing, and it appears he travelled over the same ground as the day before. He at last decided to follow the course of the river and reach the railroad, one mile west of here, on Monday at 2 p. m. on April 7th, he did not realize where he was till he met T. McPherson's section-men, he was nearly famished with hunger when they met him and they gave him some food and he revived somewhat. His face and hands were badly torn by the bushes and his feet were swollen and frozen terribly. The section-men took him to his sister's, Mrs. William McIsaac, Acadieville, where he is at present. Dr. Keith is attending him, and it is to be hoped he will soon recover, as he is a man with a family that will require his assistance. He and his family have the sympathy of this community. Deaths's Harvest. On Wednesday evening, April 9th, William Henry Wathen died, he was eighty-years and ten months old, having been born in 1815. His parents came out from London, England, in 1808 and settled at Malpeque, P. E. I., and removed to Richibucto in 1812. He is the last of 13 children. He married Sarah Johnson, a daughter of a well known Richibucto family, from which Johnson's Corner gets its name, in 1849, she died in 1891, on the 42nd anniversary of her wedding day. Her sister is the wife of the Rev. Mr. Hutchinson, Episcopal minister, of Truro, Nova Scotia; a brother is living in England, and three brothers are in the mercantile pursuit in Chicago. Mr. Wathen leaves a family of six sons and two daughters, all of whom were present at the funeral except Susan, wife of the Rev. Mr. Taylor, of Hocharam, Conn. The children present were Christena, wife of Albert F. Coates, of Coatesville; Rev. Chas. B., of Rehoboth, Mass.; Rev. John M., of Clairmont, New Hampshire; Alex. T., of the firm of McElroy & Wathen, gents' furnisners, Manchester, New Hampshire; Leslie J. the well known ex. councillor of Harcourt; Mosely T., a school teacher, and William H., of the old homestead. The funeral was held on Sunday at two o'clock and was largely attended, services were held at the house and grave by the Rev. H. R. Baker. An unusual feature of the funeral was the fact that the six sons acted as pall bearers. In the death of Mr. Wathen Kent County loses one of her old landmarks but he leaves behind him a family of energetic, enterprising citizens. On Wednesday last, Fidel Richard, only son of Belonie Richard, residing at McLeod's Mills, died of consumption. Deceased was twenty-four years of age, unmarried, and besides his sorrowing parents leaves four sisters to mourn the loss of their only brother. Mrs. B. E. Johnson, the wife of our popular customs officer, is a sister. The funeral was held at St. Louis on Saturday morning and was very largely attended. Mass was said at 8 o'clock by the Rev. Father Pelletier.

WANTED.—A case of Headache that KUMFORT Headache Powders will not cure within twenty minutes. The Rexton Band of Hope gave a delightful entertainment in the public hall Wednesday evening last. The Rexton and Richibucto Orchestra furnished excellent music. Refreshment tables loaded with good things were well patronized. The Rev. D. Fraser took the chair and ably presided. The singing of the little Misses McGarrity and Anna Lennox and the recitation by the latter of How my Dolly Died, brought down the house. An Easter drill by sixteen girls was admirably rendered. There was a large and highly appreciative audience. The performance reflects great credit on the young people as well as the band of W. C. T. U. women who devoted so much time and labor to their training.

Carpenters' Kidneys. Carpentening is not an easy trade. The constant reaching up and down, the lifting and stooping over are all severe strains on the kidneys. No wonder a carpenter exclaimed, recently, that every time he drove a nail it seemed as though he was piercing his own back. He uses DOAN'S Kidney Pills now on the first sign of Backache and is able to follow his trade with comfort and profit. "I have had kidney and urinary troubles for more than three years with severe pain in the small of my back and in both sides. I could not stoop without difficulty, and I had severe neuralgic pain in both temples. Seeing the advertisement of Doan's Kidney Pills, I got a box. They have given me quick relief, removing the pain from the back and sides, and banishing the neuralgic pains from my head. The urinary difficulty is now entirely gone. I feel fresh and vigorous in the mornings, and am much stronger in every way since taking these pills." CLARENCE E. SEEDS, Carpenter and Builder, Trenton, Ont.
