

A TALK WITH GIRLS.

HOW TO OBTAIN BRIGHT EYES AND ROSY CHEEKS.

Pale, Anemic and Easily Tired Girls Often Fail to Prey to consumption.

In young girls we look for abundant health and strength, rosy cheeks, bright eyes, firm, plump flesh and constant cheerfulness.

These pills never fail to restore health and strength in cases like the above. Through their action on the blood and nerves they also cure such diseases as rheumatism, sciatica, St. Vitus' dance, indigestion, kidney trouble, partial paralysis, etc.

MIDSUMMER MILLINERY.

The light, airy effects which marked the winter models will be exaggerated in the midsummer hats says the May Delineator.

Raw, Flaming Eczema, Safe Rheum and Scald Head

The Dreadful Itching and Burning is Promptly Relieved and the Disease Thoroughly Cured by Dr. Chase's Ointment.

Mrs. A. McKnight, Kirkwall, Wellington County, Ont., writes: "I feel it my duty to let you know what Dr. Chase's Ointment has done in a very bad case of eczema on our baby."

Mrs. R. Stoddard, Delhi, Ont., writes: "I was troubled with psoriasis or chronic eczema for twelve years; used many remedies during that time, but got no relief."

THE GLASS OF FASHION.

Sashes of all kinds and descriptions will be a feature of summer dress.

The prettiest, most becoming face veil for mourning wear is made of Brussels net with a scalloped edge.

Embroidered batiste of the finest texture and the daintiest biscuit tint is to be very much worn this season for entire gowns, waists and blousings.

French knots are quite as popular as ever as a means of trimming, with the difference of using heavy instead of fine silk. On gauze materials they are very effective.

Spring hats have blossomed out in a very realistic way with flowers in the lead for decoration. Roses are first on the list, but all sorts of exquisite floral designs are in evidence on the new hats.

The new leather belts are the same straight around bands so long worn, but are covered with rows of stitching or combined with velvet showing a narrow line through the center.

Single faced velvet ribbon is promised as one of the trimmings for four-ford gowns, and it is to be stitched up at the upper edge.

THE TURF RECORD.

Sunol, 2.08%, is surely in foal. It is said to Orowood, son of Oro Wilkes.

General B. F. Tracy is fearful lest the increase of the pacer will drive out the trotter.

Mr. George A. Graves of Boston has purchased Combination park, the fast half mile track.

R. C. Moody has been elected president of the Palmsville (O.) Driving club, recently organized.

Belle Miller, 2.25%, has been sold by Henry Shipper, Lancaster, Pa., to C. H. Rohrer, Petersburg, Pa.

Melton, a highly touted 3-year-old, by Allerton, has been purchased by C. W. Lascelle, Whitesville, Mass., for a long price.

Hazelwood Hal, 2.15, is being trained by Frank Hedrick, South Solon, O. This horse is said to be much faster than his record.

A California paper states that the Chinese consul, How Yow, who is entering the racing game, will have his drivers costumed in yellow silk jackets with embroidered dragons on the back.

Slandering the Cook.

Here is something that a woman who knows says is a sure diagnosis of the status of the cook. If you have a good cook, you may be more or less sure that she will look too frequently upon the wine when it is red.

If one chances to make a morning call at the house of a friend and discovers the servants crowded up stairs, frightened and trembling, while from below come the sounds of ironware skidding across the kitchen and pottery crashing against the wall and between times the voice of the masculine head of the family genty expostulating or commanding in would be stern tones, then it may be known that that household has reached the dignity of a \$50 or \$60 cook.

Huxley and the Clergyman.

A rash clergyman once, without further equipment in natural history than some desultory reading, attacked the Darwinian theory in some sundry magazine articles in which he made himself uncommonly merry at Huxley's expense.

Huxley's answer was brief and to the point. "Take a cockroach and dissect it."—Argonaut.

Mrs. Winks—Why in the world didn't you write to me while you were away?

Mrs. Winks—Then I presume you gave the letter to your husband to mail and he is still carrying it around in his pocket?

Mrs. Minks—No; I posted the letter myself.

Mrs. Winks—Ah! Then, it is in my husband's pocket.

Chinese Typesetting.

When a Chinese compositor sets type, he places them in a wooden frame 22 by 15 inches. This frame has twenty-nine grooves, each for a line of type, and the type rests in clay to the depth of a quarter of an inch.

An Ounce of Prevention.

"As you went out," whispered the observing boarder, "I saw you pick up something from the floor, tear it in a dozen pieces and throw it in the range. Was it a love letter?"

"No," responded the practical boarder, "it was a little booklet telling how to prepare prunes in 99 different ways. I was afraid it might fall into the hands of the landlady."

Beings entirely cured of deafness, thanks to your treatment. I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.

OUR VETERAN M. P. P.

Mr. Johnson of Kent, Disposed of the Racial and Religious Cry Introduced by Opposition Members.

COUNTRY HAVE CONFIDENCE IN THEIR GOVERNMENT.

Speaking on the Budget Debate, Mr. Johnson regretted that he could not express himself as well in the English language as he would like to do, but he felt it his duty to contradict statements that had been made by some of the Opposition that the French people were not receiving justice from this Government.

TREATED FAIRLY AND HONESTLY.

The Government were criticised because of their travelling expenses. He did not want members of the Government to go as beggars. He remembered fifty-two years ago when a member of Parliament had to take up his trunk on a wheelbarrow to his hotel, but these old times were passed.
