Opportunities for Saving Money.

We are offering grand opportunities to save money. We have made great reductions on all our winter goods, and big bargains can now be had at our store. There are no old goods, all are good new stock bought in the best markets of the world and now offered at prices so low as to defy all competition. Last week we advertised a cut in prices of Ladies' Jackets and Men's Underwear but since then we have cut down the prices of so many articles that the space here will not permit us to give anything like a list, but call at our store and see the goods and we shall be only too pleased to quote our lowest prices. We wish to clear out a lot of goods to make room for spring stock so big bargains may be expected.

A Scientific Voice Improver.

Because of its strengthening influence upon the vocal chords, Catarrhozone cannot be too highly recommended as a wonderful voice improver. It almost instantly removes huskiness or hoarseness thus insuring clearness and brilliancy of tone. Catarrhozone keeps the mucus surfaces in perfect condition, and its regular use absolutely prevents colds and throat irritation, thereby removing the singer's greatest source of anxiety, unfitness of voice. The most eminent speakers and Prima Donas would not be without Catarrhozone and credit in no small degree their uniform strength and brilliancy of tone to its influence. The hard rubber inhaler fits conveniently into a purse or vest pocket, and may be used in the church, theatre, any place or time. Complete outfit \$1. Small size 25c. The Tea used by the Duke and Duchess of Cornwall and York during their stay in St. John was RED ROSE—the gold label. All grades of Red Rose have the same distinguishing characteristics, and whether it is the gold label or any other, it is good Tea—better than other Teas at the same price. Are you drinking Red Rose Tea?
