

In the Night

Sudden disease, like a thief in the night, is apt to strike confusion into a household. Croup chooses the hours of darkness for its deadly visitations. Cholera morbus, cholera infantum, cramps and colic come frequently in the night. Are you prepared for midnight emergencies? A bottle of JOHNSON'S ANODYNE LINIMENT gives security, eases pain and saves life. The real danger from a large number of ailments is inflammation. JOHNSON'S ANODYNE LINIMENT is the remedy for inflammation and, whether used internally or externally, it soothes it, gives relief from pain and cures the disease.

Johnson's ANODYNE LINIMENT

A FOE TO INFLAMMATION
Is just the same as it was ninety years ago. At all seasons of the year it is in daily demand for curing colic, cramps, diarrhoea, cholera morbus, bites, bruises, stings, chafings, in fall and winter it cures colds, coughs, croup, catarrh, bronchitis, is gripe, lameness, muscle soreness and pain and inflammation in any part of the body. Get it from your dealer. Two size bottles, 25 cents and 50 cents. The larger size is more economical.

"Cure-Alls" Didn't Cure

Only a Kidney Specific of the genuine merit of South American Kidney Cure can ever hope to cope with insidious kidney diseases in all its forms.

"For two years I was greatly troubled with an affection of the kidneys—frequently unfitting me for work. I tried many patent medicines and 'cure-alls,' without getting any relief, for I had intense pain almost constantly. South American Kidney Cure was recommended to me. A few hours after commencing its use I got great relief. Four bottles cured. It is worth its weight in gold."—Frank S. Emerick, Alvinston, Ont. '98

CHRISTMAS GOODS.

GEO. F. ATKINSON,

HARCOURT.

FEB. 4th, 1902.—On Sunday a very severe storm set in about 5 o'clock, and continued with unabated fury all night. All the trains along the line were delayed; the Maritime Express was nearly twelve hours late on Monday, and ten hours late on Tuesday. The highway is almost impassable.

As a result of the changeable weather, a great deal of sickness is reported round the village, but nothing of a serious nature.

On Tuesday evening, 28th ult., Mr. and Mrs. Freeborn entertained a few of their friends in a very pleasant and novel manner. The chief feature of the evening was a "Memory Test." An invitation to the Rectory is always a guarantee for a pleasant time.

The late thaw followed by the cold wave of late week make excellent skating. On Wednesday the school children were given a half holiday and enjoyed it skating on the mill pond.

Mr. and Mrs. Saulnier entertained a few of their whist loving friends on Thursday evening last.

On Friday evening Mrs. John Beattie entertained a number of her young friends at a "Cobweb Party."

Jas. Walker of Lakeville, West'd Co., is visiting his sister Mr. I. B. Humphrey.

Mr. and Mrs. Thurber were "At Home" to a number of their married friends on Saturday evening.

WHY CROUP IS FATAL.

When croup attacks your child you must be ready for it. It comes as accompaniment to an ordinary cough, or it may attack without warning. All ills of children develop quickly and when any kind of cough appears there should be something at hand to stop it with promptness. Many a child has choked to death with croup because the right remedy was not convenient. Every one should know that the right safeguard for a child's cough or any cough is Adamson's Botanic Cough Balsam. With this soothing compound in the house, croup is always easily checked and relieved.

To give a child a "cough mixture" containing a narcotic is a very serious matter, yet most preparations contain something of this kind. Adamson's Botanic Balsam is prepared from the purest extracts of barks and roots and gums of trees, and is health-giving in every component part of it. Whenever it touches an inflamed surface, it heals and soothes it. Nothing ever compounded for cough is so harmless, and nothing so efficacious. Adamson's Balsam is an old remedy and it has never lost a friend through failure to help. Keep it in the house. Try it on your own cough and do your child a good turn by being ready for an emergency. Price 25c. at any druggist's.

People Who Have Used It

Say that Dr. Chase's Syrup of Linseed and Turpentine affords wonderfully prompt relief for coughs and colds. Everybody has confidence in Dr. Chase, in his great recipe book and famous family remedies. They have learned by experience that it pays to insist on having Dr. Chase's Syrup of Linseed and Turpentine instead of accepting the various unscientific "mix-ups" which some druggists offer as "just as good." Dr. Chase's Syrup of Linseed and Turpentine contains many of the most valuable and most effective remedial agents for throat and lung troubles that science has discovered. It acts so directly and promptly as to be of incalculable worth in all cases of croup, bronchitis and whooping cough. It is so far-reaching in its effects as to loosen the tightest chest cough and cure the cold of long standing. 25c a bottle; family size, three times as much. 60c. at all dealers', or Edman-son, Bates & Co., Toronto.

KIDNEY DISEASE FOR TEN YEARS.

A Glen Miller Man's Terrible Trial.

He Found a Cure at Last in Doan's Kidney Pills.

Mr. P. M. Burk, who is a well-known resident of Glen Miller, Hastings Co., Ont., was afflicted with kidney trouble for ten years.

So pleased is he at having found in Doan's Kidney Pills a cure for his ailments, which he had begun to think were incurable, that he wrote the following statement of his case so that others similarly afflicted may profit by his experience: "I have been afflicted with kidney trouble for about ten years and have tried several remedies but never received any real benefit until I started taking Doan's Kidney Pills. My back used to constantly ache and my urine was high colored and milky looking at times. Since I have finished the third box of Doan's Kidney Pills I am happy to state that I am not bothered with backache at all and my urine is clear as crystal. I feel confident that these pills are the best kidney specific in the country."

ENGLAND'S STAND.

PREVENTED EUROPEAN INTERFERENCE ON SPAIN'S BEHALF.

LONDON, Jan. 28.—The Washington correspondent of the Daily Chronicle says:

"It is learned from an intimate of the late President McKinley that the European coalition against the Spanish-American war was dissolved by the avowed intention of Great Britain 'to use other means than diplomacy' to frustrate interference."

The Chronicle in an editorial on this despatch says:

"America, as a whole, has not shown herself invariably friendly during our troubles in South Africa, but this clear statement of America's debt to England should make an impression even on those classes who have hitherto regarded us askance."

The Hague correspondent of the London Daily Mail declares that Dr. Leyds, the European representative of the Transvaal, is apparently attempting to draw Mr. Chamberlain, the British colonial secretary, to disclose the terms conditional upon the waiving of independence.

John F. Barlow, Liberal member for Frome, in the House of Commons Tuesday asked whether those colonies which have expended money at the request and on account of the War office have charged commission, and if so, at what rate per cent., and if it was the intention of the government to pay such commission? St. John Brodrick replied that the usual commission of 3 per cent. on local expenditure in connection with the raising and equipping of contingents furnished for South Africa would be allowed to the colonies by the Imperial government.
