

WEST BRANCH NOTE.  
(Special to THE REVIEW.)

JAN. 13.—I hope that I am not too late to wish the readers of THE REVIEW a very happy and prosperous New Year. So far we have enjoyed this New Year.

At present we cannot boast of good travelling but we need not despair for our hustling Harcourt mail driver says he must, and shall have a road and we hope he will force the road-masters to walk the plank of duty, as they never have been known to walk it before in the annals of our county. We would here drop a word of advice to the future road-masters. Should your shovels as soon as the storm appears so that you will be ready for action as soon as the crisis arrives or G. Whittaker there will be trouble. In this case, delay is dangerous.

Parties have been (as in Richibucto) the order of the times. We have enjoyed two in succession at A. L. McMichael's, owing to a slight misunderstanding, but we hope the same mistake may occur again as we can't have too much of a good thing. Both were pronounced as enjoyable as any ever spent on the Branch.

We have often heard it remarked that no one could do more than one thing at once and do it well, but a young man of our locality attends to four things at once and does them all well. So he verifies the exception to all rules.

Mr. William Thurrott, of Mangerville, has been visiting friends here and we were one and all pleased to see him.

Our Teacher, Miss Sullivan, has again resumed her work in our school. This is her fourth year with us which shows how she is appreciated and also that she finds West Branch society agreeable.

Some of our young men who are lumbering in the employ of Messrs. Curran & Murray spent Xmas here. Rumour says they enjoyed their homeward trip. With some parties the pleasure of their short vacation was more enjoyed in anticipation than in realization.

Miss Jessie Robertson has gone to Rexton to complete her course in dress-making.

Moody McMichael is engaged in the lumber business on the Boardman Estate.

BUYTOUCHE NOTES.  
(Special to THE REVIEW.)

JAN. 13.—As I have not seen any Buytouce notes in your valuable paper of late, I thought I would try my hand as a correspondent.

The weather has been very changeable the last few days, which has put a stop to some of our sleighing parties, much to the disappointment of some of our young men, and young ladies too.

Mr. William Walker has returned to Notre Dame, where he is working with Mr. R. C. Fletcher, government bridge builder.

It is rumored that one of our smelt buyers has cut out his assistant and is calling quite frequently now at one of our up town residences.

I hear some of our young folks are planning a drive to Coatesville some evening this week. I hope they will have a pleasant time.

We are glad to hear that Miss Maggie Carter, who has been ill, is recovering.

The ladies of the Presbyterian church here will hold a five o'clock tea on Friday, the 17th day of January.

We are sorry to hear that Mr. Allister Murray intends crossing the border in a few days. His many friends will miss him.

DEATH AT KOUCHIBOUGUAC.  
(Special to THE REVIEW.)

JAN. 13.—The death occurred here on the 6th inst. of Robt. Graham, son of the late Robt. Graham, of consumption, at the age of 29 years. Deceased had been ailing for the past five years. He leaves a wife, a mother, five brothers and five sisters to mourn their sad loss.

Janie dear, weep not for me,  
For I long to be at rest;  
I long to be where Jesus is,  
Safe on his gentle breast.

For me there was provided  
A city fair and new;  
To it I shall be guided—  
Jerusalem the true.

My portion there is lying—  
A destined Canaan lot;  
Though I was daily dying  
My Canaan withered not.

Jesus is strong to save thee,  
He is a faithful friend;  
Trust on Him, dear Janie,  
Trust Jesus to the end.

B.B.B. Makes Blood Pure.

If the blood is pure the whole body will be healthy.

If the blood is impure the whole system becomes corrupted with its impurities.

Burdock Blood Bitters transforms impure and watery blood into rich pure blood and builds up the health.

Disease germs cannot lurk in the system when B.B.B. is used.

Miss Effie McDonald, Liscomb Mills, Guy Co., N.S., writes: "I have found B.B.B. an excellent remedy for purifying the blood and curing sick headache. I had tried many remedies, but none of them did me much good. B.B.B. has made me so well that I feel like a new woman and I am constantly recommending it to my friends."

NOT CORRECT.—The Union Advocate, Newcastle, lays the article published in the Chatham World of a recent issue with reference to Rev. Mr. Corbett, Presbyterian minister of Blackville, N. B., is not correct, and says some parties who are not on friendly terms with Mr. Corbett are trying to injure him by circulating false reports. The Presbyterian Witness has the following: "During the Christmas season Rev. Thomas Corbett, who has recently resigned his charge of the congregation at Blackville, N. B., was waited upon by members of the congregation and presented with a purse of money, while Mrs. Corbett received a like surprise in the shape of a handsome dog skin coat from the Ladies' Aid Society. Both gifts were accompanied by addresses appreciative of Mr. and Mrs. Corbett's work in the congregation, and wishing them a happy and prosperous New Year."

WANTED.—A case of Headache that KUMFORT Headache Powders will not cure within twenty minutes.

Rakings.

—Rev. Jos. Harvey, the oldest Baptist minister in the province, died at his son's residence, Woodstock, on Monday, aged 95 years.

—The municipal council of the County of Kent is in session here this week. A full report of the proceedings will appear in our next issue.

—The programme of the dramatical entertainment to be given by the R. A. D. C. next Tuesday evening will be found on page 7 of this issue.

—L. H. Cormier, general storekeeper at St. Mary's Kent county, is offering to compromise with his creditors at 40 cents. His liabilities are about \$3,300.

—The engine and snow plow of the K. N. R. were sent out on Sunday afternoon to clear off the track so as to prevent any delay on their regular trip on Monday.

—Smelts have been very plentiful the past week. On Monday a number of fishermen caught as many as a ton at one haul. This is considered good fishing.

—Just Received a fresh supply of Morin's Beef Iron and Wine, and Shiloh's Consumption Cure, that well known cough remedy. J. GOGAN, Kouchibouguac.

—A number of the young people of Richibucto met at the home of Mr. and Mrs. A. B. Carson, Rexton, on Tuesday evening, where a most enjoyable evening was spent. Refreshments were served.

—Mr. John Hains had his hand badly bruised while working on the K. N. R. train on Saturday. He will in consequence be laid up for some time. Dr. McWilliams, of Rexton, dressed his hand.

—Quite a sensation was caused in front of the Kent Hotel on Monday afternoon. Two dogs got mixed up in a quarrel which lasted for fifteen or twenty minutes. Blood was in evidence when the bout was finished.

—The people of Richibucto, and Kent County in general, will regret to learn of the death of Dr. Moody at his home in Windsor, N. S., on the 7th January. Deceased practiced in Richibucto for a number of years.

—Teas exclusively, teas imported directly from all the tea growing countries in the world. The best of these are combined in the UNION BLEND TEAS, of which Harry W. deForest, 1 and 2 Market Square, St. John, is the blender and proprietor.

—Richibucto and Rexton can now boast of one of the finest orchestras in the province. Some of the best musicians in Richibucto and Rexton have banded themselves together and have been rehearsing for some time. We expect to hear some good music in the near future.

—Sussex Record: Mr. Mark Teakles shot a fine specimen of the white owl in a field in the rear of Mr. Will Stockton's farm, on Monday last. It is a very rare thing for these birds to be found in this vicinity. A few years ago taxidermist Canell, of St. John, used to receive from 15 to 20 of them every winter from the North Shore, but recently they have become very scarce. They are worth from \$25 to \$30. Mr. Teakles is on the lookout for its mate, and is to be congratulated on his good fortune.

—On Christmas eve there was placed in St. Matthew's Episcopal church, Harcourt, by Mrs. J. W. Morton, in loving memory of her parents, the late James and Mary Hillson, of Shediac, a beautiful and costly three panel, memorial window. The center panel has a full figure of the Good Shepherd, and the side panels have the crown and lilies, etc., with appropriate passages of Scripture. The window was purchased from J. C. Spence & Sons, Montreal, and is pronounced a very superior piece of work. It will be dedicated shortly by His Lordship the Bishop of Fredericton.

—There was quite a lively time at the council board on Tuesday afternoon, when Mr. Geo. V. McInerney, formerly secretary of the county, resigned the position. There were three applications for the position, viz: F. J. Robidoux, H. H. James and Caleb Richardson. Several of the councillors took part in the discussion which took place, after which the vote was taken by ballot and Mr. Robidoux was elected by a vote of 15 to 5 Mr. James and Mr. Robidoux were both heard on the subject. Mr. McInerney made a neat speech on resigning which was loudly applauded.

—Posters are out announcing the dramatical entertainment which is to be given by the R. A. D. C. The date has been fixed for Tuesday, Jan. 21st. The popular drama "Because I Love You" will be presented and no doubt will be produced in as good a manner as "Hazel Kirke" was last year. The proceeds will be devoted to the extension and improvement of the Temperance Hall, and as the object is a most desirable one, they should be greeted with a full house. The Rexton orchestra will be in attendance. This will be their first appearance in public since their organization a short time ago, and some good music may be expected. Admission 25cts.; reserved seats, 35cts., children, 15cts.

Mother

"My mother was troubled with consumption for many years. At last she was given up to die. Then she tried Ayer's Cherry Pectoral, and was speedily cured."  
D. P. Jolly, Avoca, N. Y.

No matter how hard your cough or how long you have had it, Ayer's Cherry Pectoral is the best thing you can take. It's too risky to wait until you have consumption. If you are coughing today, get a bottle of Cherry Pectoral at once.

Three sizes: 25c., enough for an ordinary cold; 50c., just right for bronchitis, hoarseness, hard colds, etc.; \$1.00, most economical for chronic cases and to keep on hand.
