

Every Day Accidents

Burns, bites, stings, cuts and bruises all cause inflammation. Johnson's Anodyne Liniment cures inflammation. When the wounded spot is tingling with pain it is hard to have to wait for relief. So buy a bottle of Johnson's Anodyne Liniment to-day and you will be prepared for the worst. For ninety years it has been a household remedy. No other liniment ever had such a long, thorough trial and no remedy such popularity as Johnson's Anodyne Liniment.

It is equally good for internal as for external use—take it dropped on sugar, in a teaspoon. Sold in two size bottles, 25c. and 50c. The larger is more economical. Write for a free copy of "Treatment for Diseases and Care of the Sick Room."

RICHIBUCTO VILLAGE.

MARCH 24th.—Born on the 20th March to Mrs. Cyril T. Richard, a daughter, being her twentieth child.

Mr. P. M. Hebert, of Rexton, was in the place Sunday on a visit.

The roads from Richibucto Village Corner to Angustin McCaie's place, leading to Rexton, are in a very bad condition. The road-masters ought to look to this, and have the roads passable, as they are apt to be fined, for neglecting their duty.

REXTON NOTES.

MARCH 25.—On Tuesday of last week Mr. A. B. Carson was called to his former home in New Jersey to attend the funeral of his uncle.

KOUCHIBOUGUAC NOTES.

MAR. 24.—The freshet here last week was higher than for many years. On account of the ice jamming below the bridge the water could not get vent and backed up over the road on the south side to the depth of about four feet. Mr. Atkinson's store and dwelling were in danger of being carried away. For two or three days the only way of getting across the road was in a skiff.

Mr. Gus Johnston, of St. Louis, spent part of last week here.

It enriches the blood, strengthens the nerves, regulates the functions of the feminine organs and tones and invigorates the whole body.

KENT JUNCTION.

MARCH 22.—Although not very large in proportion to other town Kent Junction is a place well known to the travelling public. When a person first takes a glance around in the vicinity of the station he wonders where the people come from. That is on account of the few houses being so scattered. The woods in the vicinity of the Junction is noted for game of all kinds, especially moose and caribou, which are the most plentiful, and it is therefore a good resort for sportsmen during the shooting season. Mr. Horton, our well known postmaster, is a guide of no mean consequence, and can always be depended on to lead the sportsmen to excellent shooting grounds. A few very fine moose heads were got last year. Fishing on the Kouchibouguac is very fair, trout being plentiful. Last but not least, the special feature we are proud of is the wonderful little falls on the Kouchibouguac about one mile distant from the railway station. The falls which are very beautiful, are the work of man and not of nature.

Owing to the state of the weather this last week lumbering operations have been brought to a standstill, hauling having broken up, the men had to quit the woods leaving quantities of logs on yards. Old lumbermen claim this is the earliest breaking up known for years, and grave fears are entertained for steam driving.

HARCOURT NOTES.

The many friends of Miss Bertha Cail were grieved to hear of her death which occurred at her home at Smith's Corner on Thursday evening last. She had been ill for some time and her death was not unexpected. Her sister, Mrs. Rice, of Winnipeg reached here Thursday night but too late to see her sister alive. Mr. George Lumpkie and daughter Greta, of Campellton, arrived on Saturday to attend the funeral.

Mr. Otty Bailly, who for the last year has been serving with the garrison in Halifax has returned to spend a short vacation at his home before going west to join the Mounted Police.

Miss Miriam Kyle left on Saturday to spend a few days at her home in Fredericton.

Mr. Tupper Morton is home from Rothesay Collegiate School for the Easter vacation.

IPSWICH, MASS.

A very pleasing event took place on Wednesday evening, March 19th, at the home of Mrs. Hannah Spencer, when her daughter, Georgina W., and Mr. Charles E. King, of Rowley, were united in marriage by Rev. Mr. Fraser.

The bride was attended by her sister, Miss Laura Spencer of Salem, with Mr. J. Hammon acting as best man. The bride was becomingly attired in pearl gray laced-down with white silk and lace applique trimmings. Her bouquet was white pinks with maiden hair fern.

Following the ceremony was a reception after which several selections were pleasingly rendered by a male quartette of Rowley.

The young couple were well remembered with presents both useful and ornamental.
