#### Pains in the Back

Are symptoms of a weak, torpid or stagnant condition of the kidneys or liver, and are a warning it is extremely hazardous to neglect, so important is a healthy action of these organs. They are commonly attended by loss of energy, lack of courage, and sometimes by gloomy foreboding and dependency.

I was taken ill with kidney trouble, and became so weak I could scarcely get around. I took medicine without benefit, and finally decided to try Hood's Sarsaparilla. After the first bottle I felt so much better that I continued its use, and six bottles made me a new woman. When my little girl was a baby, she could not keep anything on her stomach, and we gave her Hood's Sarsaparilla which cured her. Mrs. THOMAS INNIS, Wallaceburg, Ont.

#### Hood's Sarsaparilla

#### Intestinal Indigestion

There are forms of indigestion and dyspepsia which can never be reached by ordinary stomach medicines and so-called digestants. The kidneys and liver are involved, and though the stomach may be all right, it is the part of digestion which takes place in the intestines that is imperfect.

All over the country are people who are suffering from just this kind of indigestion. They don't get well, because they don't use the right medicine. Dr. Chase's Kidney-Liver Pills are admirably suited for this very trouble. They act directly on the kidneys, liver and bowels, remove the cause, and make a permanent cure of intestinal indigestion, backache, and diseases of the filtering and excretory organs.

Dr. Chase's Kidney-Liver Pills are vegetable in composition, and remarkably prompt and effective in action. They are kept in thousands of homes as a standard medicine, and have proven by years of trial to be without a rival. One pill a dose, 25 cents a box. At all dealers, or Edmanson, Bates & Co., Toronto.

All the goods will be laid out in lots on the first floor, separate from our regular stock and prices marked in plain figures. Only one price will be asked or taken. First come, first served.

This will be a rare opportunity for country merchants to sort up their stock at much less than regular wholesale prices.

Of course these prices mean the sale will be conducted on spot cash lines. No goods charged whatever. No goods allowed on approval but money will be cheerfully refunded if not satisfactory.
