 —The lobster pack in Newfoundland like that of Cape Breton this year, is a failure. The shortage is attributed to the prevailing stormy weather. In Cape Breton where an extension of the season was this year granted, a number of the packers closed their factories, refusing to take advantage of the ten days. The shortage in the lobster catch in Newfoundland and Cape Breton this year will no doubt increase the price and thus help make up the shortage in the catch.

Hair Splits

"I have used Ayer's Hair Vigor for thirty years. It is elegant for a hair dressing and for keeping the hair from splitting at the ends."—J. A. Gruenfelder, Grantfork, Ill.
Hair-splitting splits friendships. If the hair-splitting is done on your own head, it loses friends for you, for every hair of your head is a friend.
Ayer's Hair Vigor in advance will prevent the splitting. If the splitting has begun, it will stop it.
