KENT COUNTY COUNCIL.

AFTERNOON SESSION.

January 16, 1902.

Council called to order at two o'clock. Coun. McKee asks the indulgence of the Council until two o'clock to-morrow, to put in his report for the wharf committee as he is unable to have it ready this afternoon, on account of not being able to see some parties. Granted.

It was moved by Coun. Richard, seconded by Coun. Johnson, and resolved, that a committee of three be appointed to investigate the Treasurer's account of the financial position of the county, to report Saturday morning at ten o'clock.

Couns. Poirier, Roach and Clark were elected as a committee for this purpose. Coun. Peters submits his report as chairman of the Debenture committee. After duly advertising for tenders in the "Royal Gazette," the "Daily Sun," and "Daily Telegraph," several tenders were received, and the committee disposed of \$16,000.00 in new Debentures, bearing interest at 4 per cent. and running 25 yrs., and with the proceeds paid all outstanding interests of Kent County debentures, \$16,000.00.

It was moved by Coun. Barrieau, seconded by Coun. Johnson, and resolved that this report be accepted, and that the old debentures be looked over by the Finance committee to see that they are all there and afterwards destroyed. Coun. Johnson again brought up the matter of the Auctioneers and Pedlars. Quite a discussion followed taken part in by Councillors Clark, Hebert, Johnson, Lockhart and Morton. A motion was made and withdrawn.

Mr. McKee read a petition from a number of rate-payers in St. Anne, in the Parish of Wellington, complaining that cattle and pigs were allowed to run at large, near the Roman Catholic Chapel causing much annoyance.

It was moved by Coun. McKee, seconded by Coun. Richard, and resolved, that they have the right to-morrow afternoon to bring in a bill, amending the by-laws for the parish of Wellington. Carried.

Coun. Peters, on motion read a communication from the Rexton Agricultural Society, asking protection from the Council against dogs killing their sheep. Coun. Peters said that the object of the petition was to have the Council see that the dog tax was collected so that there be a fund for this purpose.

It was moved by Coun. Peters, seconded by Coun. McKee that the Council adjourn until ten o'clock to-morrow, to allow the Finance Committee to go into session.

MORNING SESSION.

Opportunities for Saving Money.

We are offering grand opportunities to save money. We have made great reductions on all our winter goods, and big bargains can now be had at our store. There are no old goods, all are good new stock bought in the best markets of the world and now offered at prices so low as to defy all competition. Last week we advertised a cut in prices of Ladies' Jackets and Men's Underwear but since then we have cut down the prices of so many articles that the space here will not permit us to give anything like a list, but call at our store and see the goods and we shall be only too pleased to quote our lowest prices. We wish to clear out a lot of goods to make room for spring stock so big bargains may be expected.

A. & R. LOGGIE

January 17, 1902.

At ten o'clock, the Warden calls the Council to order.

Minutes of yesterday read and approved.

The following were elected as the July committee: Couns. B. J. Johnson, John McKee and Fred S. Peters.

The committee appointed to confer with the Royal Bank of Canada at Rexton, submits its report, which is accepted upon motion by Couns. Richard and Johnson.

Coun. Morton gave notice that if there was nothing before the Board that he was going to move a by-law on Saturday morning. At the request of Couns. McKee and Daigle, Dr. Bourque, chairman of the Health Committee submits his report. He reports that the health of the County at the present time is good. With the exception of a few cases of measles, there is no sickness to speak of. The few cases of Typhoid fever, which we have had in the County were due to the scarcity of water, and that at the season of the year when the wells are low, we ought always to remember to boil the water, which we use for drinking purposes. Smallpox, although raging not far away, had again spared us, but that we, of course, did not know when it might be introduced into our County. The committee therefore recommended that the Municipality vote the sum of \$500.00 to be held in fund, in case of smallpox.

On motion by Couns. Johnson and Richard, the report was accepted.

Coun. Morton made a motion, seconded by Coun. Hebert, that the Treasurer transfer the sum of \$2.00 from Michael Harnett to the credit of Robert MacPherson. Coun. Peters said that he did not understand how this could be done. Coun. Johnson moved as an amendment to this motion that it be laid on the table until two o'clock this afternoon. Resolved.

Coun. Johnson spoke with reference to the fund asked for by the Board of Health and moved that \$500.00 be held as a fund in case of smallpox. The motion was favored by Coun. McKee and Coun. Richard with some slight amendments. It was left over till a later period.

On motion by Couns. Richard and Johnson, it was voted that \$525.00 be assessed for the maintenance of the poor in the parish of St. Louis.

Moved by Coun. Johnson, seconded by Coun. Richard and resolved, that the Treasurer be authorized to pay for the printing of the reports and pamphlets as soon as the work was done.

On motion by Coun. McKee, seconded by Coun. Magloire Girouard, it was voted that \$660.00 be assessed for the support of the poor in the parish of Wellington. Carried.

Moved by Coun. Girouard, seconded by Coun. Cormier, that \$230.00 be voted for the support of the poor in the Parish of St. Mary's. Resolved.

Moved by Coun. McKee, seconded by Coun. Richard, and resolved, that this Council adjourn until two o'clock to allow the Finance Committee to go into session.

C. church at St. Ann, along said post road, and that a fine of \$1.00 be imposed on each and every such animal so going at large, and that the fine be collected by a Justice of the Peace in said parish and the proceeds paid over to the overseers of the Poor of such Parish.

Moved by Coun. Sanblair, seconded by Coun. Clark, and resolved, that \$25.00 be assessed on the Parish of Harcourt for the maintenance of poor for the ensuing year.

Coun. Pineau stated there were no poor in the Parish of Acadieville, although all were poor.

Moved by Coun. Hebert, seconded by Coun. Peters and resolved, that \$650 be assessed for the maintenance of the poor in the Parish of Richibucto.

Moved by Coun. Peters, seconded by Coun. Daigle, and resolved that the sum of \$25.16 be paid Placide D. Richard, and \$2.98 to John H. Robichaud, and charged to the Parish of Richibucto.

Coun. McKee here said that he had an account which had been sent to the Finance committee and which he wished to bring before the board. It was from Dr. Doherty, holding the County liable for some valuable sheep which had been killed by dogs, and claiming from the Council, two thirds of \$102.00, that is, two thirds of the amount of his loss.

Quite a discussion followed, taken part in by Councillors Richard, Johnson, Hebert, Clark, Morton and Barrieau. Coun. Peters said that he did not wish to take up the time of the Council unnecessarily, but that he had studied up the matter considerably, and he considered that the Council were not responsible for the doctor's loss. He then asked Mr. Carter for his opinion. Mr. Carter said that he had been appointed by the doctor to look after his interests, and tried to

show the Council how they might be liable.

The Clerk of the Peace, Mr. Hutchinson, was then called upon for his opinion. He said that he considered that this county is not liable. After some further discussion, Coun. McKee said that the Council would have to be very careful or it might get the County into a lawsuit, and he thought that this bill should be laid by for further consideration.

Moved by Coun. Pineau, seconded by Coun. Lockhart, and resolved, that Dr. Doherty's bill be laid by for further consideration.

Sheriff Leger is heard in reference to the revision of the Electoral lists. Revisors in some parishes had neglected to comply with the requirements of the law, and did not state in their lists, the place of residence of non-residents. He called the attention of the Councillors particularly to this matter, as it was a very important one. Coun. McKee spoke a few words in reference to the subject. Coun. B. Johnson also spoke on the matter and said that we had to pay \$200.00 every time the Electoral list was revised, and he thought that the Local Government should pay, at least part of the cost of revising the lists. He therefore moved that the Government be memorialized, through our Secretary, to refund to us one third of the cost of revising. He was seconded by Coun. Richard, Coun. Peters thought that the only mistake Mr. B. Johnson was making was in not asking that the whole amount be refunded, and he asked Mr. Johnson to move an amendment. He did so, and the Warden put the motion, viz. that the local government be memorialized by the Secretary to refund the costs of revising the lists. Resolved.

Coun. McKee said that before the session closed, he would ask the Council to pay the Revisors, according to the size of the parish.

Moved by Coun. Lockhart, seconded by Coun. Poirier and resolved, that 70c. be paid to Marguerite Goguen, and the same amount to Dumitilde B. Goguen, taxes for 1901 refunded to them, and charged to the parish of Duntas.

Moved by Coun. Peters, seconded by Coun. Hebert, and resolved, that the Treasurer be ordered to pay the Bye Road Commissioner in District No. 3, Richibucto, \$19.77, deposited with him from that district.

Moved by Coun. Pineau, seconded by Coun. Barrieau, that the Treasurer pay Andrew N. Pineau the sum of \$9.00 money which was put in the treasury for lands sold.

At the request of Coun. Morton, Coun. Barrieau informs the Council, that land belonging to the Municipality in the Parish of Acadieville has not been sold.

Two bills of Stipendiary magistrates, were referred to the Council by Coun. McKee, chairman of the Finance committee, as some of the committee were of the opinion that the salary paid the Stipendiaries should cover the amount of these bills.

Mr. James asks permission to speak in reference to his bill.

The Clerk of the Peace, Mr. Hutchinson, states that the salary paid to Stipendiary Magistrates, is not sufficient compensation in trying cases. The above bills

HAD LAME BACK FOR EIGHT YEARS.

The Terrible Experience of a Nova Scotia Gentleman, and How he was Cured.

After such a long period of suffering he is entirely restored to good health by Dodd's Kidney Pills—He is very grateful.

BRIDGEWATER, N. S., Jan 27, (Special)—Mr. John S. Morgan, a prominent man of this place, has had a terrible time with his back for eight years, but now he is receiving the congratulations of his friends on his complete and satisfactory recovery.

To look at Mr. Morgan to-day one would never suspect that he had been the victim of so much torture, and for such a long time, and yet from his own statement the pain he has endured must have been something awful. He says:

"For eight years I have suffered the most severe pain in my back. I had gradually grown worse till at last I was completely crippled up."

"I heard of Dodd's Kidney Pills as a remedy for Lame Back, but as I had tried so many things without any benefit I was beginning to lose all faith in anything. However, I decided to try them, and I can truthfully say I am heartily glad I did so, for they cured me."

"I had run down in weight to about 140 pounds, but during the time I was using the Pills (I used in all about twenty boxes) I regained about 23 pounds."

"Of course I realized my danger, and when I found that Dodd's Kidney Pills were helping me I stuck right close to them after commencing till I was perfectly well again."

Everyone who knows Mr. Morgan knows that he means every word he says, and much interest has been aroused by the publication of his statement.

Dodd's Kidney Pills are well known to be a sure cure for all cases of Lame Back and Kidney Trouble.

INTERPROVINCIAL TRADE IN LIVE STOCK.

Trade in live stock between Eastern and Western Canada has been growing rapidly within the last few years. This increase of trade has been promoted, and in fact made possible, by the wise and generous treatment of the C. P. R. During the month of December and the first eight days in January, forty-six cars of grade and pure-bred cattle were shipped from Eastern Canada to British Columbia. These cars contained 2,223 head, and cost in the East something over \$30,000.00. Besides these, a considerable number have recently been sent to the North West Territories, and orders are now in hand for additional shipments to be made to the last mentioned Territory. In order to promote this trade, which has proved very profitable in many districts in Eastern Canada, farmers should use first class Shorthorn bulls. By careful selection and wise treatment females sired by such bulls will prove excellent dairy cows.

It is a noticeable fact that seven-tenths of the stock used for dairy purposes in Great Britain are Shorthorns and Shorthorn grades. Probably the most suitable dairy cow for the average farmer is a Shorthorn-Ayrshire cross. Steers whose dams are strong grade Ayrshire cows if got by a Shorthorn bull prove excellent feeders and very desirable shipping cattle. As dairy animals there are none, in the hands of the general farmer, that will excel that Shorthorn-Ayrshire cross.
