His Majesty's Government having, upon the application of the Association formed in Fredericton, July, 1831, proposed to grant Leases on very advantageous terms, of any district or Districts in which Coal may be found, and to extend every reasonable encouragement to a Company formed for Mining purposes, with a sufficient capital; the Members of the Association are desirous of forming a Company under the sanction of the Legislature, with a capital of

to be divided into One Thousand Shares, of Ten Pounds each; and are willing to surrender to such Company, any particular privilege to which they might entitle themselves, on the following conditions:—

First—That the present proprietors be allowed credit in the New Stock, for the amount they have already paid, with interest—and that any who desire to relinquish their stock, shall receive back the amount so paid, with interest.

Second—That the New Company shall become possessed of all the rights and property, of the Association, and entitled to all the profits or proceeds of Coal, subject to all the charges and expenses, paid or incurred.
