## THE GLEANER.

An Act to authorize the Justices of the Peace in the County of Kent, to levy an assessment upon the Inhabitants of the said County, to discharge the debts due from the same.

Passed 22d March, 1834.

Whereas the Justices of the Peace of the County of Kent have heretofore levied the whole sum which they were empowered to raise by Assessment: And whereas the same has been found insufficient to discharge the debts due from the said County?

Be it therefore enacted by the Lieutenant Governor, Council and Assembly, That the said Justices of the Peace for the said County of Kent, at any General Sessions of the Peace hereafter to be holden, or at any Special Sessions of the Peace to be for that purpose convened, be and they are hereby authorized and empowered to make such further rate and assessment, not exceeding three hundred pounds, as they in their discretion may think necessary, for the paying off the debts due from the said County, in such parts and at such times as the said Justices or the major part of them then and there assembled may think necessary for the purpose of paying off the debt now due, or to become due: the said sum or sums to be assessed, levied, collected and paid under and by virtue of any Act or Acts, which are now, or hereafter may be in force in this Province for assessing, levying and collecting of Rates for Public Charges.

An Act to provide for the establishing and maintaining of Booms for securing Masts, Logs, and Lumber in the County of Gloucester.

Passed 22d March, 1834.

Whereas it has been found necessary to erect Booms in the several rivers in the County of Gloucester, for the purpose of securing such timber as may be hauled out and thrown into the same respectively, until it can be conveniently rafted by the respective owners: And whereas it is expedient that proper regulations should be established to insure the delivery of the same to the owners?

I. Be it therefore enacted by the Lieutenant Governor, Council, and Assembly, That it shall and may be lawful for His Majesty's Justices of the Peace, for the said County of Gloucester, and to appoint Boom Masters from time to time, and to fix their fees for erecting and attending to such Booms, and superintending the safe delivery of the Lumber passing through the same: Provided always that no Special Sessions for the said purpose shall be held unless five Justices shall be present.

II. And be it enacted, That any person or persons who shall violate any of the Rules so to be made as aforesaid, shall forfeit and pay a sum not exceeding five pounds with costs, for each and every offence, to be recovered on conviction thereof, by the oath of one or more credible witness or witnesses, before any one of His Majesty's Justices of the Peace for the said County of Gloucester, to be levied by warrant of distress and sale of the offender's goods and chattels, rendering the overplus, if any, to such offender; and for want of sufficient goods and chattels whereon to levy, the said Justice is hereby authorised and required to commit such offender to the common goal of the said County, or if the said offence be committed on the Ristigouche river, to either of the Lock-up Houses situate at Campbelltown or Dalhousie, there to remain for a term not less than twenty-four hours, and not exceeding twenty days.

III. And be it enacted, That one half of every penalty which may be recovered for the breach of any rule or regulation to be made by virtue of this Act, shall be paid to the person or persons who shall prosecute for the same, and the other half thereof shall be paid to the Overseers of the Poor of the Town or Parish, where such offence had been committed, to be applied to the use of the Poor of such Town or Parish.

IV. And be it enacted, That it shall not be lawful for the said Justices to grant permission for the erection of any Boom or Booms which may operate to the injury of any Trade or Business carried on in any of the said Rivers, or of Private Rights.

An Act to continue an Act, intituled 'An Act for the regulation of Booms for securing Masts, Logs and Lumber in certain parts of the County of Northumberland.'

Passed 22d March, 1834.

Be it enacted by the Lieutenant Governor, Council and Assembly, That an Act made and passed in the fourth year of the reign of his late Majesty King George the Fourth, intituled 'An Act for the regulation of Booms for securing Masts, Logs, and Lumber in certain parts of the County of Northumberland,' be and the same is hereby continued, and declared to be in force until the first day of May which will be in the year of our Lord one thousand eight hundred and thirty nine.

An Act to protect the Gaspereau Fishery in the Harbour an' River of Miramichi, in the County of Northumberland.

Passed 22d March, 1834.

Whereas the Gaspereau Fisheries in the Harbour and River of Miramichi, are likely to become seriously injured, in consequence of the catch being continued to too late a period in the season?

I. Be it therefore enacted by the Lieutenant Governor, Council and Assembly, That from and after the passing of this Act no Gaspereau shall be taken in the Bay, Harbour or River of Miramichi, or its Branches, within the said County, after the Twenty fifth day of June in each and every year, under the penalty of ten pounds for each and every offence against the provisions of this Act, to be recovered and applied in the same manner as the penalties are directed to be recovered under any of the Laws now in force for the protection of the Fisheries in this Province.

II. And be it further enacted, by the authority aforesaid, that no Gaspereau caught in the River Miramichi or any part of its Branches shall be applied for the purposes of manure, under the penalty of forty shillings for each and every offence, to be recovered and applied in like manner as the penalties in the first section of this Act are directed to be recovered and applied.

An Act to facilitate summary proceedings before Justices of the Peace, and the execution of Warrants by Constables.

Passed 22d March, 1834.

I. Be it enacted by the Lieutenant Governor, Council and Assembly, That wherever in any Act of Assembly, or of the Imperial Parliament, now in force or hereafter to be made, any penalty or forfeiture is or shall be directed to be recovered before any Justice or Justices of the Peace, such penalty or forfeiture may be levied and recovered by Warrant of Distress of of the offender's goods and chattels, under the hand and seal of such Justice, or hands and seals of such Justices, unless otherwise expressly directed by the Acts aforesaid imposing such penalty or forfeiture, and it shall and may be lawful for such Justice or Justices granting such Warrant therein to order and direct the goods and chattels so to be distrained, to be sold and disposed of within a certain time to be limited in such Warrant, so as such time be not less than two days, nor more than four days, unless the penalty or sum of money for which such distress shall be made, together with the reasonable charges of taking and keeping such distress be sooner paid; and that in any case where the Justice or Justices is or are empowered to award costs to be paid by the offender, it shall and may be lawful for such Justice or Justices to include the same in the warrant of distress and sale, specifying the amount so awarded for costs in such warrant, and therein directing the same to be levied, in addition to the penalty in which the party may have been convicted, by distress and sale of the offender's goods and chattels.

II. And be it enacted, That the officer making such distress, shall and is hereby empowered to deduct the reasonable charges of taking keeping and selling such distress, out of the money arising by such sale, and the overplus (if any) after such charges, and also the said penalty or forfeiture and costs (if any) mentioned in such warrant, shall be fully satisfied and paid, shall be returned on demand to the owner of the goods and chattels so distrained, and the officer executing
