THE ATLAS MAGAZINE.—The Subscribers purpose to publish, on the 1st day of January next, the first number of a Magazine under this title, which will be punctually issued on the 1st and 15th of every month. The work will contain the choicest gems of Literature, selected with the utmost care from the best literary journals both of Europe and America. For the peculiarly unique design and plan of this work, the subscribers are indebted to the former proprietors of the Atlas, who were intending to issue the paper on the 1st January, on a somewhat similar plan.

The Atlas Magazine will be published on fine type and beautiful paper, in the admired and exceedingly popular form of the London periodicals, expressly for binding; and will comprise a greater quantity and variety of Literary Miscellanies than any publication of this class ever issued in America.

In addition to 16 quarto pages, will be presented with each number a superb copper-plate engraving; a copious index and handsome title-page will also be supplied at the close of the volume, which will render it not less adapted to the library than to current use.

The terms are unusually low—being fixed at three dollars per annum, in advance, or four dollars out of the United States, always in advance.
