THE NEW YORK ALBION. TO OUR SUBSCRIBERS. In our last we announced our intention of issuing to our Subscribers two PLATES in the course of the ensuing year, the subjects being the Duke of Wellington, and Windsor Castle. It has occurred to us that it might be acceptable to our readers, if we were to select an American subject for one of our prints. This would seem to be but fair to our numerous American subscribers, as most of our previous plates have consisted of English subjects: we have accordingly determined upon adopting this course. Consistently with this determination, and with our most careful endeavour to present that which shall be equally acceptable to all, we purpose to offer in due course the portrait of Washington.
