

Upper Canada, relative to the reconstruction of Brock's Monument, which had become necessary in consequence of a late wicked attempt at its destruction.

Major SALTER having been called to the chair, and Adjutant CROCKER having been appointed Secretary, Major Salter, in opening the proceedings, read the communication and resolutions above referred to, after which the following Resolutions were unanimously adopted:

Resolved—That the brilliant success which attended the late Sir Isaac Brock during his eventful military career in Upper Canada, and the valour and fidelity with which he served his King and Country on all occasions, and particularly on the memorable occasion, when he fell in the midst of victory, contending against a host compared with his army, rendered his memory dear to every British subject in the Colonies, inasmuch that a Monument had been erected on Queenston Heights, to perpetuate his fame.

Resolved—That this Meeting view the late attempt at the destruction of the Monument of Brock, by a wicked and treacherous hand, with the most perfect disgust and abhorrence.

Resolved—That although this Meeting feel amazement that the Tomb of a lamented Veteran, esteemed by all while living, should have needed protection even against the most worthless of mankind, yet we cheerfully embrace the present opportunity of shewing our attachment to the memory of Brock, and the principles he died to perpetuate, by aiding in the re-construction of a suitable Monument to the departed Hero.

Resolved—That the Officers of the Second Battalion Northumberland Militia, will cheerfully contribute a sum equal to one day's pay of their respective ranks, when on actual service, towards the re-building of Brock's Monument, and they feel satisfied that the Non-Commissioned Officers and Men will do likewise.

Resolved—That this Meeting tender to Sir George Arthur, Lieut. Governor of Upper Canada, their sincere thanks for his promptitude in calling attention to the reconstruction of Brock's Monument.

Resolved—That the Captains of the respective Companies make the necessary Collections from their Companies, and pay the same when collected into the hands of Major Salter, who shall transmit the amount, together with any donations that he may receive, to the Adjutant-General of this Province, on or before the 10th July next, to be by him transmitted to the Adjutant-General of Militia of Upper Canada, for the purposes aforesaid.

Resolved—That Major Salter be requested to forward the foregoing Resolutions to the Hon. George Shore, Adjutant General of this Province.

Major Salter having left the Chair, and Captain Betts having been called thereto: Resolved unanimously—That the thanks of the Officers of this Battalion be given to Major Salter, for his able conduct in the Chair.

DAVID CROCKER, Adjutant
Second Batt. North'd. Militia.

A similar Meeting to the above, we understand, was held on Friday week, of the Officers of the 1st Battalion Northumberland Militia, but we have not as yet been furnished with the particulars.

COUNTY RESTIGOUCHE.

A meeting of the Officers of the First Battalion Restigouche Regiment of Militia, was held at the Court House in Dalhousie, on Saturday, the 9th day of January. Lieutenant Colonel R. Ferguson, in the chair, to take into consideration a communication received from the Adjutant General of Militia of this Province, relative to the destruction of Brock's Monument.

The chairman having made known the subject of the meeting, read the several following resolutions, passed by the Militia of Upper Canada, on the 30th July and 17th August last, for the purpose of adopting measures for the reconstruction of the Monument, sacred to the memory of the late lamented Sir Isaac Brock, who gloriously fell while cheering on his troops to the fight, in the service of his King and the protection of these Colonies—when

A. Barbarie, Esq. was requested to act as Secretary.

The following Resolutions were moved and unanimously adopted.

1st. That this meeting have learned with feelings of detestation and horror, the atrocious act committed by vile hands for the destruction of the monument erected to the memory of the late Sir Isaac Brock, on Queenston Heights.

2d. That the proceedings held on Queenston Heights, by the loyal inhabitants of Upper Canada, on the 30th July last, for the purpose of adopting measures for the re-construction of the Monument to the revered memory of the late lamented Sir Isaac Brock, have been communicated to this meeting, and viewed with feelings of unfeigned satisfaction and regard.

3d. That the Officers of this Battalion do contribute a sum equal to one day's pay of their respective ranks; and that Officers commanding companies do communicate to their respective companies, the proceedings of this meeting, and be requested to receive from the non-commissioned officers and men, a sum equal to one day's pay, or such sum as they may be disposed to contribute.

4th. That the funds collected be paid over to Lieutenant Colonel R. Ferguson for the purpose of being transmitted to the Adjutant General of Militia of this Province, and by him remitted to the Adjutant General of Militia of Upper Canada.

The thanks of the meeting were then given to Lieutenant Colonel Ferguson for having called the meeting, and for his conduct in the chair.

A. BARBARIE, Secretary.

FREDERICTON SENTINEL.

The Editor of the Sentinel has at length acknowledged his error. Hear what he says in his paper of the 16th inst.

"The last Miramichi Gleaner contains another letter from one of the clique in that quarter; and there is an editorial also, in reply to our remarks which were called forth, by an attack made in a previous number of that paper. It seems that we inadvertently mentioned the County of Northumberland, instead of that of Gloucester, when alluding to the attempts which we understand were making in Bathurst to injure the circulation of the Sentinel, and we did not see the first number of the Gleaner, which was meant to call our attention to the circumstance, or we should have promptly corrected it. But it was so evidently a mistake, every allusion in both our notices referring to Bathurst, that it could never have given offence to any individual, in the County of Northumberland, for which certainly the charge was not meant.

"The writer in the Gleaner makes some good natured observations as respects the allowance made for reporting, and the appointment of the Editor of this paper as an Emigrant Agent, in which it is unnecessary to reply. The former vote is satisfactory to the people of the Province generally, as without it they could not possibly have the reported debates. As to the latter, the writer in question is evidently one of those who would not encourage emigrants to settle in the Province, and is therefore not capable of deciding correctly as to the appointment. Of this we are satisfied, that had proper pains been taken last year to induce these people to penetrate into the interior of the Province,—and had there been an officer at Fredericton, to assist them in selecting places for settlement, a large proportion of those who went to the United States, would have remained in New Brunswick."
