6 Miles from Fredericton.

Containing about 900 Acres of excellent LAND, at present divided into two FARMS, with about 200 Acres clear and in good order—each field being well fenced. There are about 150 Acres of Intervale Land of the best quality, not to be surpassed by any Island Land in New Brunswick. The Property is well watered: there being three streams running through it, one of which runs past the House. Every field is well watered. The Wood Land grows Birch, Beach, Maple: and below the Royal Road, which runs through the Property, the Wood never has been called, and it would take years to get the Logs off.—There is an excellent Saw Mill not more than a quarter of a mile from the Property; to which the Logs can be taken by water, or by the same stream to the river St. John, which is distant from 3 to 4 miles.

The BUILDINGS on the above Property are of the best description. The principal House is built in the Cottage style and now, cost £700, finished after the European fashions. On the first floor there is a Drawing Room, Dining Room, Parlour and China Room: up stairs there are 5 Rooms, with closets fitted with Stoves. There is a Cellar Kitchen with Scullery Room, Milk Room and Long Cellar, —a Summer Kitchen attached to the Parlour. The Out Houses are of the first order, comprising a large Barn, large enough to contain 40 Tons of Hay, Stabling for seven horses, an excellent Cow House, built last year, which will hold 10 Cows, each cow having her own stall and loft for hay. A new Stable, Coach House, Sheep and Cattle Sheds, a Calf House nearly finished, Poultry House, Wood Shed, Sleigh do., a Root House, built last year, large enough to contain 1200 bushels of Potatoes, (nine feet in height) an excellent Garden laid out in the best manner by a Gardener from England, planted with choice Fruit Trees and Flowers at a great expense. This Farm will cut from 60 to 70 Towns of Hay.

On the other Farm are about 20 Acres of Cleared Land, with a new frame house built last summer, well finished, also a new Cow House.

Any one wishing to invest money cannot have a better opportunity. Terms of payment will be made easy, but as the owner intends leaving the Province on account of ill health, it will be sold as low as possible.

The Title can be seen at the Office of the Hon. G. F. Street, Sol. General, Fredericton. Application to be made to A. Deuchar, Halifax, or to T. Deuchar, on the premises. Fredericton, January 13, 1842.

J M JOHNSON.  
26th October, 1841:

**THE SPIRIT OF THE TIMES.**

Will commence a New Volume—the 12th—on the 5th of March next, under circumstances calculated to render this 'Chronicle of the Turf, Field Sports, Literature and the Stage,' more attractive and popular than ever. The Editor's attention being now solely directed to his peculiar department, he confidently hopes to render it much more varied, and interesting, while the new Publisher and Proprietor will make every effort to place the paper in the hands of its readers in a style of unusual elegance. He has the satisfaction of announcing that the Portrait of MANMOUTH ECLIPSE, engraved on Steel, by Dunnell, after the original painting by Troye, is now in the printer's hands, and will be issued with No. 1, of the new Volume,—March 5th.

This portrait will be immediately followed by a magnificent mezzotinto engraving on Steel—the largest specimen of the art ever published in America—the subject being a superb Portrait, from the original painting by Troye, of GREY EAGLE, the Champion of Kentucky, which is in the hands of Messrs. Jordan & Halpin. This beautiful picture is nearly ready, a few days more only being required to give it the highest finish.

But there is another costly embellishment in progress which of itself is worth the price of subscription. We are able to announce that it is in a state of great forwardness, in the hands of Mr Dick, one of our most eminent artists, who will give it the highest degree of finish of which it is capable, under the personal direction of Mr Henry Inman—the Sir Thomas Lawrence of America: We refer to the beautiful portrait of—Col. JOHNSON, 'The Napoleon of the Turf,' for which he set to Mr Inman, during his last visit to the North, at the request of a numerous body of friends. The Portrait is considered by the subject of it, and by his intimate acquaintances, as a remarkably faithful and striking likeness, and no expense will be spared in bringing it out in the most superior manner, at an early day.

Price of Subscription, \$10 in advance. New Subscribers who remit two year's subscription, will be presented with the following large and elegant Portraits, engraved on steel plates, from original paintings:—Boston, Leviathan, Black Maria, Monarch, Shark, Argyle, Wagner, Hedgford, John Bascombe; and a Portrait, in character, of Middle Augusta, the popular *Danseuse*.  
New York, Feb. 19, 1842.

**BULWER'S NEW NOVEL, "ZANONI."**

That 'some things can be done as well as others,' is a fact, which we have so frequently demonstrated in this journal, that any new elucidation of it seems rather superfluous. Nevertheless, we thought that we would, on the present occasion, far out-do all our former achievements by way of placing beyond the possibility of question the immense facilities enjoyed, and enjoyed exclusively by the NEW WORLD. Let it, therefore, be proclaimed far and wide, by those numerous friends who will exult with us, that the New World, newspaper, edited and published at 39 Ann Street, New York, has purchased at great expense, and alone received from England, the MSS. and proof-sheets of a new Novel by the author of 'Pelham,' 'Rienzi,' 'Night and Morning,' &c. and that its republication will proceed rapidly. Subscribers, therefore, to be fully supplied, should send in their names and remittances instantaneously. They may depend upon a vast store of delightful reading for a long time to come.

Also, just commenced, a new Novel by W. H. Ainsworth, author of 'Tower of London,' 'Guy Fawkes,' &c. &c. entitled

**THE MISER'S DAUGHTER.**

a new work by the author of 'Ten Thousand a Year.' All these will be given in addition to the original works heretofore advertised, with beautiful engravings on wood. New Subscribers can be furnished from the commencement of the present Quarto volume, beginning 1st January last. Terms, \$3 a year, in solvent bank Notes under 5 per cent. discount in this city.

New York, March 19, 1842.  
Those persons, in Miramichi, who receive the New World, and Youth's Gazette, and have not paid their Subscription, will please do so without delay, as all payments are required to be remitted in advance.  
C. J. COOKE, Agent.
