

Saturday, the 13th day of August, 1842: Present.

Robert Ferguson, John Montgomery, Dugald Stewart, Adam Ferguson, Peter Sutherland, and Joseph Hunter, Esquires.

The Clerk of the Peace having read a circular received by him from the hon. William F. Odell, Secretary of the Province, by direction of his Excellency the Lieutenant Governor, requiring a special meeting of the Magistrates, to be called for the purpose of taking into consideration the present state of the county, with a view of raising means thereon to alleviate any immediate distress, if any should prevail;

Whereupon it was unanimously Resolved, That the Justices regret to learn from the above Circular, that so much distress exists in various parts of the Province; that although the inhabitants of this county, in common with other parts of the Province, have in some degree experienced the effects of the present distressed state of trade, yet they have reason to be thankful to Divine Providence, that the distress so felt has been but temporary, and that all cases of actual want have hitherto been relieved by the proper parish officers.

That in acknowledging the humane and benevolent consideration of His Excellency the Lieutenant Governor, the Magistrates in Special Sessions for the county of Restigouche, are happy in being able to inform His Excellency, that the Loan recommended is not required in the county at present, and the Magistrates in Sessions do not consider themselves authorized to pledge the credit of the county for a Loan, in anticipation of any distress that may hereafter occur.

Extract from the minutes,

A. BARBERIE, Clerk.

EARLY CROP.—We understand a field of Oats, fully ripe, and of an abundant crop, was cut in N. pin, by Mr Mungo Wilson, a few days since.

In the early part of last week, we experienced a continuance of murky, wet weather, and fens were entertained to the wheat crop, would affect the standing grain; but for the last three days, there has been beautiful weather—a dry N.W. wind, with a hot sun—which will allay all fears, and bring to maturity the numerous fields of grain in the surrounding country.

THE BOUNDARY.—The latest papers from the United States have been received at St. John, by the North American. They state that the Boundary Treaty has been signed by Lord Ashburton and Mr Webster, and sent to England by Capt. Wright, who took passage in the Great Western. The Treaty had not received the sanction of the Senate, but it would probably be laid before that body at an early date.

ARRIVALS AT HEA'S HOTEL.

August 13—Mr M'Ge, Sh. diae. 15—Mr D. Wark, Richibucto. 16—Mr Benjamin Stevens, Carlton. 18—Mr John Jardine, Richibucto. 19—Mr S. B. Hetherington, do; Mr O. Willard, from St. John, N. B. 20—Mr Miller, Richibucto; Mr Z. Phinney, do.

INTERESTING TO LADIES.—The brilliant transparency of a fine complexion is one of the most valuable components of FEMALE BEAUTY! When nature has been niggardly in this respect, or where it is desired to preserve or heighten her charms, ROWLAND'S KALYDOR (a vegetable exotic production) has been found the only efficacious, and at the same time innocuous preparation.

In removing every unsightly irregularity of the skin, whether occasioned by illness, irritation of the surface from exposure, either to cold winds, the sun, sea breezes, or other accidental causes, the operation of the KALYDOR is certain, expeditious, and delightfully soothing and refreshing—never failing to realize a healthy and radiant bloom.

DEATHS.

On Sunday evening the 17th inst. at the residence of her Son, Thomas W. Underhill, Esq. after a short and severe illness, which she

bore, with christian fortitude, Abigail, the wife of British Nathaniel Underhill, Sen. aged 73 years, leaving a widowed husband, a numerous off-spring, and a large circle of relatives, and acquaintances, to lament the loss of an affectionate wife, a kind mother, and a good neighbor.

At Chatham, on Monday evening last, Robert Little, infant son of Mr. Alexander Frazer, aged 16 months.

At the Wesleyan Mission House, Petitcodiac Circuit, after a brief but severe affliction of rheumatic fever, Rev. Peter Sleep. He was a most zealous and devoted servant of God; very successful as a Minister of the Gospel; beloved by the people of his charge; and greatly esteemed by his brethren in the New Brunswick District.

TO-DAY'S MAIL.

The mail arrived at 2 o'clock. The only news it brings is a rumour—that the Boundary Treaty was laid before the Senate, and ratified, but the report seems to be doubted in the papers.—President Tyler returned the Tariff Bill to the Senate on the 9th, with his objections.—The Colonial papers are filled with the news by the Britannia.

STEAMER ST. GEORGE.

The above vessel crossed over from Charlotte Town to Pictou, on Wednesday last. Rumour says, she may be expected here every hour.
