The documents and correspondence causing the above determination will be shortly published, for the information of the Shareholders and the public in general.

To the Freeholders of the County of Northumberland,

Northumberland,
Gentlemen,
As you must all be aware of my intention of again coming forward as a Candidate for your suffrages at the approaching Election, from my reply to the very flattering requisition from a large body of the constituency of this County presented to me in April last, and published in the Gleaner of the 29th April last, I have now only to remind you of suhc my intention. I beg leave to avail myself of this opportunity of soliciting your votes and interest, and to assure you that if I am honored with your confidence, it will ever be my ambition and earnest desire to show you by every honest means in my power, that your confidence has not been misplaced. Gentlemen, it is my sincere wish that the election should be conducted peaceably, and with a due regard to the free exercise of the Elective Franchise. I have no wish to force myself upon the constituency of the county; on the upon the constituency of the county; on the contrary, if I cannot succeed upon fair and concontrary, if I cannot succeed upon fair and constitutional principles, I have no wish to go at all; and it is only from a firm conviction in my own mind that there is a large majority of the Freeholders of this County favourable to my return, that I am induced to come forward. Gentlemen if the peace of the country should be broken and disorder prevail, it shall not be my fault or that of my supporters—all I and my Friends ask and require is that every Freeholder shall have the power of giving his vote freely shall have the power of giving his vote freely and voluntarily without coersion or restraint. Gentlemen, I have only further to add, that I trust none of my supporters will be induced to keep back from any apprehensions of personal violence on the part of my opponents, as they may rest assured that efficient means will be taken by the properly constitued authorities to preserve peace and protect your constitutional

I have the honor to be, Your very obedient, and very humble servant. Miramichi, 8th, July 1843.
