## Every Youth's Gazette,

The Largest, Handsomest and Cheapest Periodical for the Young in the United States.

Published every fortnight at the New World Office, and every number EMBELLISHED WITH ELEGANT ENGRAVINGS!

We enter upon the second volume of Every Youth's Gazette on the first of January next, in the full confidence of exceeding, in an eminent degree, our previous efforts in making it one of the most instructive, useful and entertaining periodicals for the young of both sexes, ever before established in this country. One great feature of the Youth's Gazette, in the ensuing volume, will be the reprinting of all the POPULAR WORKS FOR CHILDREN by the most eminent English authors, such as Mrs Sherwood, Mary Howitt, Emily Taylor, Maria Hack, Miss Strickland, Miss Wakefield, and many others, all of which will be embellished with

Beautiful Engravings on Wood, many of them executed in London, and are not only exceedingly valuable as illustrations of the various subjects, but interesting as works of art. In fact—in pictorial attractions—no periodical of the kind can compare with this—no expense being spared to make the Youth's Gazette for the young what the New World is for adults, the most interesting and comprehensive paper in the country.

In all respects its contents—embracing Natural History, Geology, Botany, Voyages, Travels, Adventures, Tales, Sermons, &c.—will be adapted to the understandings of youth from five to fifteen years of age; and no article is published which is not pervaded with a pure moral tone.

## Parents and Guardians of Youth

can in no way so powerfully aid in the improvement of their children and wards as to subscribe for this journal. Its great object is to make learning attractive rather than a task, and inspire a love for reading which shall tend to the formation of habits of virtue, industry and usefulness. Every father of a family should take the Gazette for his children as the cheapest schoolmaster which can be

employed for their mental and moral culture—and the great favor with which the work has been received during its first volume, justifies the publisher in the most liberal outlays to enrich its pages for the second—which will render it worthy of a more extensive circulation than it has hitherto enjoyed, large as it has already been.

## TERMS

One Dollar and fifty cents a year, or  
Five Copies for five dollars.

The Youth's Gazette is published every two weeks, on beautiful paper, and contains sixteen Quarto Pages, of three columns each. Single subscriptions \$1 50—two copies for \$2 50—Five copies for \$5—and \$1 for each additional name.

Copies of the first volume will be sent to all new subscribers for \$1 additional, which will thus render the series complete. Specimen numbers sent to all who wish to examine the work before subscribing, if the request is made free of postage. Address
