To Dr. Cotton.

Dear Sir,—I feel much pleasure in having it in my power to communicate to you a most surprising cure effected by your Cottonian Novator. I have been for two years afflicted with that formanter the Rhamatism, in my back that tormentor, the Rheumatism, in my back, that tormentor, the Rheumatism, in my back, thighs, and legs, so much so, that I was not able to go up stairs with the excruciating pain, nor to attend to my vocation as a Joiner; I had also an impression in my breast of a long standing; the result is, my breast is well, and the pains gone, which I am willing to certify on eath.
