

**THE SENTINEL.**—Mr. Ward has discontinued the publication of this Journal at Fredericton.

**PROCEEDINGS OF THE LEGISLATURE.**—By Kelly's mail on Saturday, we obtained the Journals of the Legislature up to the close of the session. We have given in another place numerous extracts.

The Sentinel makes the following correction in its summary of Legislative news, which we copied last week:—

"In part of last Friday's impression, it was erroneously stated that the Bill for amending the College Council, had been agreed to by the Legislative Council. It came down to the Assembly with an amendment, including the Bishop of the Diocese among the members of the College council. The honorable Mr. Wilmot was willing to make the amendment, but it was rejected by the House, as recognizing a dominant church, which will not be tolerated in these colonies, and as being an act of injustice to the Roman Catholic Bishop, and superior clergymen of other persuasions."

**PRINTERS.**—The Mayors of the following cities are Printers—London, Edinburgh, Perth, Glasgow, New York, and Washington.

**FARMER'S MANUAL.**—The Fredericton Head Quarters contains the Prospectus of a Monthly Agricultural periodical, which Mr. Phillips proposes publishing in that place. It will contain 16 large octavo pages, at the extremely low price of one dollar a year.

**ANSWER TO THE YORK COUNTY ADDRESS.**—The following admirable and feeling answer was given by Sir Charles Metcalfe to the address forwarded to him by the inhabitants of York county.

"The loyal and patriotic feelings which have induced you, gentlemen, to give expression to the sentiments conveyed in your Address, demand my warmest thanks; Looking back to the time when the ancestors of many of you sacrificed almost every other earthly good, in order to preserve, inviolate their allegiance to the British Crown, and their connection with their Father Land; every lover of his Country must be filled with admiration at such a splendid instance of loyalty and devotion; and it affords a proud enjoyment to see their sons and their sons' sons eagerly embracing an opportunity to manifest the same noble spirit, with a view to uphold Constitutional Government, and to maintain affectionate union with the mighty Empire, of which British North America is a cherished portion. No less do I appreciate the hearty operation in the same cause of those, who, born in the Mother Country, retain across the broad Atlantic, their undiminished love for their former home, supporting the honor of the Crown and the integrity of Her Majesty's Dominions, and transmitting the same generous attachment as an inheritance to their posterity.

"As long as these filial feelings pervade the people of these Provinces, British North America may confidently expect to flourish, prosper, happy, and free; secured against danger by the energy and courage of her own children, and by the whole power of the British Empire, while the industry and enterprise of her inhabitants are adding daily to her wealth and resources, and to the enjoyment of nearly all the blessings that any country in the world can possess.

"Long may this be her happy destiny—long may her blissful union with the Parent State be the source of increasing benefit to both; and that you Gentlemen, and your Province, may have your full share of every advantage, is the fervent wish of an honest heart that loves the alliance of loyalty, patriotism and freedom under the Shield of the British Constitution."

**In the matter of Phineas Williston, William Williston, and Alexander Williston, lately carrying on business under the style and firm of Phineas Williston & Brothers, Bankrupts.**

Notice is hereby given, that I appoint a further general meeting of the creditors of the above named bankrupts to be held on Monday the 13th day of May next at eleven o'clock in the forenoon at the Commercial Building in the town of Chatham for the purpose of receiving proof of, or of allowing or contesting any claim presented against the estate of the said Bankrupts; at which meeting, or at any adjournment thereof, the said bankrupts will be examined on oath touching their estate; and such other business relating to the Estate will be transacted as shall be deemed necessary.

And Public Notice is hereby further given, that upon the application of the said bankrupts this day made to me, I do appoint a public sitting to be held on Friday, the 5th day of July next, at the hour of Eleven o'clock, in the forenoon, at the place aforesaid, for the allowance of a certificate of conformity to the said bankrupts, pursuant to the provisions of the acts of the General Assembly of this Province, made and in force, concerning Bankrupts, when and where any of the creditors of the said bankrupts may be heard against the allowance of such certificate, and the same will be allowed, unless good cause be then and there shown to the contrary, or such other order will be made as the justice of the case may require.

Given under my hand this 25th day of April, 1844. WILLIAM CARMAN, Junior, Commissioner of the estate and effects of Bankrupts, for the County of Northum.
