

THE EARL OF ALDBOROUGH CURED BY

Holloway's Pills.

THE EARL OF ALDBOROUGH CURED
OF A LIVER AND STOMACH COM-
PLAINT.

Extract of a Letter from the Earl of Alborough
dated Villa Messina, Leghorn, Feb. 21, 1845
To Professor HOLLOWAY.

Sir,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the continent, had not been able to effect; nay! not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Point of the Ointment, in case any of my family should ever require either.

Your most obliged and obedient servant,
(Signed) ALDBOROUGH.

A WONDERFUL CURE OF DROPSY OF
FIVE YEARS' STANDING.

Copy of a Letter from Mr Thomas Taylor,
Chemist, Stockton, Durham, 17th April, 1845.
To Professor HOLLOWAY.

Sir,—I think it my duty to inform you that Mrs Clough, wife of Mr John Clough, a respectable farmer of Acklam, within four miles of this place, had been suffering from Drops for five years, and had had the best medical advice without receiving any relief. Hearing of your Pills and Ointment, she used them with such surprising benefit, that, in fact she has now given them up, being so well and quite able to attend to her household duties as formerly, which she never expected to do again. I had almost forgotten to state that she was given up by the Faculty as incurable. When she used to get up in the morning it was impossible to discover a feature in her face, being in such a fearful state. This cure is entirely by the use of your medicines.

I am, Sir, yours, &c. &c.,
(Signed) THOMAS TAYLOR.

ACURE OF INDIGESTION AND CONSTIPATION OF THE BOWELS.

Copy of a Letter from G. R. Wythen Baxter,
Esq., Author of the "Book of the Bastiles,"
&c. &c.

The Bryn, near Newtown, Montgomeryshire,
North Wales, March 3rd, 1845.
To Professor HOLLOWAY.

Sir,—I consider it my duty to inform you that your Pills, a few boxes of which I purchased at Mr Moore's, Druggist, of Newtown, have cured me of constant indigestion and constipation of the bowels, which application to literary pursuits had long entailed upon me. I should strongly recommend Authors, and studiously-disposed persons generally, to use your valuable Pills. You have my permission to publish this note, if you wish to do so.

I am, Sir, your most obedient servant,
(Signed) G. R. WYTHEN BAXTER.

OF BREATH.

Extract of a Letter from the Rev. David Williams, Resident Wesleyan Minister at Beaumaris, Island of Anglesea, North Wales, January 14th, 1845.

To Professor HOLLOWAY.

Sir,—The Pills which I requested you to send me were for a man of the name of Hugh Davis, who, before he took them, was almost unable to walk for the want of breath! and had only taken them a few days when he appeared quite another man,—his breath is now easy and natural, and he is increasing daily in strength.

MOFFATT'S Life Pills & Phoenix Bitters

The Universal Estimation in which the celebrated LIFE PILLS & PHENIX BITTERS

are held, is satisfactorily demonstrated by the increasing demand for them in every section of the Union, and by the voluntary testimonials to their remarkable efficacy, which are everywhere offered. It is not less from a deeply gratifying confidence that they are the means of extensive and inestimable good among his afflicted fellow creatures, than from interested considerations, that the proprietor of these pre-eminently successful medicines is desirous of keeping them constantly before the public eye. The sale of every additional box and bottle is a guarantee that some persons will be relieved from a greater or less degree of suffering, and be improved in general health, for in no case of suffering from disease can they be taken in vain. The proprietor has never known or been informed of an instance in which they have failed to do good.—In the most obstinate cases of chronic disease, such as chronic dyspepsia, torbid liver, rheumatism, asthma nervous and bilious head ache, costiveness, piles, general debility, scrofulous swellings and ulcers, scurvy, salt rheum, and all other chronic affections of the organs and membranes, they effect cures with a rapidity and permanency which few persons would theoretically believe, but to which thousands have testified from happy experience. In colds and coughs, which, if neglected, superinduce the most fatal diseases of the lungs and indeed the viscera in general, these medicines, if taken but three or four days, never fail. Taken at night, they so promote the insensible perspiration, and so relieve the system of febrile action and feculent obstructions, as to produce a most delightful sense of convalescence in the morning,—and though the usual symptoms of a cold should partially return during the day, the repetition of a suitable dose at the next hour of bed time, will almost invariably effect permanent relief, without further aid. Their effect upon fevers of a more acute and violent kind is not less sure and speedy if taken in proportionable quantity,—and persons retreating to bed with inflammatory symptoms of the most alarming kind, will awake with the gratifying consciousness that the fierce enemy has been overthrown, and can easily be subdued. In the same way, visceral turgescence, though long established, and visceral inflammations, however critical, will yield—the former to small, and the latter to large doses of the LIFE PILLS—and so also hysterical affections, hypochondriacism, restlessness, and very many other varieties of the Neurotic class of diseases, yield to the efficacy of the PHENIX BITTERS.

The above Medicines are for Sale at the Store of Mr THOMAS SPRATT, in Chatham, near the residence of the Hon. Joseph Cunard, who is appointed sole Agent for their disposal in Miramichi.
