

# THE EARL OF ALDBOROUGH CURED BY

## Holloway's PILLS.

THE EARL OF ALDBOROUGH CURED  
OF A LIVER AND STOMACH COM-  
PLAINT.

Extract of a Letter from the Earl of Alborough  
dated Villa Messina, Leghorn, Feb. 21, 1845  
To Professor HOLLOWAY.

Sir,—Various circumstances prevented the  
possibility of my thanking you before this time  
for your politeness in sending me your Pills as  
you did. I now take this opportunity of send-  
ing you an order for the amount, and, at the  
same time, to add that your Pills have effected  
a cure of a disorder in my Liver and Stomach,  
which all the most eminent of the Faculty at  
home, and all over the continent, had not been  
able to effect; nay! not even the waters of  
Carlsbad and Marienbad. I wish to have ano-  
ther Box and a Point of the Ointment, in case  
any of my family should ever require either.

Your most obliged and obedient servant,  
(Signed) ALDBOROUGH.

A WONDERFUL CURE OF DROPSY OF  
FIVE YEARS' STANDING.

Copy of a Letter from Mr Thomas Taylor,  
Chemist, Stockton, Durham, 17th April, 1845.  
To Professor HOLLOWAY.

Sir,—I think it my duty to inform you that  
Mrs Clough, wife of Mr John Clough, a res-  
pectable farmer of Acklam, within four miles  
of this place, had been suffering from Dropsy  
for five years, and had had the best medical  
advice without receiving any relief. Hearing  
of your Pills and Ointment, she used them with  
such surprising benefit, that, in fact she has now  
given them up, being so well and quite able to  
attend to her household duties as formerly,  
which she never expected to do again. I had  
almost forgotten to state that she was given up  
by the Faculty as incurable. When she used  
to get up in the morning it was impossible to  
discover a feature in her face, being in such a  
fearful state. This cure is entirely by the use  
of your medicines.

I am, Sir, yours, &c. &c.  
(Signed) THOMAS TAYLOR.

A CURE OF INDIGESTION AND CON-  
STIPATION OF THE BOWELS.

Copy of a Letter from G. R. Wythen Baxter,  
Esq., Author of the "Book of the Bastiles,"  
&c. &c.

The Bryan, near Newtown, Montgomeryshire,  
North Wales, March 3rd, 1845.

To Professor HOLLOWAY.

Sir,—I consider it my duty to inform you  
that your Pills, a few boxes of which I pur-  
chased at Mr Moore's, Druggist, of Newtown,  
have cured me of constant indigestion and  
constipation of the bowels, which application  
to literary pursuits had long entailed upon me.  
I should strongly recommend Authors, and  
studiously-disposed persons generally, to use  
your valuable Pills. You have my permission  
to publish this note, if you wish to do so.

I am, Sir, your most obedient servant,  
(Signed) G. R. WYTHEN BAXTER.

A CURE OF ASTHMA AND SHORTNESS  
OF BREATH.

Extract of a Letter from the Rev. David Wil-  
liams, Resident Wesleyan Minister at Beau-  
maris, Island of Anglesea, North Wales,  
January 14th, 1845.

To Professor HOLLOWAY.

Sir,—The Pills which I requested you to  
send me were for a man of the name of Hugh  
Davis, who, before he took them, was almost  
unable to walk for the want of breath! and had  
only taken them a few days when he appeared  
quite another man,—his breath is now easy and  
natural, and he is increasing daily in strength.  
(Signed) DAVID WILLIAMS.

N. B.—These extraordinary Pills will cure  
any case of Asthma or shortness of Breath,  
however long standing or distressing the case  
may be, even if the patient be unable to lie  
down in bed through fear of being choked with  
cough or phlegm.

## MOFFATT'S Life Pills & Phoenix Bitters.

The Universal Estimation in which the  
celebrated LIFE PILLS & PHENIX  
BITTERS

are held, is satisfactorily demonstrated by the  
increasing demand for them in every section  
of the Union, and by the voluntary testimo-  
nials to their remarkable efficacy, which are  
everywhere offered. It is not less from a  
deeply gratifying confidence that they are the  
means of extensive and inestimable good a-  
mong his afflicted fellow creatures, than from  
interested considerations, that the proprietor  
of these pre-eminently successful medicines is  
desirous of keeping them constantly before the  
public eye. The sale of every additional  
box and bottle is a guarantee that some person  
will be relieved from a greater or less degree  
of suffering, and be improved in general  
health, for in no case of suffering from disease  
can they be taken in vain. The proprietor  
has never known or been informed of an in-  
stance in which they have failed to do good.—  
In the most obstinate cases of chronic disease,  
such as chronic dyspepsia, torpid liver, rheu-  
matism, asthma nervous and bilious head ache,  
costiveness, piles, general debility, scrofulous  
swellings and ulcers, scurvy, salt rheum, and all  
other chronic affections of the organs and  
membranes, they effect cures with a rapidity  
and permanency which few persons would  
theoretically believe, but to which thousands  
have testified from happy experience. In colds  
and coughs, which, if neglected, superinduce  
the most fatal diseases of the lungs and indeed  
the vicia in general, these medicines, if taken  
but three or four days, never fail. Taken at  
night, they so promote the insensible perspi-  
ration, and so relieve the system of febrile ac-  
tion and feculent obstructions, as to produce a  
most delightful sense of convalescence in the  
morning—and though the usual symptoms of a  
cold should partially return during the day, the  
repetition of a suitable dose at the next hour  
of bed time, will almost invariably effect per-  
manent relief, without further aid. Their  
effect upon fevers of a more acute and violent  
kind is not less sure and speedy if taken in  
proportionable quantity—and persons retin-  
ing to bed with inflammatory symptoms of the  
most alarming kind, will awake with the gra-  
tifying consciousness that the fierce enemy has  
been overthrown, and can easily be subdued.  
In the same way, visceral turgescence, though  
long established, and visceral inflammations,  
however critical, will yield—the former to  
small, and the latter to large doses of the LIFE  
PILLS—and so also hysterical affections, hy-  
pocondriacism, restlessness, and very many  
other varieties of the Neurotical class of dis-  
eases, yield to the efficacy of the PHENIX  
BITTERS.

The above Medicines are for Sale at the  
Store of Mr THOMAS SPRATT, in Chat-  
ham, near the residence of the Hon. Joseph  
Cunard, who is appointed sole Agent for their  
disposal in Miramichi.
