TO MOFFATT'S Life Pills & Phonix Bitters

The Universal Estimation in which th celebroted LIFE PILLS & PHEMI BITTERSOL

are held, is satisfactorily demonstrated by the

increasing demand for them in svery enclose of the Union, and by the voluntary testings als to their remarkable efficacy, which are everywhere reflered. He is not less from a deeply gratifying confidence that shey are the means of extensive and meetimable good mong his officient fellow creatures, thanken onterested considerations, that the proprieto desirons of Reeping them constantly before to the public ejec. The sale of every addition box and hottle is a guarantee that some persain liberary and the relieved from a greater or less certification, and be improved in gentle health of the management of the constant o health, for in no case of suffering from dises can they be taken in vain. The propris has never known of been informed of an atanca in which they have falled to do good In the most obstinate cases of chronic diseast such as chronic dyspensia, torbid liver, ther matism, asthma hervous and bilious head acht costroeness, piles, general debility, ecrofic swellings and ulcers, survy, salt rheum, and other chronic effections of the organs at membranes, they effect cures with a rapid and permanency which few persons were theoretically believe, but to which thouse have testified from happy experience. In the and coughs, which, if neglected, superiode the most faul diseases of the lungs and indee the vicera in general, these medicines, it are but three or four days, never fail. Takes night, they so promote the insensible perspir tion, and so redeve the system of tebrile on and feculent obstructions, as to produce most deligniful sense of convalence in most delignful sense of convalescence in morning—and though the usual symptoms of cold should partially return during the day is repetition of a suitable dose at the next of bed time, will almost invariably effect of mancat relief, without turther aid. effect upon fevers of a more acute and vides kind is not less sure and speedy if taken progortionable quantity—and persons religious to bed with, inflammatory, symptoms of most alarming kind, will awake with the first company consciousness that the fierce enemy been overthrown, and can easily be subdo to the same way, visceral targescence, the long establised, and visceral imfammat however critical, will yield the former nowever critical, will yield—the former small, and the laster to large dose; of the last Prilis—and so also hysterical affections, pocondriscism, restlessness, and very more varieties of the Neouvotical class of the Research yield to the efficacy of the Passa Bitters.

The above Medicines are for Sales in Store of Mr JOSEPH SPRATT, in Chi ham, who is appointed sole agent for the disposal in Miramichi.
