MOFFATT'S Life Pills & Phonix Bitters

The Universal Estimation in which the celebrated LIFE PILLS & PHENIX BITTERS

are held, is satisfactorily demonstrated by the increasing demand for them in every section of the Union, and by the voluntary testimon als to their remarkable efficacy, which are everywhere offered. It is not less from a deeply gratifying confidence that they are the means of extensive and inestimable good among his afflicted fellow creatures, than from alteristed considerations, that the propriets interested considerations, that the proprietor of these pre-eminently successful medicines is desirous of keeping them constantly before he the public eye. The sale of every additional box and bottle is a guarantee that some personal will be relieved from a greater or less degre-of suffering, and be improved in general health, for in no case of suffering from disease can they be taken in vain. The proprietor has never known or been informed of an instance in which they have failed to do good. In the most obstinate cases of chronic disease, such as chronic dyspepsia, torbid liver, then matism, asthma nervous and bilious head ache. costiveness, piles, general debility, scrofulens swellings and ulcers, survy, salt rheum, and all other chronic affections of the organs and membranes, they effect cures wish a rapidity and permanency which few persons would theoretically believe, but to which thousands have testified from happy experience. In colds and coughs, which, if neglected, superinduct the most fatal diseases of the lungs and indeed the vices in Court leads of the lungs and indeed the vices in Court leads of the lungs and indeed the vices in Court leads of the lungs and indeed the vices in Court leads of the lungs and indeed the vices in Court leads of the lungs and indeed the vices in Court leads of the lungs and indeed the vices in Court leads of the lungs and indeed the vices in Court leads of the lungs and indeed the vices in Court leads of the lungs are leaded to the lungs are leaded to the lungs and indeed the vices in Court leads of the lungs are leaded to the lung the vicera in general, these medicines, if taken but three or four days, never fail. Taken a night, they so promote the insensible perspire tion, and so relieve the system of tebrile ach on and feculent obstructions, as to produce a on and feculent obstructions, as to produce a most delightful sense of convalescence in the morning—and though the usual symptoms of a cold should partially return during the day, the repetition of a suitable dose at the next hour of bed time, will almost invariably effect permanent relief, without further aid. Their effect upon fevers of a more acute and violent kind is not less sure and speedy if taken proportionable quantity—and persons retring to bed with inflammatory symptoms of the most alarming kind, will awake with the gratifying consciousness that the fierce enemy has tifying consciousness that the fierce enemy has been overthrown, and can easily be subdured. In the same way, visceral turgescence, though long establised, and visceral imflammation, however critical, will yield—the former to small, and the latter to be a constant of the latter. small, and the latter to large dozes of the Lar Pills—and so also hysterical affections, proconditacism, restlessness, and very mass other varieties of the Neourotical class of diveases, yield to the efficacy of the Phenis Bitters.
