

THE EARL OF ALDBOROUGH

CURED BY

Holloway's Pills.

THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a Letter from the Earl of Aldborough dated Villa Messina, Leghorn, Feb. 21, 1845 To Professor Holloway.

Sir,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the continent, had not been able to effect; nay! not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Point of the Ointment, in case any of my family should ever require either.

Your most obliged and obedient servant,

(Signed) ALDBOROUGH.

A WONDERFUL CURE OF DROPSY OF FIVE YEARS' STANDING.

Copy of a Letter from Mr. Thomas Taylor, Chemist, Stockton, Durham, 17th April, 1845. To Professor Holloway.

Sir,—I think it my duty to inform you that Mrs. Clough, wife of Mr. John Clough, a respectable farmer of Acklam, within four miles of this place, had been suffering from Dropsy for five years, and had had the best medical advice without receiving any relief. Hearing of your Pills and Ointment, she used them with such surprising benefit, that, in fact she has now given them up, being so well and quite able to attend to her household duties as formerly, which she never expected to do again. I had almost forgotten to state that she was given up by the Faculty as incurable. When she used to get up in the morning it was impossible to discover a feature in her face, being in such a fearful state. This cure is entirely by the use of your medicines.

I am, Sir, yours, &c. &c.,

(Signed) THOMAS TAYLOR.

ACURE OF INDIGESTION AND CONSTIPATION OF THE BOWELS.

Copy of a Letter from G. R. Wythen Baxter, Esq., Author of the "Book of the Bastiles," &c. &c.

The Bryon, near Newtown, Montgomeryshire, North Wales, March 3rd, 1845.

To Professor Holloway.

Sir,—I consider it my duty to inform you that your Pills, a few boxes of which I purchased at Mr. Moore's, Druggist, of Newtown, have cured me of constant indigestion and constipation of the bowels, which application to literary pursuits had long entailed upon me. I should strongly recommend Authors, and studiously disposed persons generally, to use your valuable Pills. You have my permission to publish this note, if you wish to do so.

I am, Sir, your most obedient servant,

(Signed) G. R. WYTHEN BAXTER.

A CURE OF ASTHMA AND SHORTNESS OF BREATH.

Extract of a Letter from the Rev. David Williams, Resident Wesleyan Minister at Beaumaris, Island of Anglesea, North Wales, January 14th, 1845.

To Professor Holloway.

Sir,—The Pills which I requested you to send me were for a man of the name of Hugh Davis, who, before he took them, was almost unable to walk for the want of breath! and had only taken them a few days when he appeared quite another man,—his breath is now easy and natural, and he is increasing daily in strength.

A single trial will place the LIFE PILLS, and PHENIX BITTERS beyond the reach of competition in the estimation of every patient.

The genuine of these medicines are now put up in white wrappers and labels, together with a pamphlet, called "Moffat's Good Samaritan," containing the directions, &c., on which is a drawing of Broadway from Wall street to our Office, by which strangers visiting the city can very easily find us. The wrappers and Samaritans are copyrighted, therefore those who procure them with white wrappers can be assured that they are genuine. Be careful, and do not buy those with yellow wrappers; but if you do, be satisfied that they come direct from us, or don't touch them.

Worms: Worms:

Comstock's Vermifuge.—This remedy for Worms is one of the most extraordinary ever used. It effectually eradicates worms of all sorts from children and adults.

Thousands perish by worms without the real cause being known. Some other reason is assigned for their sickness until too late to cure the real cause.

What immense responsibility then rests upon the parent who does not know, and the doctor who does not understand the complaint which is destroying those precious flowers of life—children.

What should be done?

The answer is plain. Give this Vermifuge, which will be sure to do good, if they have no worms, and if they have it will destroy and eradicate with a certainty and precision truly astonishing.

It cannot harm the smallest infant or the strongest adult. There is no mercury or mineral in it. Mercury is the basis of most worm remedies; and the remedy is sometimes worse than the disease. So never use lozenges, but rely upon this. Every person will be convinced on one trial that it is the most perfect cure ever invented.

We call on all good citizens to make known the effects of this wonderful remedy.

Connell's Magical Pain Extractor.

The most extraordinary article ever used for the following complaints—burns and scalds, frosted parts, chilblains, bruises, ringworms, scrofula, salt rheum, ulcers, eruptions, sore nipples, piles, inflamed skin, cuts, stabs, &c.

FOR THE HAIR.—Balm of Columbia.—The only safe and certain means of restoring hair from baldness or grayness, and of preserving a juvenile beauty from infancy to age. It thoroughly removes dandruff, produces eyebrows and whiskers, and fosters children's hair to a beautiful luxuriance.

RHEUMATISM AND GOUT.

How numerous the instances of persons who suffer almost constantly the pain from rheumatic affections, swollen limbs, pain in the bones, &c.; and who, although they have tried numerous remedies, experienced no relief. We would say to such that they can be entirely cured by using the Indian Vegetable Elixir and Lineament, which has effectually cured the most desperate cases, when the persons have been afflicted with it for years.

The only effectual Remedy for removing Hair.—What a blessing it is to the Ladies to know that there is at least one article that will eradicate superfluous hair effectually. It is called the French Depilatory. It will take off the strongest hair in three minutes from the time applied, and leave the skin whiter and softer than before.

What's the use of going with red, or grey Whiskers, when for 50 cents you can have them brown or black by applying the Naples Dye.

All the above articles are sold wholesale and retail by R. C. Ross Boston; and WM. J. FRASER, Miramichi.
