

THE EARL OF ALDBOROUGH CURED BY

Holloway's Pills.

THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a Letter from the Earl of Alborough dated Villa Messina, Leghorn, Feb. 21, 1845 To Professor HOLLOWAY.

Sir,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the continent, had not been able to effect; nay! not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Point of the Ointment, in case any of my family should ever require either.

Your most obliged and obedient servant, (Signed) ALDBOROUGH. A WONDERFUL CURE OF DROPSY OF FIVE YEARS' STANDING.

Copy of a Letter from Mr Thomas Taylor, Chemist, Stockton, Durham, 17th April, 1845. To Professor HOLLOWAY.

Sir,—I think it my duty to inform you that Mrs Clough, wife of Mr John Clough, a respectable farmer of Acklam, within four miles of this place, had been suffering from Dropsy for five years, and had had the best medical advice without receiving any relief. Hearing of your Pills and Ointment, she used them with such surprising benefit, that, in fact she has now given them up, being so well and quite able to attend to her household duties as formerly, which she never expected to do again. I had almost forgotten to state that she was given up by the Faculty as incurable. When she used to get up in the morning it was impossible to discover a feature in her face, being in such a fearful state. This cure is entirely by the use of your medicines.

I am, Sir, yours, &c. &c. (Signed) THOMAS TAYLOR.

ACURE OF INDIGESTION AND CONSTIPATION OF THE BOWELS.

Copy of a Letter from G. R. Wythen Baxter, Esq., Author of the "Book of the Bastiles," &c. &c.

The Brynn, near Newtown, Montgomeryshire, North Wales, March 3rd, 1845. To Professor HOLLOWAY.

Sir,—I consider it my duty to inform you that your Pills, a few boxes of which I purchased at Mr Moore's, Druggist, of Newtown, have cured me of constant indigestion and constipation of the bowels, which application to literary pursuits had long entailed upon me. I should strongly recommend Authors, and studiously-disposed persons generally, to use your valuable Pills. You have my permission to publish this note, if you wish to do so.

I am, Sir, your most obedient servant, (Signed) G. R. WYTHEN BAXTER.

A CURE OF ASTHMA AND SHORTNESS OF BREATH.

Extract of a Letter from the Rev. David Williams, Resident Wesleyan Minister at Beaumaris, Island of Anglesea, North Wales, January 14th, 1845. To Professor HOLLOWAY.

Sir,—The Pills which I requested you to send me were for a man of the name of Hugh Davis, who, before he took them, was almost unable to walk for the want of breath! and had only taken them a few days when he appeared quite another man,—his breath is now easy and natural, and he is increasing daily in strength. (Signed) DAVID WILLIAMS.

N. B.—These extraordinary Pills will cure any case of Asthma or shortness of Breath, however long standing or distressing the case may be, even if the patient be unable to lie down in bed through fear of being choked with cough or phlegm.

This Wonderful Medicine can be recommended with the greatest confidence for any of the following Diseases:—

PURIFY THE BLOOD. MOFFAT'S VEGETABLE LIFE PILLS AND PHOENIX BITTERS

The high and envied celebrity which these pre-eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the high of the credulous.

IN ALL CASES

OF ASTHMA, ACUTE and CHRONIC RHEUMATISM, AFFECTIONS OF THE BLADDER and KIDNEYS.

BILIOUS FEVERS & LIVER COMPLAINTS.—

In the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.

BILIOUS CHOLIC, and SEROUS Looseness, BILES, COSTIVENESS, COLDS & COUGHS, CHOLIC, CONSUMPTION. Used with great success in this disease.

CORRUPT HUMORS, DROPSIES, DYSPEPSIA. No person with this distressing disease, should delay using these medicines immediately.

ERUPTIONS of the Skin, ERYSIPELAS, FLATULENCY, FEVER and AGUE. For this scourge of the western country these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent.—TRY THEM, BE SATISFIED, AND BE CURED.

FOULNESS OF COMPLEXION, GENERAL DEBILITY, GOUT, GIDDINESS, GRAVEL, HEADACHES, of every kind, INWARD FEVER, INFLAMMATORY RHEUMATISM, IMPURE BLOOD, JAUNDICE, LOSS OF APPE-TITE.

LIVER COMPLAINTS, LEPROSY, LOOSENESS, MERCURIAL DISEASES.—

Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.

NIGHT SWEATS, NERVOUS DEBILITY, NERVOUS COMPLAINTS of all kinds, ORGANIC AFFECTIONS, PALPITATION OF THE HEART, PAINTER'S CHOLIC, PILES. The original proprietor of these medicines was cured of Piles of 35 years standing by the use of these Life Medicines alone.

RUSH OF BLOOD TO THE HEAD, SCURVY, SALT-RHEUM, SWELLINGS, SCROFULA, or KING'S EVIL, in its worst forms, ULCERS, of every description.

WORMS, of all kinds, are effectually expelled by these Medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

THE LIFE PILLS AND PHOENIX BITTERS

PURIFY THE BLOOD.

And thus remove all disease from the system.

A single trial will place the LIFE PILLS and PHOENIX BITTERS beyond the reach of competition in the estimation of every patient.

The genuine of these medicines are now put up in white wrappers and labels, together with a pamphlet, called "Moffat's Good Samaritan," containing the directions, &c, on which is a drawing of Broadway from Wall street to our Office, by which strangers visiting the city can very easily find us. The wrappers and Samaritans are copyrighted, therefore those who procure them with white wrappers can be assured that they are genuine. Be careful, and do not buy those with yellow wrappers; but if you do, be satisfied that they come direct from us, or don't touch them.

Prepared and sold by DR. WILLIAM B. MOFFAT, 335 Broadway, corner of Anthony street, New York.

The subscriber, as Agent for Northumberland, Kent, Gloucester, and Restigouche, is prepared to give every information, as to the Society's rates of Premium, mode of Insurance, &c. &c.

The importance of Life Assurance, whereby a man may, by a small saving from his annual income, provide for his family at his decease, cannot be doubted. And this society offers to the public advantages over other similar Institutions, as in addition to a subscribed capital of £500,000, sterling, it is formed on the mutual and joint stock principle.

The premiums may be paid annually, half yearly, or quarterly, and two thirds of the premium may be borrowed by the assured. This system has in many instances afforded effectual aid to the policy holder, in enabling him to obtain his policy, and to carry out his original intention of providing for his family.

News from England.

WILLMER AND SMITH'S EUROPEAN TIMES,

Which arrives by every steam ship at Halifax from Liverpool,

Comprises an English Newspaper,—a Shipping List,—and a General Price Current.

It is arranged and published

Expressly for Nova Scotia, New Brunswick, Newfoundland, Canada, the United States, &c.

Of this Paper the "Boston Morning Post" says—"We are greatly indebted to this Newspaper for our Foreign, Miscellaneous, and Commercial News. One number of Willmer & Smith's European Times is worth a whole file of any other English paper."

During the time this Journal has been before the world, the Proprietors refer, with pleasure, to the praise which it has elicited from the press of England, Scotland, Ireland, the United States, the West Indies, and the encouragement it has received from the public of Canada and the United States.

THREE ESSENTIAL FEATURES DISTINGUISH IN FROM ALL CONTEMPORANEOUS PUBLICATIONS.

FIRST.—It contains a full, correct, and comprehensive Shipping List, arranged on a plan so plain and practicable, that "who runs may read." Persons interested in the Marine of British America may turn in an instant to the information which they seek, with the certainty relying on its truth. It thus supersedes shipping Lists, and other expensive publications from Europe, some of which are six times the price of Willmer & Smith's European Times.

SECONDLY.—It contains a Price Current of all the great British and European Markets, devoted principally to the articles of trade and commerce, more immediately appertaining to British America and the United States, and in which the Merchant, the Trader, and the man of business must feel an immediate interest. On the score of correctness, the Tabular Figures, and the remarks accompanying the various markets, showing their actual condition, may be relied on, and are, in fact, an authority with that of the first Houses in the principal cities in the United States and Canada.

THIRDLY.—As a newspaper, it presents to the American reader, in a concentrated state, and where the interest or the importance of the subject demands it, in the most detailed and ample form, every topic of political, commercial, domestic, and miscellaneous interest which has occurred in Europe or elsewhere, since the departure of the previous packet—special regard being paid to whatever is most connected with, or relates to, the political, social, and commercial well-being of British America and the United States. Willmer & Smith's European Times, in short, takes a GLANCE at every circumstance in which the inhabitants of the great Western World can possibly feel an interest. It puts the American reader in possession, the moment it comes to hand, of whatever has transpired, during the interval in Europe—personal, political and commercial.

The subscription to this Paper is 16s. per annum, and may be ordered of JAMES CALE, Esquire, Postmaster, Chatham, Miramichi.

The best Embellished London Journal is THE PICTORIAL TIMES.

The Illustrations of the Pictorial Times are of the most finished description; the pages are enclosed in Ornamental Borders; and the work displays such a variety of elegance, that it has been universally pronounced one of the grandest achievements of Pictorial Literature.

The Pictorial Times is admirably suited for a Family Newspaper, as it contains an abundance of entertaining information, in addition to a most complete Record of Weekly News, and invariably subjects all articles that bear the lightest tinge of impropriety.
