**Holloway's Ointment!**

**FIFTY ULCERS CURED IN SIX WEEKS.**  
Extract of a Letter from John Martin, Esq.  
"Chronicle" Office, Tobago, West Indies:—  
February 4th, 1845.

To Professor HOLLOWAY.

Sir,—I beg to inform you that the inhabitants of this Island, especially those who cannot afford to employ medical gentlemen, are very anxious of having your astonishing Medicines within their reach, from the immense benefits some of them have derived from their use, as they have been found here, in several cases, to cure Sores and Ulcers of the most malignant and desperate kind. One gentleman in this Island, who had, I believe, about fifty running ulcers about his arms, legs, and body, who had tried all other Medicines before the arrival of yours, but all of which did him no good; but yours cured him in about six weeks, and he is now, by their means alone, quite restored to health and vigour.

JOHN MARTIN.

**PILES, FISTULAS, & BEARINGS-DOWN.**

A remarkable Cure by these Pills and Ointment.—A half-pay lieutenant, lately residing at St. Helier's, Jersey, whose name by request is omitted, had for three years suffered from piles and fistula, besides a general bearing down, of the most distressing nature. He had twice undergone an operation, but to no purpose, and at last gave himself up to despair. Yet, notwithstanding this complication of complaints, together with a debilitated constitution, he was completely cured of all his infirmities, and restored to the full enjoyment of health by these justly renowned medicines, when every other means had failed.

Extraordinary Cure in the West Indies, of  
Leprosy and other direful skin diseases.

Mr LEWIS REEDON, of Georgetown, Demerara, writes under the above date—that Holloway's Pills and Ointment have cured bad legs that no doctor could manage, ulcers and sores that were of the most dreadful description, as likewise leprosy, blotches, scales, and other skin diseases of the most frightful nature, and that the cures effected there by these wonderful medicines are so numerous and extraordinary as to astonish the whole population.

**CANCERED BREAST.—A WONDERFUL CIRCUMSTANCE.**

Copy of a Letter from Richard Bull, Bootmaker,  
Tatton, near Southampton.

February 9th, 1845.

To Professor HOLLOWAY.

Sir,—The Lord has permitted to be wrought a wonderful cure of Cancers or Abscesses, of 12 years' standing, in my wife's breast. In the latter part of the time, eleven wounds were open at once. The Faculty declared the case as past cure, several pieces of bone has come away, and I expected that my poor wife would soon have been taken from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our utter astonishment, in the space of about three months, healed up the breast as soundly as ever it was in her life.

I shall ever remain, your grateful servant,  
(Signed) RICHARD BULL.

**WHEESING ON THE CHEST AND SHORTNESS OF BREATH.**  
Copy of a Letter from Mr Jeremiah Casey, No. 1, Compton-place, Compton-street, Brunswick square, London, April 25th, 1845.

To Professor HOLLOWAY.

Sir,—I beg to inform you that I believe I had been, for more than three years, one of the greatest sufferers in the world with Chronic Asthma. For weeks together my breath was frequently so short that I was afraid every moment of being choked with phlegm. I never went into a bed; very often, indeed, I have been obliged to pass the night without being able to recline sufficiently to lay my head on a table, lest I should be suffocated. No one thought I should live over the winter, nor did I expect it myself; but I am happy to say that I am now able to work from morning till night, and that I sleep as well as ever I did in my life; and this miracle (I may say) was effected by rubbing your invaluable Ointment twice a day into my chest, and taking ten of your Pills at bed time, and ten again in the morning, for about three months.

JEREMIAH CASEY.

IN ALL DISEASES of the Skin, Bad Legs, Old Wounds and Ulcers, Bad Breasts, Sore Nipples, Stoney and Ulcerated Cancers, Tumours Swellings, Gout, Rheumatism, and Lumbago, likewise in cases of Piles; Holloway's Pills, in all the above cases, ought to be used with the Ointment; as by these means cures will be effected with a much greater certainty, and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of Mosquitoes, Sand-flies, Chiego-foot, Yawa, and Coco-bay, and all skin Diseases common to the East and West Indies, and other tropical climes Burns, Scalds, Chilblains, Chapped Hands and Lips, also Bunions and soft Corns will be immediately cured by the use of this Ointment.

The high and envied celebrity which these pre-eminent  
Medicines have acquired for their invariable efficacy in all  
the diseases which they profess to cure, has rendered the

Thos. C. Kinnear, Esq. John Duffus, Esq.,  
Jonathan Allison, Esquire.

Standing Counsel—The Hon. Attorney General.

Solicitor—J. C. Halliburton, Esquire.

The subscriber, as Agent for Northumber-  
land, Kent, Gloucester, and Restigouche, is  
prepared to give every information, as to the  
Society's rates of Premium, mode of Insurance,  
&c. &c.

The importance of Life Assurance, whereby  
a man may, by a small saving from his annual  
income, provide for his family at his decease,  
cannot be doubted. And this society offers to  
the public advantages over other similar Insti-  
tutions, as in addition to a subscribed capital of  
£500,000, sterling, it is formed on the mutual  
and joint stock principle.

The premiums may be paid annually, half  
yearly, or quarterly, and two thirds of the pre-  
mium may be borrowed by the assured. This  
system has in many instances afforded effectual  
aid to the policy holder, in enabling him to  
obtain his policy, and to carry out his original  
intention of providing for his family.

**News from England.**

**WILLMER AND SMITH'S EUROPEAN**  
**TIMES.**

Which arrives by every steam ship at Halifax  
from Liverpool,

Comprises an English Newspaper,—a  
Shipping List,—and a General Price  
Current.

It is arranged and published  
Expressly for Nova Scotia, New Bruns-  
wick, Newfoundland, Canada, the  
United States, &c.

Of this Paper the "Boston Morning Post"  
says—"We are greatly indebted to this News-  
paper for our Foreign, Miscellaneous, and  
Commercial News. One number of Willmer  
& Smith's European Times is worth a whole  
file of any other English paper."

During the time this Journal has been before  
the world, the Proprietors refer, with pleasure,  
to the praise which it has elicited from the  
press of England, Scotland, Ireland, the United  
States, the West Indies, and the encouragement  
it has received from the public of Canada and  
the United States.

THREE ESSENTIAL FEATURES DISTINGUISH IN  
FROM ALL CONTEMPORANEOUS PUBLICATIONS.

FIRST,—It contains a full, correct, and com-  
prehensive Shipping List, arranged on a plan  
so plain and practicable, that "who runs may  
read." Persons interested in the Marine of  
British America may turn in an instant to the  
information which they seek, with the certainty  
relying on its truth. It thus supersedes  
shipping Lists, and other expensive publications  
from Europe, some of which are six times the  
price of Willmer & Smith's European Times.

SECONDLY,—It contains a Price Current of  
all the great British and European Markets,  
devoted principally to the articles of trade and  
commerce, more immediately appertaining to  
British America and the United States, and in  
which the Merchant, the Trader, and the man  
of business must feel an immediate interest.  
On the score of correctness, the Tabular Fig-  
ures, and the remarks accompanying the various  
markets, showing their actual condition, may  
be relied on, and are, in fact, an authority with  
that of the first Houses in the principal cities  
in the United States and Canada.

THIRDLY,—As a newspaper, it presents to  
the American reader, in a concentrated state,  
and where the interest or the importance of the  
subject demands it, in the most detailed and  
ample form, every topic of political, commer-  
cial, domestic, and miscellaneous interest  
which has occurred in Europe or elsewhere,  
since the departure of the previous packet—  
special regard being paid to whatever is mostly  
connected with, or relates to, the political,  
social, and commercial well-being of British  
America and the United States. Willmer &  
Smith's European Times, in short, takes a  
GLANCE at every circumstance in which the  
inhabitants of the great Western World can  
possibly feel an interest. It puts the American  
reader in possession, the moment it comes to  
hand, of whatever has transpired, during the  
interval in Europe—personal, political and  
commercial.

**30 Beautiful Engravings**  
On Wood, the Latest Intelligence, and a great  
variety of interesting information.

The Illustrations of the Pictorial Times are  
of the most finished description; the pages  
are enclosed in Ornamental Borders; and the  
work displays such a variety of elegance, that  
it has been universally pronounced one of the  
grandest achievements of Pictorial Literature.

The Pictorial Times is admirably suited for  
a Family Newspaper, as it contains an abun-  
dant of entertaining information, in addition  
to a most complete Record of Weekly News,

lightest tinge of impropriety.
